About Taboola

Taboola powers recommendations for the open web, helping people discover things they may like.

The company's platform, powered by artificial intelligence, is used by digital properties, including websites, devices and mobile apps, to drive monetization and user engagement. Taboola has long-term partnerships with some of the top digital properties in the world, including CNBC, BBC, NBC News, Business Insider, The Independent and El Mundo.

More than 14,000 advertisers use Taboola to reach over 500 million daily active users in a brand-safe environment. Following the acquisition of Connexity in 2021, Taboola is a leader in powering e-commerce recommendations, driving more than 1 million monthly transactions each month. Leading brands including Walmart, Macy's, Wayfair, Skechers and eBay are among key customers.

Disclaimer - Forward-Looking Statements

Taboola (the "Company") may, in this communication or in the information session described above, make certain statements that are not historical facts and relate to analysis or other information which are based on forecasts or future or results. Examples of such forward-looking statements include, but are not limited to, statements regarding future prospects, product development and business strategies. Words such as "expect," "estimate," "project," "budget," "forecast," "anticipate," "intend," "plan," "may," "will," "could," "should," "believes," "predicts," "potential," "continue," and similar expressions are intended to identify such forward-looking statements but are not the exclusive means for identifying such statements. By their very nature, forward-looking statements involve inherent risks and uncertainties, both general and specific, and there are risks that the predictions, forecasts, projections and other forward-looking statements will not be achieved. You should understand that a number of factors could cause actual results to differ materially from the plans, objectives, expectations, estimates and intentions expressed in such forward-looking statements, including the risks set forth under "Risk Factors" in our Registration Statements on Form F-4 and F-1, and our other SEC filings. The Company cautions readers not to place undue reliance upon any forward-looking statements, which speak only as of the date made. The Company does not undertake or accept any obligation or undertaking to release publicly any updates or revisions to any forward-looking statements to reflect any change in its expectations or any change in events, conditions or circumstances on which any such statement is based.
