On September 1, 2021, Taboola.com Ltd (“Taboola”) completed its previously announced acquisition of Shop Holding Corporation (“Connexity”) pursuant to the Stock Purchase Agreement (the “Purchase Agreement”) by and among Taboola, Inc., a wholly-owned subsidiary of Taboola (“Buyer”), Shop Management, LLC (“Seller”) and, for certain specified sections of the Purchase Agreement, Taboola (the “Transaction”).

At closing of the Transaction, Taboola (i) issued to Seller 17,328,049 ordinary shares of Taboola, and (ii) paid to Seller approximately \$476.45 million in cash. An additional 3,681,030 ordinary shares of Taboola were held back by Taboola pursuant to certain holdback arrangements entered into with current employees of Connexity, and are to be delivered to such employees in installments over three years following the closing of the Transaction, subject to continued employment by such persons with Taboola. Separately, it is expected that certain employees of Connexity will be granted incentive equity awards following the closing of the Transaction that will settle in ordinary shares of Taboola with a value of approximately \$40 million and will vest based on continued employment by such persons with Taboola. The total purchase price was approximately \$800 million including retention incentives, subject to customary purchase price adjustments for working capital. The purchase price is inclusive of amounts used to repay approximately \$68 million of existing estimated indebtedness of Connexity. In addition, \$10 million was deposited into an escrow account at closing for purposes of satisfying post-closing purchase price adjustments.

At closing of the Transaction, Taboola entered into a Registration Rights Agreement (the “Registration Rights Agreement”) with Seller under which Seller is entitled, in certain circumstances, to cause Taboola to register its ordinary shares for resale under the Securities Act of 1933, as amended (the “Securities Act”).

The foregoing descriptions of the Purchase Agreement and the Registration Rights Agreement do not purport to be complete and are qualified in their entirety by reference to the full text of such agreements filed herewith as Exhibit 99.1 and 99.2, respectively, and incorporated herein by reference.

On September 1, 2021, Taboola also entered into a \$300 million senior secured term loan credit agreement (the “Credit Agreement”), among Taboola, Buyer, as borrower, the lenders party thereto (the “Lenders”) and JPMorgan Chase Bank, N.A., as administrative agent. The Credit Agreement provides for borrowings in an aggregate principal amount of up to \$300 million (the “Facility”, and the loans thereunder, the “Loans”). The proceeds of the Facility, which was fully drawn at closing, were used by Taboola to finance, in part, the Transaction.

Borrowings under the Facility are subject to customary conditions to borrowing and will bear interest at a variable annual rate based on LIBOR or Base Rate plus a fixed margin. The Facility will mature on the seventh anniversary of the closing date and amortizes at a rate of 1.00% per annum payable in equal quarterly instalments, with the remaining principal amount due at maturity.

Subject to the following sentence, the Facility is voluntarily prepayable from time to time without premium or penalty. Buyer, as borrower, shall pay a prepayment premium in connection with any repricing transaction consummated on or before the first anniversary of the closing date. The Facility is mandatorily prepayable with a portion of the net cash proceeds of certain dispositions of assets, a portion of Taboola’s excess cash flow and the proceeds of incurrences of indebtedness not permitted under the Credit Agreement.

The Credit Agreement also contains customary representations, covenants and events of default. Failure to meet the covenants beyond applicable grace periods could result in acceleration of the Loans and/or termination of the Facility.

The foregoing description of the Credit Agreement does not purport to be complete and is qualified in its entirety by reference to the full text of the Credit Agreement filed herewith as Exhibit 99.3, and incorporated herein by reference.

A copy of Taboola’s press release dated September 1, 2021 announcing the closing of the Transaction is furnished as Exhibit 99.4 hereto.

WITNESSETH:

WHEREAS, in connection with the consummation of the transactions contemplated by the Stock Purchase Agreement, dated July 22, 2021 (the “**Purchase Agreement**”), by and among the Holder, Taboola, Inc., a Delaware corporation and a wholly owned subsidiary of the Company, and, solely for the limited purposes of Section 2.02(b), 7.01, 8.01, 10.02, and 12.21 thereof, the Company, the Holder and the Company desire to set forth certain matters regarding the ownership of the shares of the Company as set forth below.

NOW, THEREFORE, in consideration of the mutual promises and covenants set forth herein, the parties hereby agree as follows:

**1. Affirmative Covenants.**

1.1 **Confidentiality.** The Holder agrees that any information obtained pursuant to this Agreement (including any information about any proposed registration or offering pursuant to Section 2) will not be disclosed or used for any purpose other than the exercise of rights under this Agreement without the prior written consent of the Company; *provided*, that the Holder may disclose any such information on a confidential basis to its directors, officers, employees and representatives.

2. **Registration.** The following provisions govern the registration of the Company’s securities:

2.1 **Definitions.** As used herein, the following terms have the following meanings:

2.1.1 “**Business Day**” shall mean any day other than a Saturday, a Sunday or other day on which commercial banks in New York, New York are authorized or required by applicable law to close.

2.1.2 “**Exchange Act**” means the Securities Exchange Act of 1934, as it may be amended from time to time.

2.1.3 “**Form F-3**” means Form F-3 under the Securities Act, as in effect on the date hereof or any registration form under the Securities Act subsequently adopted by the SEC which permits inclusion or incorporation of substantial information by reference to other documents filed by the Company with the SEC after the date thereof or, if the Company is at any time not a foreign private issuer, Form S-3 under the Securities Act as in effect on the date hereof or any registration form under the Securities Act subsequently adopted by the SEC which permits inclusion or incorporation of substantial information by reference to other documents filed by the Company with the SEC.

2.1.4 “**Joinder Agreement**” means a joinder agreement, in substantially the form attached hereto as Exhibit A.

2.1.5 “**Register**”, “**registered**” and “**registration**” refer to a registration effected by filing a Registration Statement in compliance with the Securities Act and the declaration or ordering by the SEC of effectiveness of such Registration Statement, or the equivalent actions under the laws of another jurisdiction.

2.1.6 “**Registrable Securities**” means all Ordinary Shares (as such term is defined in the Company’s Articles of Association) owned by the Holder and received pursuant to the Purchase Agreement, including, for the avoidance of doubt, any Ordinary Shares deliverable pursuant to the Holdback Agreements (as defined in the Purchase Agreement) shall be Registrable Securities and any Holder of such Ordinary Shares (“**Holdback Person**”) shall also have the same rights under this Agreement as the Holder); *provided*, that such Ordinary Shares shall cease to be Registrable Securities on the earliest to occur of (x) 2 years after the date hereof, (y) any time 13 months after the date hereof, if the Holder or Holders cease collectively to own at least 1% of the then outstanding Ordinary Shares and (z) when they are sold pursuant to Rule 144 or a Registration Statement.

2.1.7 “**Registration Statement**” shall mean any registration statement that covers Registrable Securities pursuant to the provisions of this Agreement, including the Prospectus included in such registration statement, amendments (including post-effective amendments) and supplements to such registration statement, and all exhibits to and all material incorporated by reference in such registration statement.

2.1.10 “**Shelf Registration**” shall mean a registration of securities pursuant to a Registration Statement filed with the SEC in accordance with and pursuant to Rule 415 promulgated under the Securities Act (or any successor rule then in effect).

2.1.11 “**Transaction Documents**” means this Agreement, the schedules and exhibits attached hereto, the Irrevocable Transfer Agent Instructions and any other documents or agreements explicitly contemplated hereunder.

2.1.12 “**Transfer**” shall mean, directly or indirectly, the (x) sale or assignment of, offer to sell, contract or agreement to sell, hypothecate, pledge, grant of any option to purchase or otherwise dispose of or agreement to dispose of or establishment or increase of a put equivalent position or liquidation with respect to or decrease of a call equivalent position within the meaning of Section 16 of the Exchange Act with respect to, any security, (y) entry into any swap or other arrangement that transfers to another, in whole or in part, any of the economic consequences of ownership of, or any other derivative transaction with respect to, any security, whether any such transaction is to be settled by delivery of such securities, in cash or otherwise, or (x) public announcement of any intention to effect any transaction specified in clause (x) or (y).

2.2 **Piggy-back Registration.** If the Company at any time, beginning upon (but excluding) the date hereof proposes to register any of its Ordinary Shares (other than (w) a shelf registration filed by the Company prior to the date hereof to register Ordinary Shares issued to investors in a private placement in connection with the consummation of the transactions contemplated by the Agreement and Plan of Merger, dated as of January 25, 2021, by and among the Company, Toronto Sub Ltd., a Cayman Islands exempted company and ION Acquisition Corp. 1 Ltd., a Cayman Islands exempted company, (x) a demand registration under Section 2.3 or Section 2.4 of this Agreement, (y) in connection with a registration on Form S-8 or (z) pursuant to Form F-4 or S-4 in connection with a business combination or exchange offer or pursuant to exercise or conversion of outstanding securities) or to undertake an underwritten public offering of its securities pursuant to an effective Registration Statement (a “**Shelf Takedown**”), it shall give written notice to the Holder of such intention not less than ten (10) days before the anticipated filing date of the applicable Registration Statement, which notice shall (A) describe the amount and type of securities to be included in such offering, the intended method(s) of distribution, and the name of the proposed managing underwriter or underwriters, if any, in such offering, and (B) offer to the Holder the opportunity to register the sale of such number of Registrable Securities as the Holder may request in writing. Upon the written request of the Holder given within seven (7) days after receipt of any such notice, the Company shall include in such registration or Shelf Takedown all of the Registrable Securities indicated in such request, so as to permit the disposition of the shares so registered in the manner as contemplated by such registration statement; *provided* that the Holder shall not have the right to include any Registrable Securities that are not permitted to be Transferred pursuant to Section 5.10 of the Purchase Agreement. The Company shall, in good faith, cause such Registrable Securities to be included in such registration or offering and, if applicable, shall use its commercially reasonable efforts to cause the managing underwriter(s) of such registration to permit the Registrable Securities requested by the Holder pursuant to this Section 2.2 to be included therein on the same terms and conditions as any similar securities of the Company included in such registered offering and to permit the sale or other disposition of such Registrable Securities in accordance with the intended method(s) of distribution thereof. Notwithstanding any other provision of this Section 2.2, if the managing underwriter advises the Company in writing that marketing factors require a limitation of the number of shares to be underwritten, then shares will be included in such registration or Shelf Takedown up to such limitation in the following order or priority: (i) first, all Ordinary Shares that were being registered by the Company or pursuant to the exercise of demand rights by holders not party to this Agreement, (ii) second, any other shares of the Company to be offered by any other holders (excluding the Holder) will be included in such registration and (iii) third, all Registrable Securities held by the Holder must be included in such registration. The piggyback rights of the Holder under this Section may be exercised an unlimited number of times. The Holder may elect to withdraw its request for inclusion of Registrable Securities in any Registration Statement pursuant to this Section 2.2 by giving written notice to the Company of such request to withdraw prior to the effectiveness of the Registration Statement. The Company (whether on its own determination or as the result of a withdrawal by persons making a demand pursuant to written contractual obligations) may withdraw a Registration Statement at any time prior to the effectiveness of such Registration Statement.

2.3 **Demand Registration.** At any time following the date hereof (but subject to Section 5.10 of the Purchase Agreement), the Holder may request in writing that all or part of the Registrable Securities held by them shall be registered under the Securities Act (a “**Demand Registration**”). The parties acknowledge and agree that the Holder may initiate the process for a Demand Registration prior to completion of any applicable lock-up periods provided that Holder does not effectuate the Transfer of shares thereunder until completion of all applicable lock-up periods. Thereupon, the Company shall effect the registration of all such or such part of Registrable Securities as soon as practicable; *provided* that (i) the Company shall not be required to effect any registration under this Section 2.3 (x) within a period of ninety (90) days following the effective date of a previous registration for which the Holder had an opportunity to participate and (y) with respect to Registrable Securities with a total offering price not reasonably expected to exceed, in the aggregate, \$100 million, and (ii) this provision shall not apply if a shelf registration on Form F-3 has been filed pursuant to Section 2.4 and is effective and available for use; *provided further* that the Company shall not be obligated to declare the applicable Registration Statement effective prior to the date on which the Registrable Securities to be registered thereunder are freely transferable under Section 5.10 of the Purchase Agreement. The Company shall not be required to effect more than one (1) registration under this Section 2.3. If the Company shall furnish to the Holder a certificate signed by the Chief Executive Officer of the Company stating that in the good faith judgment of the board of directors (the “**Board**”) it would be seriously detrimental to the Company or its shareholders for a registration under this Section 2.3 to be effected at such time, the Company shall have the right to defer such registration for a period of not more than sixty (60) days after receipt of the request of the Holder under this Section 2.3, *provided* that the Company shall not utilize this right more than twice in any twelve (12) month period. The Holder may elect to withdraw from any offering pursuant to this Section 2.3 by giving written notice to the Company and the underwriter(s) of its request to withdraw prior to the effectiveness of the Registration Statement filed with the SEC with respect to such Demand Registration. If the Holder withdraws from a proposed offering relating to a Demand Registration then either the Holder shall reimburse the Company for the costs associated with the withdrawn Demand Registration (in which case such registration shall not count as a Demand Registration provided for in this Section 2.3) or such withdrawn registration shall count as a Demand Registration provided for in this Section 2.3.

Notwithstanding any other provision of this Section 2.3, if the managing underwriter advises the Holder in writing that marketing factors require a limitation on the dollar amount or the number of shares to be underwritten, then the amount of Registrable Securities proposed to be registered shall be reduced appropriately; *provided* that in any event all Registrable Securities held by the Holder and which are requested to be included must be included in such registration prior to any other shares of the Company, including shares held by persons other than the Holder. The Company shall not register securities for sale for its own account in any registration requested pursuant to this Section 2.3 unless permitted to do so by the written consent of the Holder.

**2.4 Shelf Registration.** Prior to the date on which the Registrable Securities to be registered hereunder are freely transferable under Section 5.10 of the Purchase Agreement, in the event that the Company shall receive from the Holder a written request that the Company effect a shelf registration on Form F-3 with respect to Registrable Securities (if no Form F-3 is then on file and available for use by the Holder) for the purpose of conducting delayed or continuous offerings by the Holder, the Company will within ten (10) days after receipt of such request include in such registration all Registrable Securities held by the Holder; *provided* that the Holder shall not have the right to Transfer any Registrable Securities that are not permitted to be Transferred pursuant to Section 5.10 of the Purchase Agreement; *provided further* that the Company shall not be obligated to declare the F-3 registration statement effective more than three (3) Business Days prior to the date on which the Registrable Securities to be registered thereunder are permitted to be transferred under Section 5.10 of the Purchase Agreement. Thereupon, the Company shall effect such registration and all such qualifications and compliances as may be reasonably so requested and as would permit or facilitate the sale and distribution of all or such portion of the Holder's Registrable Securities as are specified in such request; *provided* that the Company shall not be obligated to effect any such registration, qualification, compliance or offering, pursuant to this Section 2.4, (i) if Form F-3 is not available for such registration or offering; (ii) if the Company shall furnish to the Holder a certificate signed by the Chief Executive Officer of the Company stating that in the good faith judgment of the Board it would be seriously detrimental to the Company or its shareholders for such Form F-3 registration statement or Shelf Takedown pursuant thereto to be effected at such time, in which event the Company shall have the right to defer the filing of the Form F-3 registration statement or Shelf Takedown for a period of not more than sixth (60) days after receipt of the request of the Holder under this Section 2.4; *provided* that the Company shall not utilize this right more than once in any twelve (12) month period; or (iii) during the period starting with the date sixty (60) days prior to the Company's estimated date of filing of, and ending on the date six (6) months immediately following the effective date of, any registration statement pertaining to securities of the Company (other than a registration of securities in a Rule 145 transaction or with respect to an employee benefit plan), *provided* that the Company is actively employing in good faith reasonable efforts to cause such registration statement to become effective and that the Company's estimate of the date of filing such registration statement is made in good faith. The Holder may use such Form F-3 to dispose of its Registrable Securities on a non-underwritten basis, and may utilize such Form F-3 on an underwritten basis if requested by the Holder (with any such request being deemed to be a demand pursuant to Section 2.3 and subject to the limits and rules set forth therein, *mutatis mutandis*). If requested by the Holder, the Company shall promptly file with the SEC such post-effective amendments or supplements to any such Form F-3 as may be necessary to name the Holder therein as a selling shareholder and otherwise permit the Holder to sell Registrable Securities thereunder.

**2.5 Designation of Underwriter.** In the case of any registration effected pursuant to Section 2.3, the Company shall have the right to designate the managing underwriters in any underwritten offering, subject to the prior written approval of the Holder, which shall not be unreasonably withheld. In the case of any registration initiated by the Company, the Company shall have the right to designate the managing underwriter in any underwritten offering.

2.6 **Expenses.** All expenses, including the reasonable fees and expenses of one counsel for the Holder incurred in connection with any registration under Section 2.2, Section 2.3 or Section 2.4 shall be borne by the Company; *provided* that the Holder participating in such registration shall pay its pro rata portion of discounts or commissions payable to any underwriter.

2.7 **Indemnities.** In the event of any registered offering of Registrable Securities pursuant to this Section 2:

2.7.1 The Company will indemnify and hold harmless, to the fullest extent permitted by law, the Holder, any underwriter of the Holder, each person, if any, who controls the Holder or such underwriter and each of the foregoing person's respective officers, directors, employees, partners, members, attorneys, advisors, agents or other representatives (a "**Holder Indemnified Party**"), from and against any and all losses, damages, claims, liabilities, joint or several, costs and expenses (including any amounts paid in any settlement effected with the Company's consent) to which any such Holder Indemnified Party may become subject under applicable law or otherwise, insofar as such losses, damages, claims, liabilities (or actions or proceedings in respect thereof), costs or expenses arise out of or are based upon (i) any untrue statement or alleged untrue statement of any material fact contained in the Registration Statement or included in the prospectus, as amended or supplemented, (ii) the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances in which they are made, not misleading and the Company will reimburse such Holder Indemnified Party promptly upon demand, for any reasonable documented, out-of-pocket legal or any other expenses incurred by them in connection with investigating, preparing to defend or defending against or appearing as a third-party witness in connection with such loss, claim, damage, liability, action or proceeding or (iii) any violation of alleged violation by the Company of the Securities Act, the Exchange Act or any state securities law or any rule or regulation thereunder, in connection with the performance of its obligations under this Agreement; *provided* that the Company will not be liable to any Holder Indemnified Party in any such case to the extent that any such loss, damage, liability, cost or expense arises out of or is based upon an untrue statement or alleged untrue statement or omission or alleged omission so made in conformity with information furnished in writing by such Holder Indemnified Party claiming for indemnification in writing specifically for inclusion therein; *provided*, further, that the indemnity agreement contained in this subsection 2.7.1 shall not apply to amounts paid in settlement of any such claim, loss, damage, liability or action if such settlement is effected without the consent of the Company, which consent shall not be unreasonably withheld, conditioned or delayed. Such indemnity shall remain in full force and effect regardless of any investigation made by or on behalf of the Holder Indemnified Party and regardless of any sale in connection with such offering by the Holder Indemnified Party. Such indemnity shall survive the transfer of securities by a selling shareholder.

2.7.2 The Holder will furnish to the Company in writing any information regarding the Holder and its intended method of distribution of Registrable Securities as the Company may reasonably request and will indemnify and hold harmless the Company, any underwriter for the Company, any other person participating in the distribution, each person, if any, who controls the Company, such underwriter or such other person and each of the foregoing person's respective officers, directors, employees, partners, members, attorneys, advisors, agents or other representatives (a "**Company Indemnified Party**") from and against any and all losses, damages, claims, liabilities, costs or expenses (including any amounts paid in any settlement effected with the selling shareholder's consent) to which any such Company Indemnified Party may become subject under applicable law or otherwise, insofar as such losses, damages, claims, liabilities (or actions or proceedings in respect thereof), costs or expenses arise out of or are based on (i) any untrue or alleged untrue statement of any material fact contained in the Registration Statement or included in the prospectus, as amended or supplemented, or (ii) the omission or the alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances in which they were made, not misleading, but, in each case, only to the extent of such information relating to the Holder and provided in writing by the Holder, and the Holder will reimburse such Company Indemnified Party promptly upon demand, for any reasonable legal or other expenses incurred by them in connection with investigating, preparing to defend or defending against or appearing as a third-party witness in connection with such loss, claim, damage, liability, action or proceeding; in each case to the extent, but only to the extent, that such untrue statement or alleged untrue statement or omission or alleged omission was so made in strict conformity with written information furnished by the Holder specifically for inclusion therein. The indemnity agreement contained in this subsection 2.7.2 shall not apply to amounts paid in settlement of any such claim, loss, damage, liability or action if such settlement is effected without the consent of the Holder, which consent shall not be unreasonably withheld, conditioned or delayed. In no event shall the liability of the Holder exceed the net proceeds from the offering received by the Holder.

2.7.3 Promptly after receipt by an indemnified party pursuant to the provisions of Sections 2.7.1 or 2.7.2 of notice of the commencement of any action involving the subject matter of the foregoing indemnity provisions, such indemnified party will, if a claim thereof is to be made against the indemnifying party pursuant to the provisions of said Section 2.7.1 or 2.7.2, promptly notify the indemnifying party of the commencement thereof; but the omission to notify the indemnifying party will not relieve it from any liability which it may have to any indemnified party otherwise than hereunder. In case such action is brought against any indemnified party and it notifies the indemnifying party of the commencement thereof, the indemnifying party shall have the right to participate in, and, to the extent that it may wish, jointly with any other indemnifying party similarly notified, to assume the defense thereof with counsel reasonably satisfactory to such indemnified party; *provided* that if the defendants in any action include both the indemnified party and the indemnifying party and the indemnified party reasonably believes that there is a conflict of interests which would prevent counsel for the indemnifying party from also representing the indemnified party, the indemnified party or parties shall have the right to select one separate counsel to participate in the defense of such action on behalf of such indemnified party or parties. After notice from the indemnifying party to such indemnified party of its election so to assume the defense thereof, the indemnifying party will not be liable to such indemnified party pursuant to the provisions of said Sections 2.7.1 or 2.7.2 for any legal or other expense subsequently incurred by such indemnified party in connection with the defense thereof, unless (i) the indemnified party shall have employed counsel in accordance with the provision of the preceding sentence, (ii) the indemnifying party shall not have employed counsel reasonably satisfactory to the indemnified party to represent the indemnified party within a reasonable time after the notice of the commencement of the action and within 15 days after written notice of the indemnified party's intention to employ separate counsel pursuant to the previous sentence, or (iii) the indemnifying party has authorized the employment of counsel for the indemnified party at the expense of the indemnifying party. No indemnifying party will consent to entry of any judgment or enter into any settlement if such settlement or judgment requires an admission of fault or culpability on the part of the indemnified party or does not include as an unconditional term thereof the giving by the claimant or plaintiff to such indemnified party of a release from all liability in respect to such claim or litigation.

2.7.4 If recovery is not available under the foregoing indemnification provisions, for any reason other than as specified therein, the parties entitled to indemnification by the terms thereof shall be entitled to contribution to liabilities and expenses in such proportion as is appropriate to reflect the relative fault of each of the indemnifying party and the indemnified party in connection with the statements, omissions, or other actions that resulted in such loss, claim, damage, liability, or expense, as well as to reflect any other relevant equitable considerations. In determining the amount of contribution to which the respective parties are entitled, there shall be considered the parties' relative knowledge and access to information concerning the matter with respect to which the claim was asserted, the opportunity to correct and prevent any statement or omission, and any other equitable considerations appropriate under the circumstances. In no event shall the liability of the Holder exceed the net proceeds from the offering received by the Holder.

2.7.5 Notwithstanding anything to the contrary hereunder, no person or entity guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution pursuant to this Section 2.7 from any person or entity who was not guilty of such fraudulent misrepresentation.

**2.8 Obligations of the Company.** Whenever required under this Section 2 to effect the registration of any Registrable Securities, the Company shall, as expeditiously as possible:

2.8.1 prepare and file with the SEC a Registration Statement with respect to such Registrable Securities and use its reasonable commercial efforts to cause such Registration Statement to become effective, and, upon the request of the holders of a majority of the Registrable Securities registered thereunder, keep such Registration Statement effective for a period of up to twelve (12) months or, if sooner, until the distribution contemplated in the Registration Statement has been completed, and, in the case of any registration of Registrable Securities on Form F-3 that are intended to be offered on a continuous or delayed basis, subject to compliance with applicable SEC rules, such twelve (12) month period shall be extended for up to two (2) years, if necessary, to keep the Registration Statement effective until all such Registrable Securities are sold.

2.8.2 subject to the suspension rights set forth in Section 2.3 and 2.4, prepare and file with the SEC such amendments and supplements to such Registration Statement and the prospectus used in connection with such Registration Statement as may be necessary to comply with the provisions of the Securities Act with respect to the disposition of all Registrable Securities covered by such Registration Statement.

2.8.3 use commercially reasonable efforts to furnish to the Holder such numbers of copies of a prospectus, including a preliminary prospectus, and any amendments or supplements to such a prospectus, without charge to the holders of Registrable Securities included in such registration and in conformity with the requirements of the Securities Act, and such other documents as they may reasonably request in order to facilitate the disposition of Registrable Securities owned by them.

2.8.4 in the event of any underwritten public offering, enter into and perform its obligations under an underwriting agreement, in usual and customary form, with the managing underwriter of such offering. The Holder shall also enter into and perform its obligations under such an agreement.

2.8.5 notify the Holder as promptly as reasonably practicable, but in any event within three (3) Business Days, of: (i) such Registration Statement becoming effective; (ii) such time as any post-effective amendment to such Registration Statement becomes effective; (iii) the issuance or threatened issuance by the SEC of any stop order; and (iv) any request by the SEC for any amendment or supplement to such Registration Statement or any prospectus relating thereto or for additional information or of the happening of any event as a result of which the prospectus included in such Registration Statement, as then in effect, includes an untrue statement of a material fact or omits to state a material fact required to be stated therein or necessary to make the statements therein not misleading in the light of the circumstances then existing.

2.8.6 cause all Registrable Securities registered pursuant hereunder to be listed on each securities exchange on which Ordinary Shares are then listed.

2.8.7 provide a transfer agent and registrar for all Registrable Securities registered pursuant hereunder and a CUSIP number for all such Registrable Securities, in each case not later than the effective date of such registration.

2.8.8 furnish, at the request of the Holder at the Holder's expense, on the date that such Registrable Securities are delivered to the underwriters for sale in connection with a registration pursuant to Section 2.2 or Section 2.3, if such securities are being sold through underwriters, (i) an opinion, dated such date, of the counsel representing the Company for the purposes of such registration, in form and substance as is customarily given to underwriters in an underwritten public offering, addressed to the underwriters, if any, and to the Holder and (ii) a letter dated such date, from the independent certified public accountants of the Company, in form and substance as is customarily given by independent certified public accountants to underwriters in an underwritten public offering, addressed to the underwriters, if any, and to the Holder.

2.8.9 in the case of an underwritten offering involving gross proceeds in excess of \$100.0 million, use its reasonable efforts to make available senior executives of the Company to participate in customary "road show" presentations that may be reasonably requested by the underwriter.

2.8.10 the Company shall enter into customary agreements and take such other actions as are reasonably required in order to expedite or facilitate the disposition of such Registrable Securities.

**2.9 Obligations of the Holder.** Without limiting the foregoing, the Holder may not participate in any underwritten offering hereunder unless the Holder (a) agrees to sell the Holder's Registrable Securities on the basis provided in any underwriting arrangements (which must be approved by the Company) and (b) completes and executes all questionnaires, powers of attorney, indemnities, underwriting agreements and other documents reasonably required under the terms of such underwriting arrangements and the provisions of this Agreement in respect of registration rights.

**2.10 [Reserved].**

**2.11 Market Stand-off.** The Holder agrees that any Registrable Securities owned by it may be subject to a customary "lock-up" restricting sales, pledges or other dispositions for up to ninety (90) days from the date of the final prospectus used in connection with any underwritten offering pursuant to Section 2 above by the Company in which the Company complied with Section 2.2, and the Holder hereby makes, constitutes and appoints the Company and each of its officers, acting alone, with full power of substitution and resubstitution, its true and lawful attorney, for it and in its name, place and stead and for its use and benefit, to enter into and execute customary "lock-up" agreements with respect to all Ordinary Shares or securities convertible into, or exercisable for, Ordinary Shares (with such officers being empowered to determine the customary nature of such lockup), as applicable, (held immediately prior to the launch of such offering) and the Holder shall thereby be required to abide by such "lock-up" period of up to ninety (90) days as is required by the managing underwriter(s) in such registration; *provided* that such obligation shall only apply where all officers and directors of the Company party hereto are similarly bound and shall only apply to a transaction in which the Holder was offered an opportunity to participate. The foregoing provisions of this Section 2.11 shall not apply to the sale of any shares to an underwriter pursuant to an underwriting agreement in connection with such offering or any shares of the Company acquired in such offering or acquired in open market transactions after such offering.

**2.12 Public Information.** The Company shall make publicly available such information as is necessary to enable the Holder to make sales of Registrable Securities pursuant to Rule 144 to the extent such rule is available to Holder at such time. Without limiting the foregoing, in order to enable the Holder to sell the Ordinary Shares under Rule 144, for a period of twelve (12) months from the date hereof, the Company shall use its commercially reasonable efforts to timely file (or obtain extensions in respect thereof and file within the applicable grace period) all reports required to be filed by the Company after the date hereof pursuant to the Exchange Act.

**2.13 Form F-3 Eligibility.** The Company shall, after becoming eligible to use Form F-3, use its reasonable best efforts to remain so eligible (it being understood that the Company will not be required to issue additional capital stock to maintain a minimum public float).

**2.14 Removal of Legends.** Upon Rule 144 becoming available for the resale of any Registrable Securities, without the requirement for the Company to be in compliance with the current public information required under Rule 144 as to such securities and without volume or manner-of-sale restrictions, and expiration of any lock-up agreement applicable to such Ordinary Shares, the Company shall cause Company counsel to issue to a transfer agent the legal opinion referred to in the Irrevocable Transfer Agent Instructions. Any fees (with respect to the transfer agent, Company counsel or otherwise) associated with the issuance of such opinion or the removal of such legend shall be borne by the Company. At such time, the Company will no later than two (2) trading days (such second (2nd) trading day, the “**Legend Removal Date**”), deliver or cause to be delivered to the Holder a certificate representing such Ordinary Shares that is free from all restrictive and other legends. Certificates for Ordinary Shares subject to legend removal hereunder may be transmitted by a transfer agent to the Shareholders by crediting the account of the Holder’s prime broker with Depository Trust Company as directed by the Holder.

**2.14.1 Irrevocable Transfer Agent Instructions.** Following completion of the transactions contemplated by the Purchase Agreement, the Company shall issue irrevocable instructions to its transfer agent, and any subsequent transfer agent, in substantially the form of Exhibit B attached hereto (the “**Irrevocable Transfer Agent Instructions**”). The Company represents and warrants that no instruction other than the Irrevocable Transfer Agent Instructions referred to in this Section 2.14.1 (or instructions that are consistent therewith) and instructions related to the lock-up agreement contained in Section 5.10 of the Purchase Agreement will be given by the Company to its transfer agent in connection with this Agreement, and that the Ordinary Shares shall otherwise be freely transferable on the books and records of the Company as and to the extent provided in this Agreement and the other Transaction Documents and applicable law. The Company acknowledges that a breach by it of its obligations under this Section 2.14.1 will cause irreparable harm to the Holder. Accordingly, the Company acknowledges that the remedy at law for a breach of its obligations under this Section 2.14.1 will be inadequate and agrees, in the event of a breach or threatened breach by the Company of the provisions of this Section 2.14.1, that the Holder shall be entitled, in addition to all other available remedies, to an order and/or injunction restraining any breach and requiring immediate issuance and transfer, without the necessity of showing economic loss and without any bond or other security being required.

**2.14.2 Acknowledgement.** The Holder acknowledges its primary responsibilities under the Securities Act and accordingly will not sell or otherwise transfer the Ordinary Shares or any interest therein without complying with the requirements of the Securities Act. Both the Company and its transfer agent, and their respective directors, officers, employees and agents, may rely on this Section 2.14.2 and the Holder hereunder will indemnify and hold harmless each of such persons from any breaches or violations of this Section 2.14.2.

TO THE EXTENT NOT PROHIBITED BY APPLICABLE LAW WHICH CANNOT BE WAIVED, EACH OF THE PARTIES IRREVOCABLY AND UNCONDITIONALLY WAIVES ANY RIGHT TO TRIAL BY JURY IN RESPECT TO ANY ACTION DIRECTLY OR INDIRECTLY ARISING OUT OF, UNDER OR IN CONNECTION WITH OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED BY THIS AGREEMENT.

**3.4 Successors and Assigns; Assignment.** Except as otherwise expressly limited herein, the provisions hereof shall inure to the benefit of, and be binding upon, the successors, assigns, heirs, executors, and administrators of the parties hereto. (each a “**Permitted Transferee**”) concurrently with the distribution of Ordinary Shares to such Permitted Transferee in accordance with the Purchase Agreement. Notwithstanding the foregoing, any Permitted Transferee, and each Holdback Person upon receipt of Ordinary Shares pursuant to such Holdback Person’s Holdback Agreement, shall execute (i) a Joinder Agreement to be entered into between the Company and such person pursuant to which such person shall be deemed to be a party to this Agreement and (ii) an agreement (in a form acceptable to the Company) to comply with Section 5.10 of the Purchase Agreement, in each case, at the time of the applicable transfer. A Permitted Transferee shall be deemed a Holder.

**3.5 Entire Agreement; Amendment and Waiver.** This Agreement, the Schedules hereto and the Purchase Agreement constitute the full and entire understanding and agreement between the parties with regard to the subject matters hereof and thereof and supersede all prior agreement and understanding, both oral and written between parties with respect to the subject matter of this Agreement. Any term of this Agreement may be amended and the observance of any term hereof may be waived (either prospectively or retroactively and either generally or in a particular instance) with the written consent of the Company and the Holder.

**3.6 Termination.** This Agreement will automatically terminate upon the earlier to occur of (i) any acquisition of the Company, including by way of merger or consolidation, or (ii) the date as of which the Holder ceases to hold any Registrable Securities.

Any notice sent in accordance with this Section 3.7 shall be effective (i) if mailed, seven (7) Business Days after mailing, (ii) if sent by messenger, upon delivery, and (iii) if sent via email, upon transmission and electronic confirmation of receipt or, if transmitted and received on a non-Business Day, on the first Business Day following transmission and electronic confirmation of receipt.

**3.8 Delays or Omissions.** No delay or omission to exercise any right, power, or remedy accruing to any party upon any breach or default under this Agreement, shall be deemed a waiver of any other breach or default theretofore or thereafter occurring. Any waiver, permit, consent, or approval of any kind or character on the part of any party of any breach or default under this Agreement, or any waiver on the part of any party of any provisions or conditions of this Agreement, must be in writing and shall be effective only to the extent specifically set forth in such writing. All remedies, either under this Agreement or by law or otherwise afforded to any of the parties, shall be cumulative and not alternative.

**3.9 Severability.** If any provision of this Agreement is held by a court of competent jurisdiction to be unenforceable under applicable law, then such provision shall be excluded from this Agreement and the remainder of this Agreement shall be interpreted as if such provision were so excluded and shall be enforceable in accordance with its terms; *provided* that in such event this Agreement shall be interpreted so as to give effect, to the greatest extent consistent with and permitted by applicable law, to the meaning and intention of the excluded provision as determined by such court of competent jurisdiction.

**3.10 Counterparts.** This Agreement may be executed in any number of counterparts, each of which shall be deemed an original and enforceable against the parties actually executing such counterpart, and all of which together shall constitute one and the same instrument.

For the avoidance of doubt, if the Company shall have elected the option set forth in clause (x) of any of the preceding clauses (1) or (2) in respect of any transaction, then (i) the Company shall be permitted to consummate such transaction even if any applicable test or condition shall cease to be satisfied subsequent to the Company’s election of such option and (ii) any further determination with respect to incurrence tests prior to the earlier of the consummation of such Limited Condition Transaction and the termination of such Limited Condition Transaction will require the Company to comply with such tests on a Pro Forma Basis assuming the applicable Limited Condition Transaction has been consummated and the applicable acquisition debt has been incurred. The provisions of this paragraph (d) shall also apply in respect of the incurrence of any Incremental Term Facility.

(e) Notwithstanding anything to the contrary herein, unless the Company otherwise notifies the Administrative Agent, with respect to any amount incurred (including under Section 2.25 (including the definition of Incremental Cap used therein)) or transaction entered into (or consummated) in reliance on a provision of any covenant in this Agreement that does not require compliance with a financial ratio or financial test (including any First Lien Net Leverage Ratio test, any Senior Secured Net Leverage Ratio test, any Total Net Leverage Ratio test) (any such amount, including any amount drawn under any permitted revolving facility, and any cap expressed as a percentage of Consolidated EBITDA, a “**Fixed Amount**”) substantially concurrently with any amount incurred or transaction entered into (or consummated) in reliance on a provision of such covenant that requires compliance with a financial ratio or financial test (including any First Lien Net Leverage Ratio test, any Senior Secured Net Leverage Ratio test, any Total Net Leverage Ratio test) (any such amount, an “**Incurrence-Based Amount**”), it is understood and agreed that, solely for purposes of such covenant, (i) the incurrence of such Incurrence-Based Amount shall be calculated first without giving effect to such Fixed Amount but giving full pro forma effect to the use of proceeds of such Fixed Amount and the related transactions and (ii) the incurrence of such Fixed Amount shall be calculated thereafter. Unless the Company elects otherwise, the Company shall be deemed to have used amounts under an Incurrence-Based Amount under any covenant then available to the Company prior to utilization of any amount under a Fixed Amount under such covenant then available to the Company.

(f) The principal amount of any non-interest bearing Indebtedness or other discount security constituting Indebtedness at any date shall be the principal amount thereof that would be shown on a balance sheet of the Company dated such date prepared in accordance with GAAP.

(g) The increase in any amount of Indebtedness or any increase in any amount secured by any Lien by virtue of the accrual of interest, the accretion of accreted value, the payment of interest or a dividend in the form of additional Indebtedness, amortization of original issue discount and/or any increase in the amount of Indebtedness outstanding solely as a result of any fluctuation in the exchange rate of any applicable currency shall be deemed to be permitted Indebtedness for purposes of Section 7.2 and will be deemed not to be the granting of a Lien for purposes of Section 7.3.

(h) For purposes of determining compliance with Section 7.2 or Section 7.3, if any Indebtedness or Lien is incurred in reliance on a basket measured by reference to a percentage of Consolidated EBITDA, and any refinancing or replacement thereof would cause the percentage of Consolidated EBITDA to be exceeded if calculated based on the Consolidated EBITDA on the date of such refinancing or replacement, such percentage of Consolidated EBITDA will be deemed not to be exceeded so long as the principal amount of such refinancing or replacement Indebtedness or other obligation does not exceed an amount sufficient to repay the principal amount of such Indebtedness or other obligation being refinanced or replaced, except by an amount equal to (x) unpaid accrued interest, penalties and premiums (including tender, prepayment or repayment premiums) thereon plus underwriting discounts and other customary fees, commissions and expenses (including upfront fees, original issue discount or initial yield payment) incurred in connection with such refinancing or replacement, (y) any existing commitments unutilized thereunder and (z) additional amounts permitted to be incurred under Section 7.2 and, to the extent secured by a Lien, Section 7.3 (and, in each case, the applicable clause of Section 7.2 and Section 7.3 shall be deemed to be utilized by the amount so incurred).

(i) For the avoidance of doubt, for purposes of determining compliance with Section 7.2(f), (g), (i), (k) and (m) and any other comparable provision of Section 7.2, a Permitted Refinancing in respect of Indebtedness incurred pursuant to a U.S. Dollar-denominated or Consolidated EBITDA-governed basket shall not increase capacity to incur Indebtedness under such U.S. Dollar-denominated or EBITDA-governed basket, and such U.S. Dollar-denominated or EBITDA-governed basket shall be deemed to continue to be utilized by the amount of the original Indebtedness incurred unless and until the Indebtedness incurred to effect such Permitted Refinancing is no longer outstanding.

(j) Any financial ratios required to be maintained by the Company pursuant to this Agreement (or required to be satisfied in order for a specific action to be permitted under this Agreement) shall be calculated by dividing the appropriate component by the other component, carrying the result to one place more than the number of places by which such ratio is expressed herein and rounding the result up or down to the nearest number (with a rounding-up if there is no nearest number).

(k) For all purposes under the Loan Documents, in connection with any division or plan of division under Delaware law: (a) if any asset, right, obligation or liability of any Person becomes the asset, right, obligation or liability of a different Person, then it shall be deemed to have been transferred from the original Person to the subsequent Person, and (b) if any new Person comes into existence, such new Person shall be deemed to have been organized and acquired (or, if such subsequent Person ceases to be a Subsidiary of the original Person, disposed of) on the first date of its existence by the holders of its Capital Stock at such time.

(l) Upon the consummation of any Holding Company Reorganization, the second reference to the "Company" in the first paragraph of Section 7 shall be deemed a reference to the Holding Company.

1.5. Classification of Loans and Borrowings. For purposes of this Agreement, Loans may be classified and referred to by Class (*e.g.*, a "Term Loan") or by Type (*e.g.*, a "LIBO Rate Loan") or by Class and Type (*e.g.*, a "LIBO Rate Term Loan"). Borrowings also may be classified and referred to by Class (*e.g.*, a "Term Loan Borrowing") or by Type (*e.g.*, a "LIBO Rate Borrowing") or by Class and Type (*e.g.*, a "LIBO Rate Term Loan Borrowing").

1.6. Interest Rates; LIBOR Notification. The interest rate on a Loan may be derived from an interest rate benchmark that is, or may in the future become, the subject of regulatory reform. Regulators have signaled the need to use alternative benchmark reference rates for some of these interest rate benchmarks and, as a result, such interest rate benchmarks may cease to comply with applicable laws and regulations, may be permanently discontinued, and/or the basis on which they are calculated may change. The London interbank offered rate (“**LIBOR**”) is intended to represent the rate at which contributing banks may obtain short-term borrowings from each other in the London interbank market. On March 5, 2021, the U.K. Financial Conduct Authority (“**FCA**”) publicly announced that: (a) immediately after December 31, 2021, publication of the 1-week and 2-month U.S. Dollar LIBOR settings will permanently cease; immediately after June 30, 2023, publication of the overnight and 12-month U.S. Dollar LIBOR settings will permanently cease; and immediately after June 30, 2023, the 1-month, 3-month and 6-month U.S. Dollar LIBOR settings will cease to be provided or, subject to the FCA’s consideration of the case, be provided on a synthetic basis and no longer be representative of the underlying market and economic reality they are intended to measure and that representativeness will not be restored. There is no assurance that dates announced by the FCA will not change or that the administrator of LIBOR and/or regulators will not take further action that could impact the availability, composition, or characteristics of LIBOR or the tenors for which LIBOR is published. Each party to this agreement should consult its own advisors to stay informed of any such developments. Public and private sector industry initiatives are currently underway to identify new or alternative reference rates to be used in place of LIBOR. Upon the occurrence of a Benchmark Transition Event, a Term SOFR Transition Event, an Early Opt-in Election or an Other Benchmark Rate Election, Sections 2.16(b) and (c) provide a mechanism for determining an alternative rate of interest. The Administrative Agent will promptly notify the Borrower, pursuant to Section 2.16(e) of any change to the reference rate upon which the interest rate on LIBO Rate Loans is based. However, the Administrative Agent does not warrant or accept any responsibility for, and shall not have any liability with respect to, the administration, submission, performance or any other matter related to the Daily Simple RFR, LIBOR or with respect to any alternative or successor rate thereto, or replacement rate thereof (including, without limitation, (i) any such alternative, successor or replacement rate implemented pursuant to Section 2.16(b) or (c) , whether upon the occurrence of a Benchmark Transition Event, a Term SOFR Transition Event, an Early Opt-in Election or an Other Benchmark Rate Election, and (ii) the implementation of any Benchmark Replacement Conforming Changes pursuant to Section 2.16(d), including without limitation, whether the composition or characteristics of any such alternative, successor or replacement reference rate will be similar to, or produce the same value or economic equivalence of the LIBO Rate or have the same volume or liquidity as did the London interbank offered rate prior to its discontinuance or unavailability. The Administrative Agent and its affiliates and/or other related entities may engage in transactions that affect the calculation of any alternative, successor or alternative rate (including any Benchmark Replacement) and/or any relevant adjustments thereto, in each case, in a manner adverse to the Borrower. The Administrative Agent may select information sources or services in its reasonable discretion to ascertain the LIBO Rate, any component thereof, or rates referenced in the definition thereof, in each case pursuant to the terms of this Agreement, and shall have no liability to the Borrower, any Lender or any other person or entity for damages of any kind, including direct or indirect, special, punitive, incidental or consequential damages, costs, losses or expenses (whether in tort, contract or otherwise and whether at law or in equity), for any error or calculation of any such rate (or component thereof) provided by any such information source or service.

## SECTION 2. AMOUNT AND TERMS OF LOANS AND COMMITMENTS

2.1. Tranche B Term Commitments. Subject to the terms and conditions hereof, each Tranche B Term Lender severally agrees to make a term loan denominated in U.S. Dollars (a “**Tranche B Term Loan**”) to the Borrower on the Closing Date in an amount not to exceed the amount set forth under the heading “Tranche B Term Loan” opposite such Tranche B Term Lender’s name on Schedule 1.1A.

2.2. Procedure for Tranche B Term Loan Borrowing. The Borrower shall give the Administrative Agent irrevocable notice (which notice must be received by the Administrative Agent prior to 12:00 Noon, New York City time, two Business Days prior to the anticipated Closing Date) requesting that the Tranche B Term Lenders make the Tranche B Term Loans on the Closing Date and specifying (i) the amount of Loans to be borrowed, (ii) the anticipated Closing Date and (iii) the length of the initial Interest Period therefor. Each such borrowing shall be in an amount equal to \$5,000,000 or a whole multiple of \$1,000,000 in excess thereof. Upon receipt of such notice of borrowing the Administrative Agent shall promptly notify each Tranche B Term Lender thereof. Each Tranche B Term Lender will make the amount of its Tranche B Term Loan available to the Administrative Agent for the account of the Borrower at the Funding Office prior to 2:00 p.m., New York City time, on the Closing Date. Such borrowing will then be made available to the Borrower by the Administrative Agent crediting the account of the Borrower on the books of such office with the aggregate of the amounts made available to the Administrative Agent by the Tranche B Term Lenders and in like funds as received by the Administrative Agent.

2.3. Repayment of Tranche B Term Loans. The Tranche B Term Loan of each Tranche B Term Lender shall be repaid (i) on the last Business Day of each March, June, September and December, commencing with the first such date to occur that is the last Business Day of the first full quarter ending after the Closing Date, an aggregate principal amount equal to 0.25% of the aggregate principal amount of the Tranche B Term Loans funded on the Closing Date and (ii) on the Tranche B Final Maturity Date, the remainder of the principal amount of the Tranche B Term Loans outstanding on such date, together in each case with accrued but unpaid interest on the principal amount to be paid to but excluding the date of such payment.

2.4. [Reserved].

2.5. [Reserved].

2.6. [Reserved].

2.7. [Reserved].

2.8. Fees, etc. The Borrower agrees to pay to the Administrative Agent the fees in the amounts and on the dates previously agreed to in writing by the Borrower and the Administrative Agent, including pursuant to the Fee Letter.

2.9. Termination or Reduction of Tranche B Term Commitments. The Tranche B Term Commitments shall be automatically permanently reduced to zero on the date of the Borrowing of Tranche B Term Loans (immediately after the funding of such Borrowing on such date).

2.10. Optional Prepayments. (a) The Borrower may at any time and from time to time prepay the Loans, in whole or in part, without premium or penalty (except as set forth in Section 2.10(b)), upon notice delivered by the Borrower to the Administrative Agent (a) at least three Business Days (or shorter notice period approved by the Administrative Agent) prior thereto in the case of LIBO Rate Loans and (b) on the same Business Day in the case of ABR Loans, which notice shall specify the date and amount of prepayment and whether the prepayment is of LIBO Rate Loans, or ABR Loans; provided, that if a LIBO Rate Loan is prepaid on any day other than the last day of the Interest Period applicable thereto, the Borrower shall also pay any amounts owing pursuant to Section 2.20. Upon receipt of any such notice the Administrative Agent shall promptly notify each relevant Lender thereof. If any such notice is given, the amount specified in such notice shall be due and payable on the date specified therein, together with accrued interest to such date on the amount prepaid; provided that notwithstanding anything to the contrary contained in this Agreement, the Borrower may rescind, or extend the date for prepayment specified in, any notice of prepayment under this Section 2.10(a), if such prepayment would have resulted from a refinancing of all or any portion of any Facility or Facilities which refinancing shall not be consummated or shall otherwise be delayed. Partial prepayments of Tranche B Term Loans shall be in an aggregate principal amount of \$1,000,000 or a whole multiple thereof. Any optional prepayments of the Term Loans shall be applied to the remaining installments thereof as selected by the Borrower (or absent any such selection in the direct order of maturity).

(b) If a Repricing Transaction occurs on or prior to the date that is twelve months after the Closing Date, a 1.00% prepayment premium shall be paid on the principal amount of the Tranche B Term Loans prepaid, repaid or subject to an amendment (including to any Lenders that do not consent to such amendment and are required to assign their loans in connection with such amendment) in each case in connection with such Repricing Transaction.

2.11. Mandatory Prepayments.

(a) If any Indebtedness shall be incurred by the Borrower after the Closing Date (other than any permitted Indebtedness incurred in accordance with Section 7.2 (except for Credit Agreement Refinancing Indebtedness which shall be applied in accordance with clause (iii) of the definition thereof)), an amount equal to 100% of the Net Cash Proceeds thereof shall be applied on the date of such issuance or incurrence toward the prepayment of the Term Loans as set forth in Section 2.11(d).

(b) If on any date the Company or any of its Subsidiaries shall receive Net Cash Proceeds from any Asset Sale or Recovery Event then, the Applicable Asset Sale Prepayment Percentage of such Net Cash Proceeds shall be applied by the Borrower on the fifth Business Day following such receipt thereof toward the prepayment of the Term Loans as set forth in Section 2.11(d); provided, that, notwithstanding the foregoing, at the option of the Company, the Company may reinvest the Net Cash Proceeds in the business of the Company or any of its Subsidiaries within (x) 12 months following the receipt of such Net Cash Proceeds or (y) 18 months following the receipt of such Net Cash Proceeds, in the event that the Company or any of its Subsidiaries shall have entered into a binding commitment within 12 months following the receipt of such Net Cash Proceeds to reinvest such Net Cash Proceeds in the business of the Company or any of its Subsidiaries (it being understood that if any portion of such Net Cash Proceeds are no longer intended to be reinvested or are not reinvested within such 18-month period, the Applicable Asset Sale Prepayment Percentage of such Net Cash Proceeds shall be applied by the Borrower on the fifth Business Day after the Company reasonably determines that such Net Cash Proceeds are no longer intended to be or are not reinvested within such 18-month period toward prepayment of the Term Loans as set forth in Section 2.11(d)); provided that if at the time that any such prepayment would be required, the Company or any of its Subsidiaries is required to prepay or offer to repurchase with the Net Cash Proceeds of such Asset Sale or Recovery Event any Incremental Equivalent Debt, Credit Agreement Refinancing Indebtedness, Ratio Debt, Incurred Acquisition Debt or any other Indebtedness outstanding at such time, in each case that is secured by a Lien on the Collateral that is pari passu (but without regard to the control of remedies) with the Liens securing the Obligations pursuant to the terms of the documentation governing such Indebtedness (such Indebtedness required to be offered to be so repurchased, "**Other Applicable Asset Sale Indebtedness**"), then the Company may apply the Net Cash Proceeds on a pro rata basis (determined on the basis of the aggregate outstanding principal amount of the Term Loans and Other Applicable Asset Sale Indebtedness at such time) to the prepayment of such Other Applicable Asset Sale Indebtedness; it being understood that the portion of the Net Cash Proceeds allocated to the Other Applicable Asset Sale Indebtedness shall not exceed the amount of the Net Cash Proceeds required to be allocated to the Other Applicable Asset Sale Indebtedness pursuant to the terms thereof (and the remaining amount, if any, of the Net Cash Proceeds shall be allocated to the Term Loans in accordance with the terms hereof), and the amount of the prepayment of the Term Loans that would have otherwise been required pursuant to this Section 2.11(b) shall be reduced accordingly.

(c) No later than the fifth Business Day after the date on which the financial statements with respect to each fiscal year of the Borrower are required to be delivered pursuant to Section 6.1(a), commencing with the fiscal year ending December 31, 2022, the Borrower shall prepay Term Loans in accordance with Section 2.11(d) in an aggregate principal amount (the “**ECF Prepayment Amount**”) equal to (A) the Applicable ECF Prepayment Percentage of Excess Cash Flow of the Company and its Subsidiaries for the Excess Cash Flow Period then most recently ended (this clause (A), the “**Base ECF Prepayment Amount**”) minus (B) at the option of the Borrower, to the extent occurring during such Excess Cash Flow Period (or occurring after such Excess Cash Flow Period and prior to the date of the applicable Excess Cash Flow payment), and without duplication (including duplication of any amounts deducted in any prior Excess Cash Flow Period or deducted in the calculation of Excess Cash Flow pursuant to the definition thereof), the following (collectively, the “**ECF Deductions**”):

(i) the aggregate principal amount of any Term Loans prepaid pursuant to Section 2.10;

(ii) the aggregate principal amount of any Incremental Equivalent Debt and/or any other Indebtedness permitted to be incurred pursuant to Section 7.2 to the extent secured by Liens on the Collateral that are pari passu with the Liens on the Collateral securing the Facilities (without regard to the control of remedies), voluntarily prepaid, repurchased, redeemed or otherwise retired;

(iii) the amount of any reduction in the outstanding amount of any Term Loans, Incremental Equivalent Debt and/or any other Indebtedness permitted to be incurred pursuant to Section 7.2 to the extent secured by Liens on the Collateral that are pari passu with the Liens on the Collateral securing the Facilities (without regard to the control of remedies), resulting from any purchase or assignment made in accordance with Section 10.6(k) (with respect to Term Loans) and any equivalent provisions with respect to any Incremental Equivalent Debt and/or such other Indebtedness;

(iv) all Cash payments in respect of Capital Expenditures and all Cash payments made to acquire IP Rights;

(v) Cash payments by the Company and its Subsidiaries made in respect of long-term liabilities (including for purposes of clarity, the current portion of such long-term liabilities) of the Company and its Subsidiaries other than Indebtedness, except to the extent such Cash payments were deducted in the calculation of Consolidated Net Income or Consolidated EBITDA for such period;

(vi) Cash payments made from internally generated Cash in respect of any Investment (including acquisitions) permitted by Section 7.7 or otherwise consented to by the Required Lenders (other than Investments (x) in Cash or Cash Equivalents or (y) in the Borrower or any Loan Party) and/or any Restricted Payment permitted by Section 7.7 or otherwise consented to by the Required Lenders;

(vii) the aggregate consideration (A) required to be paid in Cash by the Borrower or its Subsidiaries pursuant to binding contracts entered into prior to or during such period relating to Capital Expenditures, acquisitions or other Investments permitted by Section 7.7 or otherwise consented to by the Required Lenders and/or Restricted Payments described in clause (vi), above and/or (B) otherwise committed or budgeted to be made in connection with Capital Expenditures, acquisitions or other Investments and/or Restricted Payments described in clause (vi) above (clauses (A) and (B) of this clause (vii), the “**Scheduled Consideration**”) (other than Investments in (x) Cash and Cash Equivalents or (y) the Borrower or any Loan Party) to be consummated or made during the period of four consecutive fiscal quarters of the Borrower following the end of such Excess Cash Flow Period; provided that to the extent the aggregate amount actually utilized to finance such Capital Expenditures, acquisitions, Investments or Restricted Payments during such subsequent period of four consecutive fiscal quarters is less than the Scheduled Consideration, the amount of the resulting shortfall shall be added to the calculation of the ECF Prepayment Amount at the end of such subsequent period of four consecutive fiscal quarters;

(viii) Cash expenditures in respect of any Hedge Agreement to the extent not otherwise deducted in the calculation of Consolidated Net Income or Consolidated EBITDA; and

(ix) the aggregate amount of expenditures actually made by the Borrower and/or any Subsidiary in Cash (including any expenditure for the payment of fees or other Charges (or any amortization thereof for such period) in connection with any Disposition, incurrence or repayment of Indebtedness, issuance of Capital Stock, refinancing transaction, amendment or modification of any debt instrument, including this Agreement, and including, in each case, any such transaction consummated prior to, on or after the Closing Date, and Charges incurred in connection therewith, whether or not such transaction was successful), in each case to the extent that such expenditures were not expensed;

in the case of each of clauses (i)-(ix), (I) excluding any such payments, prepayments and expenditures made during such Fiscal Year that reduced the amount required to be prepaid pursuant to this Section 2.11(c) in any prior Fiscal Year, (II) in the case of any prepayment of revolving Indebtedness, to the extent accompanied by a permanent reduction in the relevant commitment, (III) to the extent that such payments, prepayments and expenditures were not financed with the proceeds of other Long-Term Indebtedness of the Borrower or its Subsidiaries and (IV) in each case under clause (3) above, based upon the actual amount of cash paid in connection with any relevant purchase or assignment; provided that no prepayment under this Section 2.11(c) shall be required unless the principal amount of Term Loans required to be prepaid exceeds \$10,000,000 (and, in such case, only such amount in excess of such amount shall be required to be prepaid); provided, further, that if at the time that any such prepayment would be required, the Borrower or any of its Subsidiaries is required to prepay or offer to repurchase with any portion of the ECF Prepayment Amount Incremental Equivalent Debt, Credit Agreement Refinancing Indebtedness, Ratio Debt, Incurred Acquisition Debt or any other Indebtedness outstanding at such time, in each case that is secured on a pari passu basis (without regard to the control of remedies) with the Obligations pursuant to the terms of the documentation governing such Indebtedness (such Indebtedness required to be so prepaid or offered to be so repurchased, “**Other Applicable Indebtedness**”), then the Borrower may apply such portion of the ECF Prepayment Amount on a pro rata basis (determined on the basis of the aggregate outstanding principal amount of the Term Loans and the relevant Other Applicable Indebtedness (or accreted amount if such Other Applicable Indebtedness is issued with original issue discount) at such time) to the prepayment of the Term Loans and to the prepayment of the relevant Other Applicable Indebtedness, and the amount of prepayment of the Term Loans that would have otherwise been required pursuant to this Section 2.11(c) shall be reduced accordingly; it being understood that (1) the portion of such ECF Prepayment Amount allocated to the Other Applicable Indebtedness shall not exceed the portion of such ECF Prepayment Amount required to be allocated to the Other Applicable Indebtedness pursuant to the terms thereof, and the remaining amount, if any, of such ECF Prepayment Amount shall be allocated to the Term Loans in accordance with the terms hereof and (2) to the extent the holders of the Other Applicable Indebtedness decline to have such Indebtedness prepaid or repurchased, the declined amount shall promptly (and in any event within ten Business Days after the date of such rejection) be applied to prepay the Term Loans in accordance with the terms hereof.

(d) The application of any prepayment pursuant to Section 2.11(a), 2.11(b) or 2.11(c) shall be made ratably to the Term Loans based on the outstanding respective principal amounts thereof. Partial prepayments of the Term Loans pursuant to this Section 2.11 shall be applied to the remaining installments thereof, as directed by the Borrower (and absent any direction in the direct order of maturity). The application of any prepayment of Term Loans pursuant to this Section 2.13 shall be made, first, to ABR Loans and second, to LIBO Rate Loans. Each prepayment of the Loans under this Section 2.11 shall be accompanied by accrued interest to the date of such prepayment on the amount prepaid.

(e) Each Lender may elect, by notice to the Administrative Agent at or prior to the time and in the manner specified by the Administrative Agent, prior to any prepayment of Term Loans required to be made by the Borrower pursuant to Section 2.11(b) or (c) to decline all (but not a portion) of its prepayment (such declined amounts, the “**Declined Proceeds**”), which Declined Proceeds may be retained by the Borrower and used for any purpose permitted (or not prohibited) hereunder, including to increase the Available Amount; provided that, for the avoidance of doubt, no Lender may reject any prepayment made under Section 2.11(a) above to the extent that such prepayment is made with the proceeds of any Credit Agreement Refinancing Indebtedness incurred to refinance all or a portion of the Term Loans. If any Lender fails to deliver a notice to the Administrative Agent of its election to decline receipt of its ratable percentage of any mandatory prepayment within the time frame specified by the Administrative Agent, such failure will be deemed to constitute an acceptance of such Lender’s ratable percentage of the total amount of such mandatory prepayment of the Term Loans.

(f) Notwithstanding any other provisions of Section 2.11, to the extent any or all of the Net Cash Proceeds from any Asset Sale or Recovery Event received by the Company or a Foreign Subsidiary are prohibited or delayed by any applicable local law (including financial assistance, corporate benefit restrictions on upstreaming of cash intra group and the fiduciary and statutory duties of the directors of the Company or such Foreign Subsidiary) from being repatriated or passed on to or used for the benefit of the Borrower or any applicable Domestic Subsidiary (the Company hereby agreeing to promptly take, and to cause the applicable Foreign Subsidiary to promptly take, all actions reasonably required by the applicable local law to permit such repatriation as long as such repatriation does not create a material adverse tax consequence) or if the Company has determined in good faith that repatriation of any such amount to the Borrower or any applicable Subsidiary would have material adverse tax consequences with respect to such amount, the portion of such Net Cash Proceeds so affected will not be required to be applied to prepay Term Loans at the times provided in this Section 2.11 but may be retained by the Company or the applicable Subsidiary for so long, but only so long, as the applicable local law will not permit repatriation or the passing on to or otherwise using for the benefit of the Borrower or the applicable Domestic Subsidiary, or the Company believes in good faith that such material adverse tax consequence would result, and once such repatriation of any of such affected Net Cash Proceeds is permitted under the applicable local law or the Company determines in good faith that such repatriation would no longer have such material adverse tax consequences, such repatriation will be promptly effected and such repatriated Net Cash Proceeds will be promptly (and in any event not later than five Business Days after such repatriation) applied (net of additional taxes payable or reasonably estimated to be payable as a result thereof) to the prepayment of the applicable Term Loans as otherwise required pursuant to this Section 2.11; provided that, notwithstanding the foregoing, the Borrower and the applicable Domestic Subsidiary shall have no obligation to repatriate any such Net Cash Proceeds (or take any further action with respect thereto) from and after the date that is twelve months after the receipt of such Net Cash Proceeds.

#### 2.12. Continuation Options.

(a) The Borrower may elect from time to time to convert LIBO Rate Loans to ABR Loans by giving the Administrative Agent at least two Business Days’ prior irrevocable notice of such election, provided that any such conversion of LIBO Rate Loans may only be made on the last day of an Interest Period with respect thereto. The Borrower may elect from time to time to convert ABR Loans to LIBO Rate Loans by giving the Administrative Agent at least three Business Days’ prior irrevocable notice of such election (which notice shall specify the length of the initial Interest Period therefor); provided that no ABR Loan under a particular Facility may be converted into a LIBO Rate Loan when any Event of Default has occurred and is continuing and the Majority Facility Lenders in respect of such Facility have determined in its or their sole discretion not to permit such conversions. Upon receipt of any such notice, the Administrative Agent shall promptly notify each relevant Lender thereof.

(b) Any LIBO Rate Loan shall be continued as such upon the expiration of the then current Interest Period with respect thereto unless the Borrower gives notice to the Administrative Agent, in accordance with the applicable provisions of the term "Interest Period" set forth in Section 1.1, of a different length of the next Interest Period to be applicable to such Loans.

2.13. Limitations on Eurodollar Tranches. Notwithstanding anything to the contrary in this Agreement, all borrowings, conversions and continuations of LIBO Rate Loans hereunder and all selections of Interest Periods hereunder shall be in such amounts and be made pursuant to such elections so that, after giving effect thereto, the aggregate principal amount of the LIBO Rate Loans comprising each Eurodollar Tranche shall be equal to \$5,000,000 or a whole multiple of \$1,000,000 in excess thereof.

2.14. Interest Rates and Payment Dates.

(a) Each Loan comprising each ABR Borrowing shall bear interest at a rate per annum equal to the Alternate Base Rate plus the Applicable Margin.

(b) Each Loan comprising each LIBO Rate Borrowing shall bear interest during each Interest Period with respect thereto at a rate per annum equal to the Adjusted LIBO Rate determined for such Interest Period plus the Applicable Margin.

(c) (i) If all or a portion of the principal amount of or interest on any Loan shall not be paid when due and payable (whether at the stated maturity, by acceleration or otherwise and after giving effect to any grace or cure periods applicable thereto), such overdue amounts shall bear interest at a rate per annum equal to in the case of overdue amounts in respect of any Loan, the rate that would otherwise be applicable thereto pursuant to the foregoing provisions of this Section plus 2% and (ii) if all or a portion of any interest, commitment fee or other amount payable hereunder shall not be paid when due and payable (whether at the stated maturity, by acceleration or otherwise and after giving effect to any grace or cure periods applicable thereto), such overdue amount shall bear interest at a rate per annum equal to the rate then applicable to ABR Loans under the relevant Facility plus 2%, in each case, with respect to clauses (i) and (ii) above, from the date of such non-payment until such amount is paid in full (as well after as before judgment).

(d) Interest shall be payable in arrears on each Interest Payment Date.

2.15. Computation of Interest and Fees; Interest Elections.

(a) Interest and fees payable pursuant hereto shall be calculated on the basis of a 360-day year except that interest and fees payable for ABR Loans on which is then based on the Prime Rate shall be computed on the basis of a 365 day year (or 366 day year in a leap year) for the actual days elapsed. The Administrative Agent shall as soon as practicable notify the Borrower and the relevant Lenders of each determination of a LIBO Rate. Any change in the interest rate on a Loan resulting from a change in the Alternate Base Rate shall become effective as of the opening of business on the day on which such change becomes effective. The Administrative Agent shall as soon as practicable notify the Borrower and the relevant Lenders of the effective date and the amount of each such change in interest rate.

(b) Each determination of an interest rate by the Administrative Agent pursuant to any provision of this Agreement shall be conclusive and binding on the Borrower and the Lenders absent manifest error. The Administrative Agent shall, at the request of the Borrower, deliver to the Borrower a statement showing the quotations used by the Administrative Agent in determining any interest rate pursuant to Section 2.15(a).

2.16. Inability to Determine Interest Rate.

(a) Subject to clauses (b), (c), (d), (e), (f) and (g) of this Section 2.16:

(i) the Administrative Agent determines (which determination shall be conclusive and binding absent manifest error) prior to the commencement of any Interest Period for a LIBO Rate Borrowing, that adequate and reasonable means do not exist for ascertaining the Adjusted LIBO Rate or the LIBO Rate (including because the LIBO Screen Rate is not available or published on a current basis), for Dollars and such Interest Period; or

(ii) the Administrative Agent is advised by the Required Lenders that prior to the commencement of any Interest Period for a LIBO Rate Borrowing, the Adjusted LIBO Rate or the LIBO Rate for Dollars and such Interest Period will not adequately and fairly reflect the cost to such Lenders (or Lender) of making or maintaining their Loans (or its Loan) included in such Borrowing for such Interest Period;

then the Administrative Agent shall give notice thereof to the Borrower and the Lenders by telephone, telecopy or electronic mail as promptly as practicable thereafter and, until the Administrative Agent notifies the Borrower and the Lenders that the circumstances giving rise to such notice no longer exist, (A) any continuation of any Borrowing as a LIBO Rate Borrowing shall be ineffective and (B) if any borrowing request requests a LIBO Rate Borrowing, such Borrowing shall be made as an ABR Borrowing; provided that if the circumstances giving rise to such notice affect only one Type of Borrowings, then all other Types of Borrowings shall be permitted. Furthermore, if any LIBO Rate Loan is outstanding on the date of the Borrower's receipt of the notice from the Administrative Agent referred to in this Section 2.16, then until the Administrative Agent notifies the Borrower and the Lenders that the circumstances giving rise to such notice no longer exist, then on the last day of the Interest Period applicable to such Loan (or the next succeeding Business Day if such day is not a Business Day), such Loan shall be converted by the Administrative Agent to, and shall constitute, an ABR Loan on such day.

(b) Notwithstanding anything to the contrary herein or in any other Loan Document, if a Benchmark Transition Event, an Early Opt-in Election or an Other Benchmark Rate Election, as applicable, and its related Benchmark Replacement Date have occurred prior to the Reference Time in respect of any setting of the then-current Benchmark, then (x) if a Benchmark Replacement is determined in accordance with clause (1) or (2) of the definition of "Benchmark Replacement" for such Benchmark Replacement Date, such Benchmark Replacement will replace such Benchmark for all purposes hereunder and under any Loan Document in respect of such Benchmark setting and subsequent Benchmark settings without any amendment to, or further action or consent of any other party to, this Agreement or any other Loan Document and (y) if a Benchmark Replacement is determined in accordance with clause (3) of the definition of "Benchmark Replacement" for such Benchmark Replacement Date, such Benchmark Replacement will replace such Benchmark for all purposes hereunder and under any Loan Document in respect of any Benchmark setting at or after 5:00 p.m. (New York City time) on the fifth (5th) Business Day after the date notice of such Benchmark Replacement is provided to the Lenders without any amendment to, or further action or consent of any other party to, this Agreement or any other Loan Document so long as the Administrative Agent has not received, by such time, written notice of objection to such Benchmark Replacement from Lenders comprising the Required Lenders.

(c) Notwithstanding anything to the contrary herein or in any other Loan Document and subject to the proviso below in this paragraph, if a Term SOFR Transition Event and its related Benchmark Replacement Date have occurred prior to the Reference Time in respect of any setting of the then-current Benchmark, then the applicable Benchmark Replacement will replace the then-current Benchmark for all purposes hereunder or under any Loan Document in respect of such Benchmark setting and subsequent Benchmark settings, without any amendment to, or further action or consent of any other party to, this Agreement or any other Loan Document; provided that, this clause (c) shall not be effective unless the Administrative Agent has delivered to the Lenders and the Borrower a Term SOFR Notice. For the avoidance of doubt, the Administrative Agent shall not be required to deliver a Term SOFR Notice after the occurrence of a Term SOFR Transition Event and may do so in its sole discretion.

(d) In connection with the implementation of a Benchmark Replacement, the Administrative Agent will have the right to make Benchmark Replacement Conforming Changes from time to time and, notwithstanding anything to the contrary herein or in any other Loan Document, any amendments implementing such Benchmark Replacement Conforming Changes will become effective without any further action or consent of any other party to this Agreement or any other Loan Document.

(e) The Administrative Agent will promptly notify the Borrower and the Lenders of (i) any occurrence of a Benchmark Transition Event, a Term SOFR Transition Event, an Early Opt-in Election or an Other Benchmark Rate Election, as applicable, (ii) the implementation of any Benchmark Replacement, (iii) the effectiveness of any Benchmark Replacement Conforming Changes, (iv) the removal or reinstatement of any tenor of a Benchmark pursuant to clause (f) below and (v) the commencement or conclusion of any Benchmark Unavailability Period. Any determination, decision or election that may be made by the Administrative Agent or, if applicable, any Lender (or group of Lenders) pursuant to this Section 2.16, including any determination with respect to a tenor, rate or adjustment or of the occurrence or non-occurrence of an event, circumstance or date and any decision to take or refrain from taking any action or any selection, will be conclusive and binding absent manifest error and may be made in its or their sole discretion and without consent from any other party to this Agreement or any other Loan Document, except, in each case, as expressly required pursuant to this Section 2.16.

(f) Notwithstanding anything to the contrary herein or in any other Loan Document, at any time (including in connection with the implementation of a Benchmark Replacement), (i) if the then-current Benchmark is a term rate (including Term SOFR or the Adjusted LIBO Rate) and either (A) any tenor for such Benchmark is not displayed on a screen or other information service that publishes such rate from time to time as selected by the Administrative Agent in its reasonable discretion or (B) the regulatory supervisor for the administrator of such Benchmark has provided a public statement or publication of information announcing that any tenor for such Benchmark is or will be no longer representative, then the Administrative Agent may modify the definition of "Interest Period" for any Benchmark settings at or after such time to remove such unavailable or non-representative tenor and (ii) if a tenor that was removed pursuant to clause (i) above either (A) is subsequently displayed on a screen or information service for a Benchmark (including a Benchmark Replacement) or (B) is not, or is no longer, subject to an announcement that it is or will no longer be representative for a Benchmark (including a Benchmark Replacement), then the Administrative Agent may modify the definition of "Interest Period" for all Benchmark settings at or after such time to reinstate such previously removed tenor.

(g) Upon the Borrower's receipt of notice of the commencement of a Benchmark Unavailability Period, the Borrower may revoke any request for a LIBO Rate Borrowing of, conversion to or continuation of LIBO Rate Loans to be made, converted or continued during any Benchmark Unavailability Period and, failing that, such Borrower will be deemed to have converted any such request into a request for a Borrowing of or conversion to ABR Loans. During any Benchmark Unavailability Period or at any time that a tenor for the then-current Benchmark is not an Available Tenor, the component of ABR based upon the then-current Benchmark or such tenor for such Benchmark, as applicable, will not be used in any determination of ABR. Furthermore, if any LIBO Rate Loan is outstanding on the date of the Borrower's receipt of notice of the commencement of a Benchmark Unavailability Period, then until such time as a Benchmark Replacement is implemented pursuant to this Section 2.16, then on the last day of the Interest Period applicable to such Loan (or the next succeeding Business day if such day is not a Business Day), such Loan shall be converted by the Administrative Agent to, and shall constitute, an ABR Loan on such day

2.17. Pro Rata Treatment and Payments.

(a) Each payment (including each prepayment) by the Borrower on account of principal of and interest and premium, if any, on the Tranche B Term Loans shall be made pro rata according to the respective outstanding principal amounts of the Tranche B Term Loans then held by the Tranche B Term Lenders. Subject to Section 2.11(d), the amount of each principal prepayment of the Tranche B Term Loans shall be applied to reduce the then remaining installments of the Tranche B Term Loans in the direct order of maturity. Amounts prepaid on account of the Tranche B Term Loans may not be reborrowed.

(b) All payments (including prepayments) to be made by the Borrower hereunder, whether on account of principal, interest, fees or otherwise, shall be made without setoff or counterclaim and shall be made prior to 2:00 p.m., New York City time, on the due date thereof to the Administrative Agent, for the account of the Lenders, at its Domestic Funding Office, in U.S. Dollars and in immediately available funds. The Administrative Agent shall distribute such payments to the Lenders promptly upon receipt in like funds as received. If any payment hereunder (other than payments on the LIBO Rate Loans) becomes due and payable on a day other than a Business Day, such payment shall be extended to the next succeeding Business Day. If any payment on a LIBO Rate Loan becomes due and payable on a day other than a Business Day, the maturity thereof shall be extended to the next succeeding Business Day unless the result of such extension would be to extend such payment into another calendar month, in which event such payment shall be made on the immediately preceding Business Day. In the case of any extension of any payment of principal pursuant to the preceding two sentences, interest thereon shall be payable at the then applicable rate during such extension.

(c) Unless the Administrative Agent shall have been notified in writing by any Lender prior to a borrowing that such Lender will not make the amount that would constitute its share of such borrowing available to the Administrative Agent, the Administrative Agent may assume that such Lender is making such amount available to the Administrative Agent, and the Administrative Agent may, in reliance upon such assumption, make available to the Borrower a corresponding amount. If such amount is not made available to the Administrative Agent by the required time on the Borrowing Date therefor, such Lender shall pay to the Administrative Agent, on demand, such amount with interest thereon at a rate equal to the daily average NYFRB Rate for the period until such Lender makes such amount immediately available to the Administrative Agent. A certificate of the Administrative Agent submitted to any Lender with respect to any amounts owing under this paragraph shall be conclusive absent manifest error. If such Lender's share of such borrowing is not made available to the Administrative Agent by such Lender within three Business Days of such Borrowing Date, the Administrative Agent shall also be entitled to recover such amount with interest thereon at the rate per annum equal to the daily average Federal Funds Effective Rate, on demand, from the Borrower.

(d) Unless the Administrative Agent shall have been notified in writing by the Borrower prior to the date of any payment being made hereunder that the Borrower will not make such payment to the Administrative Agent, the Administrative Agent may assume that the Borrower is making such payment, and the Administrative Agent may, but shall not be required to, in reliance upon such assumption, make available to the Lenders their respective pro rata shares of a corresponding amount. If such payment is not made to the Administrative Agent by the Borrower within three Business Days of such required date, the Administrative Agent shall be entitled to recover, on demand, from each Lender to which any amount which was made available pursuant to the preceding sentence, such amount with interest thereon at the rate per annum equal to the daily average Federal Funds Effective Rate.

2.18. Requirements of Law.

(a) If the adoption of or any change in any Requirement of Law or in the interpretation or application thereof or compliance by any Credit Party with any request or directive (whether or not having the force of law) from any central bank or other Governmental Authority made subsequent to the date hereof:

(i) shall subject such Credit Party to any Tax (except for, without duplication, Non-Excluded Taxes and Taxes described in clauses (i) through (iv) of the definition of Non-Excluded Taxes) on its loans, loan principal, letters of credit, commitments, or other obligations, or its deposits, reserves, other liabilities or capital attributable thereto;

(ii) shall impose, modify or hold applicable any reserve, special deposit, compulsory loan or similar requirement (including any insurance charge or other assessment, but other than any reserve requirement contemplated by Section 2.18(e)) against assets held by, deposits or other liabilities in or for the account of, advances, loans or other extensions of credit by, or any other acquisition of funds by, any office of such Credit Party; or

(iii) shall impose on such Credit Party or the London interbank or other relevant market any other condition, cost or expense affecting this Agreement or the Loans made by such Credit Party (other than Taxes);

and the result of any of the foregoing is to increase the cost to such Credit Party, by an amount that such Credit Party deems to be material, of making, converting into, continuing or maintaining Loans or to reduce any amount receivable hereunder in respect thereof, then, in any such case, the Borrower shall pay such Credit Party, following thirty (30) days' prior written demand and delivery of the calculation of such amount, any additional amounts necessary to compensate such Credit Party for such increased cost or reduced amount receivable. If any Credit Party becomes entitled to claim any additional amounts pursuant to this paragraph, it shall promptly notify the Company (with a copy to the Administrative Agent) of the event by reason of which it has become so entitled together with a calculation of such amount claimed; provided that failure or delay on the part of any Credit Party to demand compensation pursuant to this Section 2.18(a) shall not constitute a waiver of such Credit Party's right to demand such compensation; provided further that the Company shall not be required to compensate a Lender pursuant to this paragraph for any amounts incurred more than 90 days prior to the date that such Lender notifies the Company of such Lender's intention to claim compensation therefor; and provided further that, if the circumstances giving rise to such claim have a retroactive effect, then such 90-day period shall be extended to include the period of such retroactive effect; provided further that in respect of clause (a)(i), the Company shall be required to make such payment only if the respective Lender certifies that it generally requires similarly situated borrowers in comparable syndicated credit facilities to which it is a lender to make similar payments.

(b) If any Credit Party shall have determined that the adoption of or any change in any Requirement of Law regarding capital or liquidity requirements or in the interpretation or application thereof or compliance by such Credit Party, or any corporation controlling such Credit Party with any request or directive regarding capital or liquidity requirements (whether or not having the force of law) from any Governmental Authority made subsequent to the Closing Date shall have the effect of reducing the rate of return on such Credit Party's or such corporation's capital as a consequence of its obligations hereunder or under to a level below that which such Lender or such corporation could have achieved but for such adoption, change or compliance (taking into consideration such Credit Party's or such corporation's policies with respect to capital adequacy or liquidity) by an amount deemed by such Lender to be material, then from time to time, after submission by such Credit Party to the Company (with a copy to the Administrative Agent) of a written request therefor, the Borrower shall pay to such Credit Party such additional amount or amounts as will compensate such Credit Party for such reduction; provided that the Company shall not be required to compensate a Lender pursuant to this paragraph for any amounts incurred more than 90 days prior to the date that such Lender notifies the Company of such Lender's intention to claim compensation therefor; provided further that, if the circumstances giving rise to such claim have a retroactive effect, then such 90-day period shall be extended to include the period of such retroactive effect; and provided further that the Company shall be required to make such payment only if the respective Lender certifies that it generally requires similarly situated borrowers in comparable syndicated credit facilities to which it is a lender to make similar payments.

(c) Notwithstanding anything herein to the contrary (x) the Dodd-Frank Wall Street Reform and Consumer Protection Act and all requests, rules, guidelines or directives thereunder or issued in connection therewith and (y) all requests, rules, guidelines or directives promulgated by the Bank for International Settlements, the Basel Committee on Banking Supervision (or any successor or similar authority), or the United States or foreign regulatory authorities, in each case pursuant to Basel III, shall be deemed to be a change in a Requirement of Law, regardless of the date enacted, adopted or issued.

(d) A certificate as to any additional amounts payable pursuant to this Section submitted by any Credit Party to the Company (with a copy to the Administrative Agent) shall be conclusive absent manifest error. The obligations of the Company pursuant to this Section shall survive the termination of this Agreement and the payment of the Loans and all other amounts payable hereunder.

(e) The Borrower shall pay to each Lender, without duplication, (i) as long as such Lender shall be required to maintain reserves with respect to liabilities or assets consisting of or including Eurocurrency funds or deposits (currently known as “Eurocurrency liabilities”), additional interest on the unpaid principal amount of each LIBO Rate Loan equal to the actual costs of such reserves allocated to such Loan by such Lender (as determined by such Lender in good faith, which determination shall be conclusive absent manifest error), and (ii) as long as such Lender shall be required to comply with any reserve ratio requirement or analogous requirement of any other central banking or financing regulatory authority imposed in respect of the maintenance of the Commitments or the funding of any LIBO Rate Loans of the Borrower, such additional costs (expressed as a percentage per annum and rounded upwards, if necessary, to the nearest five decimal places) equal to the actual costs allocated to such Commitment or Loan by such Lender (as determined by such Lender in good faith, which determination shall be conclusive absent manifest error), which in each case shall be due and payable on each date on which interest is payable on such Loan; provided the Company shall have received at least 30 days’ prior written notice (with a copy to the Administrative Agent) of such additional interest or cost from such Lender; provided further that the Company shall be required to make such payment only if the respective Lender certifies that it generally requires similarly situated borrowers in comparable syndicated credit facilities to which it is a lender to make similar payments.

#### 2.19. Taxes.

(a) Any and all payments by or on account of any obligation of the Borrower under any Loan Document shall be made free and clear of, and without deduction or withholding for or on account of, any Taxes, except as required by applicable law. If any applicable law (as determined in the good faith discretion of an applicable Withholding Agent) requires the deduction or withholding of any Tax from any such payment by a Withholding Agent, then the applicable Withholding Agent shall be entitled to make such deduction or withholding and shall timely pay the full amount deducted or withheld to the relevant Governmental Authority in accordance with applicable law and, if such Tax is a Non-Excluded Tax or Other Taxes, then the amount payable by the Borrower to the Credit Party shall be increased as necessary so that after such deduction or withholding has been made (including such deductions and withholdings applicable to additional sums payable under this Section) the Credit Party receives an amount that would have received had no such deduction or withholding been made. Whenever any Taxes are payable by the Borrower to a Governmental Authority pursuant to this Section 2.19, as soon as practicable thereafter the Borrower shall send to the Administrative Agent the original or certified copy of a receipt issued by such Governmental Authority evidencing such payment.

(b) In addition, the Borrower shall timely pay to the relevant Governmental Authority in accordance with applicable law, or at the option of the Administrative Agent timely reimburse it for the payment of any Other Taxes.

(c) The Borrower shall indemnify each Credit Party, within 10 days after demand therefor, for the full amount of any Non-Excluded Taxes or Other Taxes (including Non-Excluded Taxes or Other Taxes imposed or asserted on or attributable to amounts payable under this Section) payable or paid by such Credit Party or required to be withheld or deducted from a payment to such Credit Party and any reasonable expenses arising therefrom or with respect thereto, whether or not such Non-Excluded Taxes or Other Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority; provided, however, that the Borrower shall not be obligated to indemnify such Credit Party pursuant to this Section 2.19 in respect of penalties, interest and other liabilities are attributable to the bad faith, gross negligence or willful misconduct of such Credit Party. After a Credit Party learns of the imposition of Non-Excluded Taxes or Other Taxes, such Credit Party will act in good faith to promptly notify the Borrower of its obligations thereunder. A certificate as to the amount of such payment or liability delivered to the Borrower by a Lender (with a copy to the Administrative Agent), or by the Administrative Agent on its own behalf or on behalf of a Lender, shall be conclusive absent manifest error.

(d) Each Lender shall severally indemnify the Administrative Agent, within 10 days after demand therefor, for any Taxes (i) attributable to such Lender (but only to the extent that the Borrower has not already indemnified the Administrative Agent for such Non-Excluded Taxes or Other Taxes and without limiting the obligation of the Borrower to do so) or (ii) attributable to such Lender's failure to comply with the provisions of Section 10.6(b) relating to the maintenance of a Participant Register, in either case, that are payable or paid by the Administrative Agent in connection with any Loan Document, and any reasonable expenses arising therefrom or with respect thereto, whether or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under any Loan Document or otherwise payable by the Administrative Agent to the Lender from any other source against any amount due to the Administrative Agent under this paragraph (d).

(e) If the Administrative Agent or any Lender is entitled to an exemption from or reduction of withholding Tax with respect to payments made under any Loan Document, such Administrative Agent or Lender shall deliver to the Borrower and the Administrative Agent at the time or times prescribed by applicable law or reasonably requested by the Borrower or the Administrative Agent, such properly completed and executed documentation prescribed by applicable law or reasonably requested by the Borrower or the Administrative Agent as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, any Lender, if reasonably requested by the Borrower or the Administrative Agent, shall deliver such other documentation prescribed by applicable law or reasonably requested by the Borrower or the Administrative Agent as will enable the Borrower or the Administrative Agent to determine whether or not such Lender is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and submission of such documentation (other than such documentation set forth in Section 2.19(f)) shall not be required if in the Lender's reasonable judgment such completion, execution or submission would subject such Lender to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender.

(f) Without limiting the generality of the foregoing,

(i) Each Lender (or Transferee) that is a “**United States person**” as defined in Section 7701(a)(30) of the Code (a “**U.S. Person**”) shall deliver to the Borrower and the Administrative Agent, on or prior to the date on which such Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), two properly completed and duly signed copies of U.S. Internal Revenue Service Form W-9 (or any successor form) certifying that such Lender is exempt from U.S. federal backup withholding tax.

(ii) Each Lender (or Transferee) that is not a U.S. Person (a “**Non-U.S. Lender**”) shall, to the extent it is legally entitled to do so, deliver to the Borrower and the Administrative Agent on or prior to the date on which such Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent.):

(A) in the case of a Non-U.S. Lender claiming the benefits of an income tax treaty to which the United States is a party (x) with respect to payments of interest under any Loan Document, two properly completed and duly signed copies of IRS Form W-8BEN or IRS Form W-8BEN-E establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the “interest” article of such tax treaty and (y) with respect to any other applicable payments under any Loan Document, two completed and duly signed copies of IRS Form W-8BEN or IRS Form W-8BEN-E establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the “business profits” or “other income” article of such tax treaty;

(B) in case of a Non-U.S. Lender claiming that its extension of credit will generate U.S. effectively connected income, two properly completed and duly signed copies of IRS Form W-8ECI;

(C) in the case of a Non-U.S. Lender claiming the benefits of the exemption for portfolio interest under Section 881(c) of the Code, (x) a certificate substantially in the form of Exhibit F to the effect that such Non-U.S. Lender is not a “bank” within the meaning of Section 881(c)(3)(A) of the Code, a “10 percent shareholder” of the Borrower within the meaning of Section 871(h)(3)(B) of the Code, or a CFC related to the Borrower as described in Section 881(c)(3)(C) of the Code (a “**U.S. Tax Compliance Certificate**”) and (y) executed copies of IRS Form W-8BEN or IRS Form W-8BEN-E; or

(D) to the extent a Non-U.S. Lender is not the beneficial owner, executed copies of IRS Form W-8IMY, accompanied by IRS Form W-8ECI, IRS Form W-8BEN, IRS Form W-8BEN-E, a U.S. Tax Compliance Certificate substantially in the form of Exhibit F, IRS Form W-9, and/or other certification documents from each beneficial owner, as applicable; provided that if the Non-U.S. Lender is a partnership and one or more direct or indirect partners of such Non-U.S. Lender are claiming the portfolio interest exemption, such Non-U.S. Lender may provide a U.S. Tax Compliance Certificate substantially in the form of Exhibit F on behalf of each such direct and indirect partner.

(iii) Any Non-U.S. Lender shall, to the extent it is legally entitled to do so, deliver to the Borrower and the Administrative Agent on or about the date on which such Non-U.S. Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), two completed and duly signed copies of any other form prescribed by applicable law as a basis for claiming exemption from or a reduction in U.S. federal withholding Tax, duly completed, together with such supplementary documentation as may be prescribed by applicable law to permit the Borrower or the Administrative Agent to determine the withholding or deduction required to be made;

(iv) If a payment made to a Lender under any Loan Document would be subject to U.S. federal withholding Tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to the Borrower and the Administrative Agent, at the time or times prescribed by law and at such time or times reasonably requested by the Borrower or the Administrative Agent, such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Borrower or the Administrative Agent as may be necessary for the Borrower and the Administrative Agent to comply with their obligations under FATCA, to determine that such Lender has complied with such Lender's obligations under FATCA or to determine the amount, if any, to deduct and withhold from such payment; and

(v) The Administrative Agent shall deliver to the Borrower two executed copies of whichever of the following is applicable:

(A) if the Administrative Agent is a U.S. Person, IRS Form W-9 certifying to such Administrative Agent's exemption from U.S. federal backup withholding; or

(B) if the Administrative Agent is not a U.S. Person, (x) IRS Form W-8ECI with respect to payments received for its own account; and (y) IRS Form W-8IMY with respect to any amounts payable to the Administrative Agent for the accounts of others, clarifying that it is a U.S. branch of a foreign bank or insurance company described in Regulations section 1.1441-1(b)(2)(iv)(A) that is a "participating foreign financial institution" or PFFI (including a reporting Model 2 FFI), registered deemed-compliant FFI (including a reporting Model 1 FFI), or "non-financial foreign entity" that is using this form as evidence of its agreement with the withholding agent to be treated as a U.S. Person with respect to any payments associated with this withholding certificate.

(g) The Administrative Agent and each Lender agree that if any form or certification it previously delivered expires or becomes obsolete or inaccurate in any respect, it shall update such form or certification or promptly notify the Borrower and the Administrative Agent in writing of its legal inability to do so.

(h) If any party determines, in its sole discretion exercised in good faith, that it has received a refund of any Taxes as to which it has been indemnified pursuant to this Section 2.19 (including by the payment of additional amounts pursuant to this Section 2.19), it shall pay to the indemnifying party an amount equal to such refund (but only to the extent of indemnity payments made under this Section with respect to the Taxes giving rise to such refund), net of all out-of-pocket expenses (including Taxes) of such indemnified party and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund). Such indemnifying party, upon the request of such indemnified party, shall repay to such indemnified party the amount paid over pursuant to this Section 2.19(h) (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) in the event that such indemnified party is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this Section 2.19(h), in no event will the indemnified party be required to pay any amount to an indemnifying party pursuant to this Section 2.19(h) the payment of which would place the indemnified party in a less favorable net after-Tax position than the indemnified party would have been in if the Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid. This Section 2.19(h) shall not be construed to require any indemnified party to make available its Tax returns (or any other information relating to its Taxes that it deems confidential) to the indemnifying party or any other Person.

(i) For purposes of this Section 2.19, the term “applicable law” includes FATCA.

(j) All amounts expressed to be payable under a Loan Document by any party to this Agreement to a Credit Party which (in whole or in part) constitute the consideration for any supply for VAT purposes are deemed to be exclusive of any VAT which is chargeable on that supply, and accordingly, subject to paragraph (i) below, if VAT is or becomes chargeable on any supply made by any Credit Party to any party under a Loan Document and such Credit Party is required to account to the relevant tax authority for the VAT, that party must pay to such Credit Party (in addition to and at the same time as paying any other consideration for such supply) an amount equal to the amount of the VAT (and such Credit Party must promptly provide an appropriate VAT invoice to that party; provided, however, that any Israeli Credit Party shall not be required to provide a VAT invoice in respect of any VAT amounts payable to any of its third party suppliers or service providers).

(i) If VAT is or becomes chargeable on any supply made by any Credit Party (the “Supplier”) to any other Credit Party (the “Recipient”) under a Loan Document, and any party other than the Recipient (the “Relevant Party”) is required by the terms of any Loan Document to pay an amount equal to the consideration for that supply to the Supplier (rather than being required to reimburse or indemnify the Recipient in respect of that consideration):

(A) (where the Supplier is the person required to account to the relevant tax authority for the VAT) the Relevant Party must also pay to the Supplier (at the same time as paying that amount) an additional amount equal to the amount of the VAT. The Recipient must (where this paragraph (i) applies) promptly pay to the Relevant Party an amount equal to any credit or repayment the Recipient receives from the relevant tax authority which the Recipient reasonably determines relates to the VAT chargeable on that supply; and

(B) (where the Recipient is the person required to account to the relevant tax authority for the VAT) the Relevant Party must promptly, following demand from the Recipient, pay to the Recipient an amount equal to the VAT chargeable on that supply but only to the extent that the Recipient reasonably determines that it is not entitled to credit or repayment from the relevant tax authority in respect of that VAT.

(ii) Where a Loan Document requires any party to reimburse or indemnify a Credit Party for any cost or expense, that party shall reimburse or indemnify (as the case may be) such Credit Party for the full amount of such cost or expense, including such part thereof as represents VAT, save to the extent that such Credit Party reasonably determines that it is entitled to credit or repayment in respect of such VAT from the relevant tax authority.

(iii) Any reference in this Section 2.19(j) to any party shall, at any time when such party is treated as a member of a group for VAT purposes, include (where appropriate and unless the context otherwise requires) a reference to the representative member of such group at such time (the term “representative member” to have the same meaning as in the Value Added Tax Act 1994).

(iv) In relation to any supply made by a Credit Party to any party under a Loan Document, if reasonably requested by such Credit Party, that party must promptly provide such Credit Party with details of that party’s VAT registration and such other information as is reasonably requested in connection with such Credit Party’s VAT reporting requirements in relation to such supply.

(k) Each party’s obligations under this Section shall survive the resignation or replacement of the Administrative Agent or any assignment or rights by, or the replacement of, a Lender, the termination of the Commitments and the repayment, satisfaction or discharge of all obligations under any Loan Document.

2.20. Indemnity. The Borrower agrees to indemnify each Lender and to hold each Lender harmless from any loss or expense that such Lender may sustain or incur as a consequence of (a) default by the Borrower in making a borrowing of, conversion into or continuation of LIBO Rate Loans after the Borrower has given a notice requesting the same in accordance with the provisions of this Agreement, (b) default by the Borrower in making any prepayment of or conversion from LIBO Rate Loans after the Borrower has given a notice thereof in accordance with the provisions of this Agreement or (c) the making of a payment of LIBO Rate Loans (including pursuant to Sections 2.22 or 10.1(b)) on a day that is not the last day of an Interest Period with respect thereto. Such indemnification, which shall be payable within 30 days of written demand therefor, may include an amount equal to the excess, if any, of (i) the amount of interest that would have accrued on the amount so prepaid or returned, or not so borrowed, converted or continued, for the period from the date of such prepayment or return or of such failure to borrow, convert or continue to the last day of such Interest Period (or, in the case of a failure to borrow, convert or continue, the Interest Period that would have commenced on the date of such failure) in each case at the applicable rate of interest for such Loans provided for herein (excluding, however, the Applicable Margin included therein, if any) over (ii) the amount of interest (as reasonably determined by such Lender) that would have accrued to such Lender on such amount by placing such amount on deposit for a comparable period with leading banks in the interbank eurodollar market or other applicable interbank market. A certificate as to any amounts payable pursuant to this Section submitted to the Borrower by any Lender shall be conclusive absent manifest error. This covenant shall survive the termination of this Agreement and the payment of the Loans and all other amounts payable hereunder.

2.21. Change of Lending Office. Each Lender agrees that, upon the occurrence of any event giving rise to the operation of Sections 2.18 or 2.19 with respect to such Lender, it will, if requested by the Company, use reasonable efforts (subject to overall policy considerations of such Lender) to designate another lending office for any Loans affected by such event with the object of avoiding the consequences of such event; provided, that such designation is made on terms that, in the good faith judgment of such Lender, (i) would eliminate or reduce the amounts payable pursuant to Section 2.18 or Section 2.19, as the case may be, in the future, (ii) would not subject such Lender to (A) any unreimbursed cost or expense or (B) significant investment of time or effort and (iii) would not otherwise be materially disadvantageous to such Lender, and provided, further, that nothing in this Section shall affect or postpone any of the obligations of the Borrower or the rights of any Lender pursuant to Section 2.18 or 2.19. The Company hereby agrees to pay all reasonable costs and expenses incurred by any Lender in connection with any such designation.

2.22. Replacement of Lenders. The Company shall be permitted, at its sole expense and effort, with respect to any Lender that (a) requests reimbursement for amounts owing pursuant to Section 2.18 or Section 2.19, (b) has become a Defaulting Lender hereunder or (c) in connection with any proposed amendment, waiver or consent requiring the consent of “each Lender” or “each Lender directly affected thereby” (or any other Class or group of Lenders other than the Required Lenders) with respect to which Required Lender consent, as applicable (or the consent of Lenders holding loans or commitments of such Class or lesser group representing more than 50% of the sum of the total loans and unused commitments of such Class or lesser group at such time) has been obtained, as applicable, is a non-consenting Lender (each such Lender, a “**Non-Consenting Lender**”) (1) to replace such Lender, with a replacement financial institution; provided that (i) the replacement financial institution shall purchase, at par, all Loans and other amounts owing to such replaced Lender on or prior to the date of replacement, (ii) the Borrower shall be liable to such replaced Lender under Section 2.20 for any losses suffered or expenses incurred by such Lender if any LIBO Rate Loan owing to such replaced Lender shall be purchased other than on the last day of the Interest Period relating thereto, (iii) the replacement financial institution, if not already a Lender, shall be reasonably satisfactory to the Administrative Agent to the extent such consent is required pursuant to Section 10.6, (iv) the replaced Lender shall be obligated to make such replacement in accordance with the provisions of Section 10.6 (provided that the Borrower shall be obligated to pay the registration and processing fee referred to therein) or pursuant to other procedures agreed upon by the Company and the Administrative Agent including deemed assignments upon payment to the replaced Lender of amounts required to be paid to it pursuant to this Section 2.22, (v) until such time as such replacement shall be consummated, the Borrower shall pay all additional amounts (if any) required pursuant to Section 2.18 or 2.19, as the case may be, and (vi) any such replacement shall not be deemed to be a waiver of any rights that the Borrower, the Administrative Agent or any other Lender shall have against the replaced Lender or (2) terminate the Commitment of such Lender and in the case of a Lender, repay all Obligations of the Borrower owing to such Lender relating to the applicable Loans, Commitments and participations held by such Lender as of such termination date. No action by or consent of any Lender referred to in this Section 2.22, including any Defaulting Lender or Non-Consenting Lender shall be necessary in connection with such assignment, which shall be immediately and automatically effective upon payment of the amounts described in the immediately preceding sentence.

2.23. [Reserved].

2.24. Extension of the Facilities.

(a) The Borrower may at any time and from time to time, request that all or a portion of the Term Loans of a given Class (or series or tranche thereof) (each, an “**Existing Term Loan Tranche**”) be amended to extend the scheduled maturity date(s) with respect to all or a portion of any principal amount of such Term Loans (any such Term Loans which have been so amended, “**Extended Term Loans**”) and to provide for other terms applicable thereto consistent with this Section 2.24. In order to establish any Extended Term Loans, the Borrower shall provide a notice to the Administrative Agent (who shall provide a copy of such notice to each of the Lenders under the applicable Existing Term Loan Tranche) (each, a “**Term Loan Extension Request**”) setting forth the proposed terms of the Extended Term Loans to be established, which shall (x) be identical as offered to each Lender under such Existing Term Loan Tranche (including as to the proposed interest rates and fees payable) and offered pro rata to each Lender under such Existing Term Loan Tranche and (y) be identical to the Term Loans under the Existing Term Loan Tranche from which such Extended Term Loans are to be amended, except that: (i) all or any of the scheduled amortization payments of principal of the Extended Term Loans may be delayed to later dates than the scheduled amortization payments of principal of the Term Loans of such Existing Term Loan Tranche, to the extent provided in the applicable Extension Amendment; (ii) the All-in Yield with respect to the Extended Term Loans may be different than the All-in Yield for the Term Loans of such Existing Term Loan Tranche, in each case, to the extent provided in the applicable Extension Amendment; (iii) the Extension Amendment may provide for other covenants and terms that apply solely to any period after the Latest Maturity Date that is in effect on the effective date of the Extension Amendment; and (iv) the Extended Term Loans may have prepayment premiums or call protection as may be agreed by the Borrower and the Lenders thereof; provided that that (A) in no event shall the final maturity date of any Extended Term Loans of a given Term Loan Extension Series at the time of establishment thereof be earlier than the maturity date of the applicable Existing Term Loan Tranche, (B) the Weighted Average Life to Maturity of any Extended Term Loans of a given Term Loan Extension Series at the time of establishment thereof shall be no shorter than the remaining Weighted Average Life to Maturity of the applicable Existing Term Loan Tranche, (C) all documentation in respect of such Extension Amendment shall be consistent with the foregoing and (D) any Extended Term Loans may participate on a pro rata basis or less than a pro rata basis (but not greater than a pro rata basis) in any mandatory repayments or prepayments hereunder, in each case as specified in the respective Term Loan Extension Request. Any Class of Extended Term Loans amended pursuant to any Term Loan Extension Request shall be designated a series (each, a “**Term Loan Extension Series**”) of Extended Term Loans for all purposes of this Agreement; provided that any Extended Term Loans amended from an Existing Term Loan Tranche may, to the extent provided in the applicable Extension Amendment, be designated as an increase in any previously established Term Loan Extension Series with respect to such Existing Term Loan Tranche. Each Term Loan Extension Series of Extended Term Loans incurred under this Section 2.24 shall be in an aggregate principal amount that is not less than \$20,000,000 (or such lesser amount as to which the Administrative Agent may agree).

(b) The Borrower shall provide the applicable Term Loan Extension Request at least three (3) Business Days (or such shorter period as may be agreed by the Administrative Agent) prior to the date on which Lenders under the Existing Term Loan Tranche are requested to respond, and shall agree to such procedures, if any, as may be established by, or acceptable to, the Administrative Agent, in each case acting reasonably to accomplish the purposes of this Section 2.24. No Lender shall have any obligation to agree to have any of its Term Loans of any Existing Term Loan Tranche amended into Extended Term Loans pursuant to any Term Loan Extension Request. Any Lender holding a Loan under an Existing Term Loan Tranche (each, an “**Extending Term Lender**”) wishing to have all or a portion of its Term Loans under the Existing Term Loan Tranche subject to such Term Loan Extension Request amended into Extended Term Loans shall notify the Administrative Agent (each, an “**Extension Election**”) on or prior to the date specified in such Term Loan Extension Request of the amount of its Term Loans under the Existing Term Loan Tranche which it has elected to request be amended into Extended Term Loans (subject to any minimum denomination requirements imposed by the Administrative Agent). In the event that the aggregate principal amount of Term Loans under the Existing Term Loan Tranche, in respect of which applicable Term Lenders shall have accepted the relevant Term Loan Extension Request exceeds the amount of Extended Term Loans requested to be extended pursuant to the Term Loan Extension Request, Term Loans subject to Extension Elections shall be amended to Extended Term Loans on a pro rata basis (subject to rounding by the Administrative Agent, which shall be conclusive absent manifest error) based on the aggregate principal amount of Term Loans included in each such Extension Election.

(c) Extended Term Loans shall be established pursuant to an amendment (each, an “**Extension Amendment**”) to this Agreement among the Borrower, the Administrative Agent and each Extending Term Lender providing an Extended Term Loan thereunder, which shall be consistent with the provisions set forth in Section 2.24(a) above, respectively (but which shall not require the consent of any other Lender). The effectiveness of any Extension Amendment shall be subject to the satisfaction on the date thereof of each of the conditions set forth in Section 5.2 and, to the extent reasonably requested by the Administrative Agent, receipt by the Administrative Agent of reaffirmation agreements and/or such amendments to the Security Documents as may be reasonably requested by the Administrative Agent in order to ensure that the Extended Term Loans are provided with the benefit of the applicable Loan Documents. The Borrower may, at its election, specify as a condition to consummating any Extension Amendment that a minimum amount (to be determined and specified in the relevant Term Loan Extension Request in the Borrower’s sole discretion and as may be waived by the Borrower) of Term Loans of any or all applicable Classes be tendered. The Administrative Agent shall promptly notify each Lender as to the effectiveness of each Extension Amendment. Each of the parties hereto hereby agrees that this Agreement and the other Loan Documents may be amended pursuant to an Extension Amendment, without the consent of any other Lenders, to the extent (but only to the extent) necessary to (i) reflect the existence and terms of the Extended Term Loans incurred pursuant thereto, (ii) modify the scheduled repayments set forth in Section 2.3 with respect to any Existing Term Loan Tranche subject to an Extension Election to reflect a reduction in the principal amount of the Term Loans thereunder in an amount equal to the aggregate principal amount of the Extended Term Loans amended pursuant to the applicable Extension Election (with such amount to be applied ratably to reduce scheduled repayments of such Term Loans required pursuant to Section 2.3), (iii) modify the prepayments set forth in Section 2.3 to reflect the existence of the Extended Term Loans and the application of prepayments with respect thereto, (iv) make such other changes to this Agreement and the other Loan Documents consistent with the provisions and intent of Section 10.1 (without the consent of the Required Lenders called for therein) and (v) effect such other amendments to this Agreement and the other Loan Documents as may be necessary or appropriate, in the reasonable opinion of the Administrative Agent and the Borrower, to effect the provisions of this Section 2.24, and the Required Lenders hereby expressly authorize the Administrative Agent to enter into any such Extension Amendment.

(d) No extension of Loans pursuant to any Extension Election in accordance with this Section 2.24 shall constitute a voluntary or mandatory payment or prepayment for purposes of this Agreement.

(e) This Section 2.24 shall supersede any provisions in Section 2.17(b) or 10.1 to the contrary.

2.25. Incremental Loan Extensions.

(a) The Borrower may, at any time, on one or more occasions pursuant to an Incremental Facility Amendment (i) add one or more new Classes of term facilities and/or increase the principal amount of any Term Loans of any existing Class by requesting new term loan commitments to be added to such Loans (any such new Class or increase, an “**Incremental Term Facility**” and any loans made pursuant to an Incremental Term Facility, “**Incremental Term Loans**”) and/or (ii) add one or more new Classes of revolving commitments (any such new Class, an “**Incremental Revolving Facility**” and, together with any Incremental Term Facility, “**Incremental Facilities**”, or either or any thereof, an “**Incremental Facility**”; and the loans thereunder, “**Incremental Revolving Loans**” and, together with any Incremental Term Loans, “**Incremental Loans**”) in an aggregate outstanding principal amount not to exceed the Incremental Cap; provided that:

(i) no commitments in respect of Incremental Loans (“**Incremental Commitment**”) in respect of any Incremental Facility may be in an amount that is less than \$10,000,000 (or such lesser amount to which the Administrative Agent may reasonably agree),

(ii) except as separately agreed from time to time between the Borrower and any Lender, no Lender shall be obligated to provide any Incremental Commitment, and the determination to provide such commitments shall be within the sole and absolute discretion of such Lender (it being agreed that the Borrower shall not be obligated to offer the opportunity to any Lender to participate in any Incremental Facility),

(iii) no Incremental Facility or Incremental Loan (nor the creation, provision or implementation thereof) shall require the approval of any existing Lender other than in its capacity, if any, as a lender providing all or part of such Incremental Facility or Incremental Loan,

(iv) the final maturity date of any Incremental Revolving Facility or any Incremental Term Facility shall be no earlier than the Latest Maturity Date and the final maturity date of any Incremental Term Facility consisting of a tranche B term facility (i.e., a term loan facility having amortization, tenor and other terms customary for the term loan B market) (an “**Incremental Tranche B Term Facility**”) shall be no earlier than the Latest Maturity Date in respect of the Tranche B Term Facility and any other Incremental Tranche B Term Facility then outstanding; provided, that the foregoing limitation shall not apply to a customary bridge facility which, subject to customary conditions, automatically convert into long-term debt satisfying the requirements of this clause (iv) or to any Incremental Revolving Facility incurred in reliance on the Inside Maturity Basket,

(v) the Weighted Average Life to Maturity of any Incremental Term Facility shall be no shorter than the remaining Weighted Average Life to Maturity of the Tranche B Term Facility; provided, that the foregoing limitation shall not apply to a customary bridge facility which, subject to customary conditions, automatically convert into long-term debt satisfying the requirements of this clause (v); provided, further, that the foregoing shall not apply to the extent the Weighted Average Life to Maturity of any Incremental Term Facility is shorter than the Weighted Average Life to Maturity Tranche B Facility solely to the extent necessary to make such Incremental Term Facility fungible with the Tranche B Term Facility,

(vi) subject to clauses (iv) and (v) above, any Incremental Term Facility may otherwise have an amortization schedule as determined by the Borrower and the lenders providing such Incremental Term Facility,

(vii) to the extent applicable, the fees payable in connection with any Incremental Facility shall be determined by the Borrower and the arrangers and/or lenders providing such Incremental Facility,

(viii) (A) each Incremental Facility shall rank pari passu (but without regard to the control of remedies) with the Tranche B Term Loans in right of payment and security and (B) no Incremental Facility may be (x) guaranteed by any Subsidiaries other than Subsidiaries that are Guarantors or (y) secured by Liens on any assets other than the Collateral,

(ix) any Incremental Term Facility may provide for the ability to participate (A) a pro rata basis or non-pro rata basis in any voluntary prepayment of Term Loans, in each case, made pursuant to Section 2.10 and (B) on a pro rata or less than pro rata basis (but not on a greater than pro rata basis, other than in the case of prepayment with proceeds of Indebtedness refinancing such Incremental Term Loans) in any mandatory prepayment of Term Loans required pursuant to Section 2.11(b),

(x) no Event of Default shall exist immediately prior to or after giving effect to the effectiveness of such Incremental Facility (except in connection with any Limited Condition Transaction, where solely to the extent required by the Lenders providing such Incremental Facility, no such Event of Default shall exist at the time as elected by the Company pursuant to Section 1.4(d)),

(xi) except as otherwise required or permitted in clauses (i) through (xi) above and except in the case of any increase in the principal amount of Term Loans of any existing Class, all other terms of any Incremental Facility shall be as agreed between the Borrower and the Lenders providing such Incremental Facility; provided that, to the extent such terms are not consistent with the terms in respect of the applicable Facility, they shall be not materially more restrictive (as determined by the Borrower in good faith), when taken as a whole, than those under such applicable Facility (except for covenants or other provisions (x) applicable only to periods after the maturity date of such applicable Facility, (y) that are also added for the benefit of each applicable Facility or (z) that are reasonably satisfactory to the Administrative Agent),

(xii) the terms in respect of any Incremental Facility constituting an increase in the principal amount of an existing Class shall be the same as the terms of such existing Class;

(xiii) the proceeds of any Incremental Facility may be used for working capital, Capital Expenditures and other general corporate purposes of the Company and its Subsidiaries (including permitted Restricted Payments, Investments, permitted acquisitions, Restricted Debt Payments) and any other purpose not prohibited by the terms of the Loan Documents, and

(xiv) on the date of the making of any Incremental Term Loans that will be added to any Class of then existing Term Loans, and notwithstanding anything to the contrary set forth in Sections 2.14, such Incremental Term Loans shall be added to each borrowing of outstanding Term Loans of such Class on a pro rata basis (based on the relative sizes of such borrowings), so that each Term Lender providing such Incremental Term Loans will participate proportionately in each then-outstanding borrowing of Term Loans of such Class; it being acknowledged that the application of this clause may result in new Incremental Term Loans having Interest Periods (the duration of which may be less than one month) that begin during an Interest Period then applicable to outstanding LIBO Rate Loans of the relevant Class and which end on the last day of such Interest Period.

(xv) solely in the case of any U.S. dollar-denominated Incremental Facility that is secured on a pari passu basis with the Tranche B Term Facility, if the All-in Yield applicable to any such Incremental Facility determined as of the initial funding date for such Incremental Facility is more than 0.75% higher than the corresponding All-in Yield applicable to the Tranche B Term Facility, then the interest rate margin for the Tranche B Term Facility shall be increased by an amount equal to the difference between the All-in Yield with respect to such Incremental Facility and the corresponding All-in Yield on the Tranche B Term Facility, minus 0.75% (for purposes of such calculation and with respect to any such facility, (x) subject to clause (z) below, All-in Yield shall be deemed to include all upfront fees and original issue discount (based on a four-year average life to maturity or, if less, the remaining life to maturity) payable to all lenders providing such facility and (y) if the Incremental Facility includes a "LIBOR" interest rate floor greater than the applicable interest rate floor under the Tranche B Term Facility and such floor is greater than the Adjusted LIBO Rate for a 3-month interest period at such time, such excess amount (above the greater of such floor and such Adjusted LIBO Rate) shall be equated to the applicable interest rate margin for purposes of determining whether an increase to the interest rate margin under the Tranche B Term Facility shall be required, but only to the extent an increase in the interest rate floor in the Tranche B Term Facility would cause an increase in the interest rate then in effect thereunder, and in such case, the interest rate floor (but not the interest rate margin) applicable to the Tranche B Term Facility shall be increased to the extent of such excess.

(b) Incremental Commitments may be provided by any existing Lender or by any other Assignee (any such other Assignee being called an "Additional Lender"); provided that the Administrative Agent shall have consented (such consent not to be unreasonably withheld, conditioned or delayed) to the relevant Additional Lender's provision of Incremental Commitments if such consent would be required under Section 10.6(c) for an assignment of Loans to such Additional Lender.

(c) Each Lender or Additional Lender providing a portion of any Incremental Commitment shall execute and deliver to the Administrative Agent and the Borrower all such documentation (including the relevant Incremental Facility Amendment) as may be reasonably required by the Administrative Agent to evidence and effectuate such Incremental Commitment. On the effective date of such Incremental Commitment, each Additional Lender shall become a Lender for all purposes in connection with this Agreement.

(d) As a condition precedent to the effectiveness of any Incremental Facility or the making of any Incremental Loans, (i) upon its request, the Administrative Agent shall have received reaffirmation agreements, supplements and/or amendments as it shall reasonably require, (ii) the Administrative Agent shall have received, from each Additional Lender, an administrative questionnaire in the form provided to such Additional Lender by the Administrative Agent (the “**Administrative Questionnaire**”) and such other documents as it shall reasonably require from such Additional Lender and (iii) the Administrative Agent and applicable Additional Lenders shall have received all fees required to be paid in respect of such Incremental Facility or Incremental Loans.

(e) The Lenders hereby irrevocably authorize the Administrative Agent to enter into any Incremental Facility Amendment and/or any amendment to any other Loan Document with the Company and/or the Borrower as may be necessary in order to establish new or any increase in any Classes or sub-Classes in respect of Loans or commitments pursuant to this Section 2.25 and such technical amendments as may be necessary or appropriate in the reasonable opinion of the Administrative Agent and the Borrower in connection with the establishment of such Classes or sub-Classes, in each case on terms consistent with this Section 2.25 (including with respect to (i) establishing Incremental Revolving Commitments denominated in a foreign currency, (ii) the incorporation of customary agency provisions of the Administrative Agent required for the administration of a revolving credit facility, letter of credit facility and/or swing line loan facility established pursuant to any Class of Incremental Revolving Commitments (including provisions with respect to the inclusion of a customary base rate option for Borrowings under such revolving credit facility), (iii) the appointment of a letter of credit issuer and/or swing line lender pursuant to any Class of Incremental Revolving Commitments and/or (iv) the appointment of one or more a Subsidiary Guarantors as a Borrower in respect of such Incremental Facility).

(f) Notwithstanding anything to the contrary in this Section 2.25 (including Section 2.25(d)) or in any other provision of any Loan Document, if the proceeds of any Incremental Term Facility are intended to be applied to finance an acquisition or other Investment and the lenders providing such Incremental Term Facility so agree, the availability thereof shall be subject to customary “SunGard” or “certain funds” conditionality (including the making and accuracy of customary specified representations in connection with such acquisition or other Investment).

(g) This Section 2.25 shall supersede any provision in Section 2.17 or 10.1 to the contrary.

2.26. Defaulting Lenders. Notwithstanding any provision of this Agreement to the contrary, if any Lender becomes a Defaulting Lender, then the following provisions shall apply for so long as such Lender is a Defaulting Lender:

(a) [Reserved];

(b) the Tranche B Term Commitment and Tranche B Term Loans of such Defaulting Lender shall not be included in determining whether the Required Lenders or the Majority Facility Lenders under the Tranche B Term Facility have taken or may take any action hereunder (including any consent to any amendment, waiver or other modification pursuant to Section 10.1); provided that this clause (d) shall not apply in the case of an amendment, waiver or other modification requiring the consent of all Lenders or each Lender affected thereby; and

(c) any amount payable to such Defaulting Lender hereunder (whether on account of principal, interest, fees or otherwise and including any amount that would otherwise be payable to such Defaulting Lender pursuant to Section 10.7 but excluding any amount that would otherwise be payable to such Defaulting Lender pursuant to Section 2.22) shall, in lieu of being distributed to such Defaulting Lender and without duplication, be retained by the Administrative Agent in a segregated interest-bearing account reasonably satisfactory to the Administrative Agent and the Borrower and, subject to any applicable requirements of law, be applied at such time or times as may be determined by the Administrative Agent (i) first, to the payment of any amounts owing by such Defaulting Lender to the Administrative Agent hereunder, (ii) second, to the funding of any Tranche B Term Loan in respect of which such Defaulting Lender has failed to fund its portion thereof as required by this Agreement, as determined by the Administrative Agent, (iii) third, if so determined by the Administrative Agent and the Borrower, unless such Defaulting Lender has no remaining unutilized Tranche B Term Commitment, held in such account as cash collateral for future funding obligations of the Defaulting Lender in respect of any Tranche B Term Loans under this Agreement, (iv) fourth, to the payment of any amounts owing to the Borrower as a result of any judgment of a court of competent jurisdiction obtained by the Borrower against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement, and (v) fifth, to such Defaulting Lender or as otherwise directed by a court of competent jurisdiction, provided that, with respect to this clause (v), if such payment is (A) a prepayment of the principal amount of any Tranche B Term Loans as to which a Defaulting Lender has funded its participation and (B) made at a time when the conditions set forth in Section 5.2 are satisfied, such payment shall be applied solely to prepay the Tranche B Term Loans of all Tranche B Term Lenders that are not Defaulting Lenders under the Tranche B Term Facility pro rata prior to being applied to the prepayment of any Tranche B Term Loans of any Defaulting Lender.

The provisions of this Section 2.26 may not be amended, supplemented or modified without, in addition to consents required by Section 10.1, the prior written consent of the Administrative Agent, the Borrower and any Defaulting Lenders.

2.27. [Reserved].

2.28. Refinancing Facilities.

(a) On one or more occasions after the Closing Date, the Borrower may obtain, from any Lender or any other bank, financial institution or other institutional lender or investor (other than an Ineligible Institution) that agrees to provide any portion of Refinancing Term Loans pursuant to a Refinancing Term Amendment in accordance with this Section 2.28 (each, an "**Additional Refinancing Lender**") (provided that the Administrative Agent shall have consented (not to be unreasonably withheld or delayed) to such Lender's or Additional Refinancing Lender's providing such Refinancing Term Loans to the extent such consent, if any, would be required under Section 10.6(c) for an assignment of Loans to such Lender or Additional Refinancing Lender), Credit Agreement Refinancing Indebtedness in respect of all or any portion of any Class, as selected by the Borrower in its sole discretion, of Term Loans (or unused Commitments in respect thereof) then outstanding under this Agreement, in the form of Refinancing Term Loans or Refinancing Term Commitments.

(b) The effectiveness of any Refinancing Term Amendment shall be subject to the satisfaction on the date thereof of each of the conditions set forth in Section 5.2, and, to the extent reasonably requested by the Administrative Agent, receipt by the Administrative Agent of reaffirmation agreements and/or such amendments to the Security Documents as may be reasonably requested by the Administrative Agent in order to ensure that such Credit Agreement Refinancing Indebtedness is provided with the benefit of the applicable Loan Documents.

(c) Each issuance of Credit Agreement Refinancing Indebtedness under Section 2.28(a) shall be in an aggregate principal amount that is (x) not less than \$10,000,000 and (y) an integral multiple of \$1,000,000 in excess thereof.

(d) Each of the parties hereto hereby agrees that this Agreement and the other Loan Documents may be amended pursuant to a Refinancing Term Amendment, without the consent of any other Lenders, to the extent (but only to the extent) necessary to (i) reflect the existence and terms of the Credit Agreement Refinancing Indebtedness incurred pursuant thereto and (ii) make such other changes to this Agreement and the other Loan Documents consistent with the provisions and intent of the third paragraph of Section 10.1 (without the consent of the Required Lenders called for therein) and (iii) effect such other amendments to this Agreement and the other Loan Documents as may be necessary or appropriate, in the reasonable opinion of the Administrative Agent and the Borrower, to effect the provisions of this Section 2.28, and the Required Lenders hereby expressly authorize the Administrative Agent to enter into any such Refinancing Term Amendment.

(e) This Section 2.28 shall supersede any provisions in Section 2.17 or 10.1 to the contrary.

SECTION 3. [RESERVED]

SECTION 4. REPRESENTATIONS AND WARRANTIES

To induce the Administrative Agent and the Lenders to enter into this Agreement and to make the Loans, the Company and the Borrower each hereby represent and warrant to the Administrative Agent and each Lender that:

4.1. Financial Condition. The financial statements of the Company and the Target delivered to the Arrangers prior to the Closing Date and the financial statements of the Company delivered pursuant to Section 6.1 present fairly in all material respects the financial condition of the Company and the Target, as applicable, as at the date referenced therein, and the combined results of its operations and its combined cash flows for the applicable periods then ended. All such financial statements, including the related schedules and notes thereto, have been prepared in accordance with GAAP applied consistently throughout the periods involved (except as approved by the aforementioned firm of accountants and disclosed therein).

4.2. No Change. Since December 31, 2018, there has not occurred any change, development or event that, individually or in the aggregate, has had or would reasonably be expected to have a Material Adverse Effect.

4.3. Existence; Compliance with Law. Each of the Company and its Subsidiaries (a) is (except in the case of any Immaterial Subsidiary) duly organized, validly existing and in good standing (to the extent such concept is relevant in the applicable jurisdiction) under the laws of the jurisdiction of its organization, (b) has the corporate or other organizational power and authority, and the legal right, to own and operate its property, to lease the property it operates as lessee and to conduct the business in which it is currently engaged, (c) is duly qualified as a foreign corporation or other entity and in good standing (to the extent such concept is relevant in the applicable jurisdiction) under the laws of each jurisdiction where its ownership, lease or operation of property or the conduct of its business requires such qualification and (d) is in compliance with all Requirements of Law except, in the case of clauses (a) (except with respect to the Company and the Borrower), (b), (c) and (d), to the extent that the failure to be qualified or comply would not, in the aggregate, reasonably be expected to have a Material Adverse Effect.

4.4. Power; Authorization; Enforceable Obligations. Each Loan Party has the corporate or other organizational power and authority, and the legal right, to make, deliver and perform the Loan Documents to which it is a party and, in the case of the Borrower, to borrow hereunder. Each Loan Party has taken all necessary corporate or other organizational action to authorize the execution, delivery and performance of the Loan Documents to which it is a party and, in the case of the Borrower, to authorize the borrowings on the terms and conditions of this Agreement. No consent or authorization of, filing with, notice to or other act by or in respect of, any Governmental Authority or any other Person is required in connection with the Transactions and the borrowings hereunder or with the execution, delivery, performance, validity or enforceability of this Agreement or any of the other Loan Documents, except (i) consents, authorizations, filings and notices described in Schedules 4.4, 4.20(a) and 4.20(b), which consents, authorizations, filings and notices have been obtained or made and are in full force and effect or will have been obtained or made and be in full force and effect on the Closing Date or (ii) where the failure to obtain such consent or authorization, or failure to file or provide notice would not, in the aggregate, reasonably be expected to have a Material Adverse Effect. Each Loan Document has been duly executed and delivered on behalf of each Loan Party that is a party thereto. This Agreement constitutes, and each other Loan Document upon execution will constitute, a legal, valid and binding obligation of each Loan Party that is a party thereto, enforceable against each such Loan Party in accordance with its terms, except as enforceability may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or similar laws affecting the enforcement of creditors' rights generally and by general equitable principles (whether enforcement is sought by proceedings in equity or at law).

4.5. No Legal Bar. The execution, delivery and performance of this Agreement and the other Loan Documents, the borrowings hereunder and the use of the proceeds thereof will not violate (a) the Certificate of Incorporation and By-Laws or other organizational or governing documents of the Company or any of its Subsidiaries or (b) any other Requirement of Law or any Contractual Obligation of the Company or any of its Subsidiaries and will not result in, or require, the creation or imposition of any Lien on any of their respective properties or revenues pursuant to any Requirement of Law or any such Contractual Obligation (other than the Liens created by the Security Documents), except to the extent, in this clause (b), such violation would not reasonably be expected to have a Material Adverse Effect.

4.6. Litigation. No litigation, investigation or proceeding of or before any arbitrator or Governmental Authority is pending or, to the Knowledge of the Company, threatened by or against the Company or any of its Subsidiaries or against any of their respective properties or revenues (a) with respect to any of the Loan Documents or any of the transactions contemplated hereby or thereby, or (b) that would reasonably be expected to have a Material Adverse Effect.

4.7. No Default.

The Administrative Agent shall not be deemed to have knowledge or notice of the occurrence of any Default hereunder unless the Administrative Agent has received notice from a Lender or the Borrower referring to this Agreement, describing such Default and stating that such notice is a “notice of default”. In the event that the Administrative Agent receives such a notice, the Administrative Agent shall give notice thereof to the Lenders. The Administrative Agent shall take such action with respect to such Default as shall be reasonably directed by the Required Lenders as set forth in this Agreement (or, if so specified by this Agreement, all Lenders); provided that unless and until the Administrative Agent shall have received such directions, the Administrative Agent may (but shall not be obligated to) take such action, or refrain from taking such action, with respect to such Default as it shall deem advisable in the best interests of the Lenders and permitted by this Agreement.

9.6. Non-Reliance on Agents and Other Lenders. Each Lender expressly acknowledges that neither the Agents nor any of their respective officers, directors, employees, agents, attorneys-in-fact or affiliates have made any representations or warranties to it and that no act by any Agent hereinafter taken, including any review of the affairs of a Loan Party or any affiliate of a Loan Party, shall be deemed to constitute any representation or warranty by any Agent to any Lender. Each Lender represents to the Agents that it has, independently and without reliance upon any Agent or any other Lender, and based on such documents and information as it has deemed appropriate, made its own appraisal of and investigation into the business, operations, property, financial and other condition and creditworthiness of the Loan Parties and their affiliates and made its own decision to make its extensions of credit hereunder and enter into this Agreement. Each Lender also represents that it will, independently and without reliance upon any Agent or any other Lender, and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit analysis, appraisals and decisions in taking or not taking action under this Agreement and the other Loan Documents, and to make such investigation as it deems necessary to inform itself as to the business, operations, property, financial and other condition and creditworthiness of the Loan Parties and their affiliates. Except for notices, reports and other documents expressly required to be furnished to the Lenders by the Administrative Agent hereunder, the Administrative Agent shall not have any duty or responsibility to provide any Lender with any credit or other information concerning the business, operations, property, condition (financial or otherwise), prospects or creditworthiness of any Loan Party or any affiliate of a Loan Party that may come into the possession of the Administrative Agent or any of its officers, directors, employees, agents, attorneys-in-fact or affiliates.

9.7. Indemnification. The Lenders agree to severally indemnify each Agent in its capacity as such (to the extent not reimbursed by the Borrower and without limiting the obligation of the Borrower to do so), ratably according to their respective Aggregate Exposure Percentages in effect on the date on which indemnification is sought under this Section (or, if indemnification is sought after the date upon which the Commitments shall have terminated and the Loans shall have been paid in full, ratably in accordance with such Aggregate Exposure Percentages immediately prior to such date), from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind whatsoever that may at any time (whether before or after the payment of the Loans) be imposed on, incurred by or asserted against such Agent in any way relating to or arising out of, the Commitments, this Agreement, any of the other Loan Documents or any documents contemplated by or referred to herein or therein or the transactions contemplated hereby or thereby or any action taken or omitted by such Agent under or in connection with any of the foregoing; provided that no Lender shall be liable for the payment of any portion of such liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements that are found by a final and nonappealable decision of a court of competent jurisdiction to have resulted from such Agent's bad faith, gross negligence or willful misconduct. The agreements in this Section 9.7 shall survive the payment of the Loans and all other amounts payable hereunder.

9.8. Agent in Its Individual Capacity. Each Agent and its affiliates may make loans to, accept deposits from and generally engage in any kind of business with any Loan Party as though such Agent was not an Agent. With respect to its Loans made or renewed by it, each Agent shall have the same rights and powers under this Agreement and the other Loan Documents as any Lender and may exercise the same as though it were not an Agent, and the terms "Lender" and "Lenders" shall include each Agent in its individual capacity.

9.9. Successor Administrative Agent. The Administrative Agent may resign as Administrative Agent upon 20 days' notice to the Lenders and the Borrower. If the Administrative Agent shall resign as Administrative Agent under this Agreement and the other Loan Documents, then the Required Lenders shall appoint from among the Lenders a successor agent for the Lenders, which successor agent shall (unless an Event of Default under Section 8(a) or Section 8(f) with respect to the Borrower shall have occurred and be continuing) be subject to approval by the Borrower (which approval shall not be unreasonably withheld or delayed), whereupon such successor agent shall succeed to the rights, powers and duties of the Administrative Agent, and the term "Administrative Agent" shall mean such successor agent effective upon such appointment and approval, and the former Administrative Agent's rights, powers and duties as Administrative Agent shall be terminated, without any other or further act or deed on the part of such former Administrative Agent or any of the parties to this Agreement or any holders of the Loans. If no successor agent has accepted appointment as Administrative Agent by the date that is 20 days following a retiring Administrative Agent's notice of resignation, the retiring Administrative Agent's resignation shall nevertheless thereupon become effective and the Lenders shall assume and perform all of the duties of the Administrative Agent hereunder until such time, if any, as the Required Lenders appoint (with the consent of the Borrower (to the extent required by the immediately preceding sentence)) a successor agent as provided for above. After any retiring Administrative Agent's resignation as Administrative Agent, the provisions of this Section 9 shall inure to its benefit as to any actions taken or omitted to be taken by it while it was Administrative Agent under this Agreement and the other Loan Documents.

9.10. Certain ERISA Matters. (a) Each Lender (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, the Administrative Agent, and not, for the avoidance of doubt, to or for the benefit of the Borrower or any other Loan Party, that at least one of the following is and will be true:

(i) such Lender is not using "plan assets" (within the meaning of Section 3(42) of ERISA or otherwise) of one or more Benefit Plans with respect to such Lender's entrance into, participation in, administration of and performance of the Loans, the Commitments or this Agreement,

(ii) the transaction exemption set forth in one or more PTEs, such as PTE 84-14 (a class exemption for certain transactions determined by independent qualified professional asset managers), PTE 95-60 (a class exemption for certain transactions involving insurance company general accounts), PTE 90-1 (a class exemption for certain transactions involving insurance company pooled separate accounts), PTE 91-38 (a class exemption for certain transactions involving bank collective investment funds) or PTE 96-23 (a class exemption for certain transactions determined by in-house asset managers), is applicable with respect to such Lender's entrance into, participation in, administration of and performance of the Loans, the Commitments and this Agreement,

(iii) (A) such Lender is an investment fund managed by a "Qualified Professional Asset Manager" (within the meaning of Part VI of PTE 84-14), (B) such Qualified Professional Asset Manager made the investment decision on behalf of such Lender to enter into, participate in, administer and perform the Loans, the Commitments and this Agreement, (C) the entrance into, participation in, administration of and performance of the Loans, the Commitments and this Agreement satisfies the requirements of sub-sections (b) through (g) of Part I of PTE 84-14 and (D) to the best knowledge of such Lender, the requirements of subsection (a) of Part I of PTE 84-14 are satisfied with respect to such Lender's entrance into, participation in, administration of and performance of the Loans, the Commitments and this Agreement, or

(iv) such other representation, warranty and covenant as may be agreed in writing between the Administrative Agent, in its sole discretion, and such Lender.

(b) In addition, unless sub-clause (i) in the immediately preceding clause (a) is true with respect to a Lender or such Lender has provided another representation, warranty and covenant in accordance with sub-clause (iv) in the immediately preceding clause (a), such Lender further (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of the Administrative Agent, and not, for the avoidance of doubt, to or for the benefit of the Borrower or any other Loan Party, that the Administrative Agent is not a fiduciary with respect to the assets of such Lender involved in such Lender's entrance into, participation in, administration of and performance of the Loans, the Commitments and this Agreement (including in connection with the reservation or exercise of any rights by the Administrative Agent under this Agreement, any Loan Document or any documents related hereto or thereto).

9.11. Agents. None of the Arrangers or Agents (other than the Administrative Agent) identified in this Agreement shall have any rights, powers, obligations, liabilities, responsibilities or duties under this Agreement or any other Loan Document, except in its capacity, as applicable, as a Lender hereunder. Without limiting any other provision of this Section 9, no such Arranger or Agent in its capacity as such shall have or be deemed to have any fiduciary relationship with any Lender or any other Person by reason of this Agreement or any other Loan Document.

9.12. Credit Bidding. The Secured Parties hereby irrevocably authorize the Administrative Agent, at the direction of the Required Lenders, to credit bid all or any portion of the Obligations (including by accepting some or all of the Collateral in satisfaction of some or all of the Obligations pursuant to a deed in lieu of foreclosure or otherwise) and in such manner purchase (either directly or through one or more acquisition vehicles) all or any portion of the Collateral (a) at any sale thereof conducted under the provisions of the Bankruptcy Code, including under Sections 363, 1123 or 1129 of the Bankruptcy Code, or any similar laws in any other jurisdictions to which a Loan Party is subject, or (b) at any other sale, foreclosure or acceptance of collateral in lieu of debt conducted by (or with the consent or at the direction of) the Administrative Agent (whether by judicial action or otherwise) in accordance with any applicable law. In connection with any such credit bid and purchase, the Obligations owed to the Secured Parties shall be entitled to be, and shall be, credit bid by the Administrative Agent at the direction of the Required Lenders on a ratable basis (with Obligations with respect to contingent or unliquidated claims receiving contingent interests in the acquired assets on a ratable basis that shall vest upon the liquidation of such claims in an amount proportional to the liquidated portion of the contingent claim amount used in allocating the contingent interests) for the asset or assets so purchased (or for the equity interests or debt instruments of the acquisition vehicle or vehicles that are issued in connection with such purchase). In connection with any such bid, (i) the Administrative Agent shall be authorized to form one or more acquisition vehicles and to assign any successful credit bid to such acquisition vehicle or vehicles, (ii) each of the Secured Parties' ratable interests in the Obligations which were credit bid shall be deemed without any further action under this Agreement to be assigned to such vehicle or vehicles for the purpose of closing such sale, (iii) the Administrative Agent shall be authorized to adopt documents providing for the governance of the acquisition vehicle or vehicles (provided that any actions by the Administrative Agent with respect to such acquisition vehicle or vehicles, including any disposition of the assets or equity interests thereof, shall be governed, directly or indirectly, by, and the governing documents shall provide for, control by the vote of the Required Lenders or their permitted assignees under the terms of this Agreement or the governing documents of the applicable acquisition vehicle or vehicles, as the case may be, irrespective of the termination of this Agreement and without giving effect to the limitations on actions by the Required Lenders contained in Section 10.1), (iv) the Administrative Agent on behalf of such acquisition vehicle or vehicles shall be authorized to issue to each of the Secured Parties, ratably on account of the relevant Obligations which were credit bid, interests, whether as equity, partnership interests, limited partnership interests or membership interests, in any such acquisition vehicle and/or debt instruments issued by such acquisition vehicle, all without the need for any Secured Party or acquisition vehicle to take any further action, and (v) to the extent that Obligations that are assigned to an acquisition vehicle are not used to acquire Collateral for any reason (as a result of another bid being higher or better, because the amount of Obligations assigned to the acquisition vehicle exceeds the amount of Obligations credit bid by the acquisition vehicle or otherwise), such Obligations shall automatically be reassigned to the Secured Parties pro rata with their original interest in such Obligations and the equity interests and/or debt instruments issued by any acquisition vehicle on account of such Obligations shall automatically be cancelled, without the need for any Secured Party or any acquisition vehicle to take any further action. Notwithstanding that the ratable portion of the Obligations of each Secured Party are deemed assigned to the acquisition vehicle or vehicles as set forth in clause (ii) above, each Secured Party shall execute such documents and provide such information regarding the Secured Party (and/or any designee of the Secured Party which will receive interests in or debt instruments issued by such acquisition vehicle) as the Administrative Agent may reasonably request in connection with the formation of any acquisition vehicle, the formulation or submission of any credit bid or the consummation of the transactions contemplated by such credit bid.

9.13. Erroneous Payments.

(a) Each Lender hereby agrees that (x) if the Administrative Agent notifies such Lender that the Administrative Agent has determined in its sole discretion that any funds received by such Lender from the Administrative Agent or any of its Affiliates (whether as a payment, prepayment or repayment of principal, interest, fees or otherwise; individually and collectively, a "Payment") were erroneously transmitted to such Lender (whether or not known to such Lender), and demands the return of such Payment (or a portion thereof), such Lender shall promptly, but in no event later than one Business Day thereafter, return to the Administrative Agent the amount of any such Payment (or portion thereof) as to which such a demand was made in same day funds, together with interest thereon in respect of each day from and including the date such Payment (or portion thereof) was received by such Lender to the date such amount is repaid to the Administrative Agent at the greater of the NYFRB Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation from time to time in effect, and (y) to the extent permitted by applicable law, such Lender shall not assert, and hereby waives, as to the Administrative Agent, any claim, counterclaim, defense or right of set-off or recoupment with respect to any demand, claim or counterclaim by the Administrative Agent for the return of any Payments received, including without limitation any defense based on "discharge for value" or any similar doctrine. A notice of the Administrative Agent to any Lender under this Section 9.13 shall be conclusive, absent manifest error.

(b) Each Lender hereby further agrees that if it receives a Payment from the Administrative Agent or any of its Affiliates (x) that is in a different amount than, or on a different date from, that specified in a notice of payment sent by the Administrative Agent (or any of its Affiliates) with respect to such Payment (a "Payment Notice") or (y) that was not preceded or accompanied by a Payment Notice, it shall be on notice, in each such case, that an error has been made with respect to such Payment. Each Lender agrees that, in each such case, or if it otherwise becomes aware a Payment (or portion thereof) may have been sent in error, such Lender shall promptly notify the Administrative Agent of such occurrence and, upon demand from the Administrative Agent, it shall promptly, but in no event later than one Business Day thereafter, return to the Administrative Agent the amount of any such Payment (or portion thereof) as to which such a demand was made in same day funds, together with interest thereon in respect of each day from and including the date such Payment (or portion thereof) was received by such Lender to the date such amount is repaid to the Administrative Agent at the greater of the NYFRB Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation from time to time in effect.

(c) The Borrower and each other Loan Party hereby agrees that (x) in the event an erroneous Payment (or portion thereof) is not recovered from any Lender that has received such Payment (or portion thereof) for any reason, the Administrative Agent shall be subrogated to all the rights of such Lender with respect to such amount to the maximum extent permitted by law and (y) an erroneous Payment shall not pay, prepay, repay, discharge or otherwise satisfy any Obligations owed by the Borrower or any other Loan Party; provided that this clause (c) shall not be interpreted to increase (or accelerate the due date for), or have the effect of increasing (or accelerating the due date for), any Obligations of the Loan Parties in respect of principal and interest hereunder relative to the amount (and/or timing for payment) of the Obligations of the Loan Parties in respect of principal and interest hereunder that would have been payable had such erroneous Payment not been made by the Administrative Agent; provided, further, that for the avoidance of doubt, this clause (c) shall not apply to the extent any such Payment is, and solely with respect to the amount of such Payment that is, comprised of funds received by the Administrative Agent from the Borrower or any other Loan Party for the purpose of making such Payment, satisfying Obligations or from the proceeds of Collateral.

(h) Each party's obligations under this Section 9.13 shall survive the resignation or replacement of the Administrative Agent or any transfer of rights or obligations by, or the replacement of, a Lender, the repayment, satisfaction or discharge of all Obligations under any Loan Document.

## SECTION 10. MISCELLANEOUS

### 10.1. Amendments and Waivers.

(a) Neither this Agreement, any other Loan Document, nor any terms hereof or thereof may be amended, supplemented or modified except in accordance with the provisions of this Section 10.1. The Required Lenders and each Loan Party that is a party to the relevant Loan Document may, or, with the written consent of the Required Lenders, the Administrative Agent and each Loan Party that is a party to the relevant Loan Document may, from time to time, (a) enter into written amendments, supplements or modifications hereto and to the other Loan Documents for the purpose of adding any provisions to this Agreement or the other Loan Documents or changing in any manner the rights of the Lenders or of the Loan Parties hereunder or thereunder or (b) waive, on such terms and conditions as the Required Lenders or the Administrative Agent, as the case may be, may specify in such instrument, any of the requirements of this Agreement or the other Loan Documents or any Default or Event of Default and its consequences; provided, however, that no such waiver and no such amendment, supplement or modification shall: (i) forgive the principal amount or extend the final scheduled date of maturity of any Loan, extend the scheduled date of any amortization payment in respect of any Term Loan, reduce the stated rate of any interest or fee payable hereunder (except (x) in connection with the waiver of applicability of any post-default increase in interest rates, (y) that any amendment or modification in the financial definitions in this Agreement shall not constitute a reduction in the rate of interest or commitment fee for purposes of this clause (i) and (z) in each case of this clause (i), waivers of, or consents or departures from, mandatory prepayments, mandatory reductions of commitments, or of any Default or Event of Default) or extend the scheduled date of any payment thereof or increase the amount or extend the expiration date of any Tranche B Term Lender's Tranche B Term Commitment, in each case without the consent of each Lender directly affected thereby; (ii) reduce any percentage specified in the definition of Required Lenders or change any other provision of any Loan Document specifying the number or percentage of Lenders required to waive, amend or modify any term thereof, release all or substantially all of the Collateral (other than as otherwise permitted hereunder or in the other Loan Documents) under the Collateral Agreement or the Israeli Security Agreement or release all or substantially all of the value of the guarantees (other than as otherwise permitted hereunder or in the other Loan Documents) under the Guarantee Agreement, in each case without the consent of all Lenders or reduce the percentage specified in the definition of Majority Facility Lenders with respect to any Facility without the consent of all Lenders under such Facility; (iii) amend or modify any provision of Section 5.03 of the Collateral Agreement without the consent of each Lender directly and adversely affected thereby; (iv) amend, modify or waive any provision of Section 2.17 in a manner that would alter the pro rata sharing of payments or Section 10.7(a) without the consent of all Lenders, or amend, modify or waive any other provision of Section 2.17 without the consent of the Majority Facility Lenders in respect of each Facility adversely affected thereby; (v) amend, modify or waive any provision of Section 9 without the consent of the Administrative Agent; (vi) [reserved]; (vii) [reserved]; (viii) consent to the assignment or transfer by the Borrower of any of its rights and obligations under this Agreement and the other Loan Documents without the consent of each Lender directly affected thereby (other than as permitted by Section 10.6); or (ix) eliminate or reduce any voting rights under this Section 10.1 without the consent of each Lender directly affected thereby; (x) subordinate the Lien on a material portion of the Collateral, taken as a whole, securing the Obligations to the Lien securing any other Indebtedness, without the written consent of each Lender directly affected thereby (provided that no such Lender's consent shall be required pursuant to this clause (x) if such Lender is offered a reasonable, bona fide opportunity to participate on a pro rata basis in any priming indebtedness (including any fees payable in connection therewith) permitted to be issued as a result of such waiver, amendment or modification) or (xi) subordinate the Obligations (or any Class thereof) in right of payment to any other Indebtedness, without the written consent of each Lender directly affected thereby (provided that no such Lender's consent shall be required pursuant to this clause (xi) if such Lender is offered a reasonable, bona fide opportunity to participate on a pro rata basis in any priming indebtedness (including any fees payable in connection therewith) permitted to be issued as a result of such waiver, amendment or modification). Any such waiver and any such amendment, supplement or modification shall apply equally to each of the Lenders and shall be binding upon the Loan Parties, the Lenders, the Administrative Agent and all future holders of the Loans. In the case of any waiver, the Loan Parties, the Lenders and the Administrative Agent shall be restored to their former position and rights hereunder and under the other Loan Documents, and any Default waived shall be deemed to be cured and not continuing; but no such waiver shall extend to any subsequent or other Default, or impair any right consequent thereon.

(i) Notwithstanding the foregoing, the Company and the Administrative Agent may enter into any Incremental Facility Amendment in accordance with Section 2.25, any Extension Amendment in accordance with Section 2.24 and any Refinancing Term Amendment in accordance with Section 2.28 and such Extension Amendments, Incremental Term Facility Amendments and Refinancing Term Amendments shall be effective to amend the terms of this Agreement and the other applicable Loan Documents, in each case, without any further action or consent of any other party to any Loan Document; and

(ii) this Agreement and the other Loan Documents may be amended with the written consent of only the Administrative Agent and the Company to the extent necessary in order to evidence and implement the designation of removal of an additional borrower with respect to any Incremental Revolving Facility in accordance with Section 2.24.

(b) Notwithstanding the foregoing, the Administrative Agent, with the consent of the Company, may amend, modify or supplement any Loan Document without the consent of any Lender or the Required Lenders in order to correct, amend or cure any ambiguity, inconsistency or defect or correct any typographical error or other manifest error in any Loan Document and such amendment shall become effective without any further action or consent of any other party to any Loan Document if the same is not objected to in writing by the Required Lenders within ten Business Days following receipt of notice thereof.

10.3. No Waiver; Cumulative Remedies. No failure to exercise and no delay in exercising, on the part of the Administrative Agent or any Lender, any right, remedy, power or privilege hereunder or under the other Loan Documents shall operate as a waiver thereof; nor shall any single or partial exercise of any right, remedy, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege. The rights, remedies, powers and privileges herein provided are cumulative and not exclusive of any rights, remedies, powers and privileges provided by law.

10.4. Survival of Representations and Warranties. All representations and warranties made hereunder, in the other Loan Documents and in any document, certificate or statement delivered pursuant hereto or in connection herewith shall survive the execution and delivery of this Agreement and the making of the Loans and other extensions of credit hereunder until the respective maturity dates of the Facilities.

10.5. Expenses; Limitation of Liability; Indemnity, Etc.

(a) *Expenses*. The Borrower agrees (a) within 30 days following presentation of a summary statement, to reimburse the Administrative Agent for its reasonable and invoiced out-of-pocket expenses that have been incurred in connection with the development, preparation, execution, delivery and administration of, and any amendment, supplement, waiver or modification to, this Agreement and the other Loan Documents and the consummation of the Transactions contemplated hereby and thereby (including the fees, charges and disbursements of one firm of counsel to the Administrative Agent and Lenders, as a whole, and of a single local counsel in each appropriate jurisdiction (which may include, a single special counsel acting in multiple jurisdictions) for the Administrative Agent and Lenders, as a whole (and, in the case of an actual or perceived conflict of interest, of another firm of counsel (and, if applicable, another local counsel in each appropriate jurisdiction) for all similarly affected persons)), (b) within 30 days following presentation of a summary statement, to pay or reimburse each Lender and the Administrative Agent for all its reasonable and invoiced out-of-pocket costs and expenses incurred in connection with the enforcement or preservation of any rights under this Agreement, the other Loan Documents and any such other documents, including all such reasonable out-of-pocket expenses incurred during any workout, restructuring or negotiations in respect of such Loans (including the fees, charges and disbursements of one firm of counsel to the Administrative Agent and Lenders, as a whole, and of a single local counsel in each appropriate jurisdiction (which may include, a single special counsel acting in multiple jurisdictions) for the Administrative Agent and Lenders, as a whole (and, in the case of an actual or perceived conflict of interest, of another firm of counsel (and, if applicable, another local counsel in each appropriate jurisdiction) for all similarly affected persons)),

(b) *Limitation of Liability.* None of the Administrative Agent, any Arranger or any Lender, or any Related Party of any of the foregoing Persons (each such Person being called a “**Lender-Related Person**”) shall be liable for any damages arising from the use by others of information or other materials obtained through electronic, telecommunications or other information transmission systems, except to the extent any such damages are found by a final and nonappealable decision of a court of competent jurisdiction to have resulted from the gross negligence, bad faith or willful misconduct of such Lender-Related Person. To the fullest extent permitted by applicable law, (i) each party hereto agrees that it shall not assert, and hereby waives, any claim against any other party hereto, the Company, any Lender-Related Person or any of their respective Related Parties on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement, any other Loan Document or any agreement or instrument contemplated hereby, the transactions contemplated hereby or thereby, any Loan, or the use of the proceeds thereof; provided that the foregoing shall not limit the obligations of the Borrower under this Section 10.5 in respect of any such damages claimed against the Indemnitees by Persons other than Indemnitees.

(c) *Indemnity.* The Borrower shall indemnify and hold harmless each Lender, each Agent and the Administrative Agent and their respective Related Parties (each, an “**Indemnitee**”) from and against, and hold each Indemnitee harmless from, any and all losses, claims (including intraparty claims), demands, damages and liabilities (“**Liabilities**”) to which any such Indemnitee may become subject arising out of or in connection with this Agreement, any Loan Documents, the Transactions or any actual or prospective claim, litigation, investigation, arbitration or proceeding relating to any of the foregoing (including in relation to enforcing the terms of this paragraph) (each, a “**Proceeding**”), regardless of whether any Indemnitee is a party thereto, whether or not such Proceedings are brought by the Company, its equity holders, Related Parties, Affiliates, creditors or any other person, and to reimburse each Indemnitee from time to time, within 30 days following the presentation of a summary statement, for any reasonable and invoiced out-of-pocket legal expenses of one firm of counsel for all such Indemnitees, taken as a whole, and of a single local counsel in each appropriate jurisdiction (which may include a single special counsel acting in multiple jurisdictions) for all such Indemnitees, taken as a whole (and, in the case of an actual or perceived conflict of interest, of another firm of counsel (and, if applicable, another firm of local counsel in each appropriate jurisdiction) for all similarly affected Indemnitees), in connection with any of the foregoing, provided that the foregoing indemnity will not, as to any Indemnitee, apply to Liabilities or related expenses to the extent they (i) are found by a final, non-appealable judgment of a court of competent jurisdiction to arise from the willful misconduct, bad faith or gross negligence of such Indemnitee or its Related parties, (ii) are found by a final, non-appealable judgment of a court of competent jurisdiction to result from a material breach of the obligations of such Indemnitee or any such Indemnitee’s Related Parties under this Agreement or (iii) result from any Proceeding that does not involve an act or omission by the Company or its Affiliates and that is brought by an Indemnitee or Related Party against any other Indemnitee or Related Party (other than any claims against any Indemnitee in its capacity or in fulfilling its role as an agent or arranger or any similar role in connection with this Agreement). The agreements in this Section 10.5 shall survive repayment of the Loans and all other amounts payable hereunder and termination of this Agreement. This Section 10.5(c) shall not apply with respect to Taxes other than any Taxes that represent losses, claims or damages arising from any non-Tax claim.

(d) *Lender Reimbursement.* Each Lender severally agrees to pay any amount required to be paid by the Borrower under paragraphs (a), (b) or (c) of this Section 10.5 to the Administrative Agent, the Collateral Agent and each Related Party of any of the foregoing Persons (each, an “**Agent-Related Person**”) (to the extent not reimbursed by the Borrower and without limiting the obligation of the Borrower to do so), ratably according to their respective Aggregate Exposure Percentages on the date on which such payment is sought under this Section (or, if such payment is sought after the date upon which the Commitments shall have terminated and the Loans shall have been paid in full, ratably in accordance with their respective Aggregate Exposure Percentages immediately prior to such date), and agrees to indemnify and hold each Agent-Related Person harmless from and against any and all Liabilities and related expenses, including the fees, charges and disbursements of any kind whatsoever that may at any time (whether before or after the payment of the Loans) be imposed on, incurred by or asserted against such Agent-Related Person in any way relating to or arising out of the Commitments, the Loans, this Agreement, any of the other Loan Documents or any documents contemplated by or referred to herein or therein or the transactions contemplated hereby or thereby or any action taken or omitted by such Agent-Related Person under or in connection with any of the foregoing; *provided* that the unreimbursed expense or Liability or related expense, as the case may be, was incurred by or asserted against such Agent-Related Person in its capacity as such; *provided further* that no Lender shall be liable for the payment of any portion of such Liabilities, costs, expenses or disbursements that are found by a final and nonappealable decision of a court of competent jurisdiction to have resulted primarily from such Agent-Related Party’s gross negligence or willful misconduct. The agreements in this Section shall survive the termination of this Agreement and the payment of the Loans and all other amounts payable hereunder.

(e) *Payments.* All amounts due under this Section 10.5 shall be payable not later than 30 days after written demand therefor.

10.6. Successors and Assigns; Participations and Assignments.

(a) This Agreement shall be binding upon and inure to the benefit of the Company, the Borrower, the Lenders, the Administrative Agent, all future holders of the Loans and their respective successors and assigns, except that none of the Borrower or the Company may assign or transfer any of its rights or obligations under this Agreement without the prior written consent of each Lender (except in a transaction permitted by Section 7.4).

(b) Any Lender may, without the consent of the Borrower or the Administrative Agent, in accordance with applicable law, at any time sell to one or more banks, financial institutions or other entities other than an Ineligible Institution (each, a “**Participant**”) participating interests in any Loan owing to such Lender, any Commitment of such Lender or any other interest of such Lender hereunder and under the other Loan Documents. In the event of any such sale by a Lender of a participating interest to a Participant, such Lender’s obligations under this Agreement to the other parties to this Agreement shall remain unchanged, such Lender shall remain solely responsible for the performance thereof, such Lender shall remain the holder of any such Loan for all purposes under this Agreement and the other Loan Documents, the Participant will have no proprietary interest in the benefit of this Agreement or in any monies received by the Lender under or in relation to this Agreement (including in the bankruptcy or similar event of the Lender) and the Company, the other Lenders and the Administrative Agent shall continue to deal solely and directly with such Lender in connection with such Lender’s rights and obligations under this Agreement and the other Loan Documents. In no event shall any Participant under any such participation have any right to approve any amendment or waiver of any provision of any Loan Document, or any consent to any departure by any Loan Party therefrom, except to the extent that such amendment, waiver or consent would reduce the principal of or interest on, the Loans or any fees payable hereunder, postpone the date of any scheduled amortization payment or the final maturity of the Loans, in each case to the extent subject to such participation. Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and the other Loan Documents and, other than as set forth in the preceding sentence, to approve any amendment, modification or waiver of any provision of this Agreement or any other Loan Document. The Borrower also agrees that each Participant shall be entitled to the benefits of Sections 2.18, 2.19 and 2.20 (subject to the requirements and limitations in Section 2.19) with respect to its participation in the Commitments and the Loans outstanding from time to time as if it was a Lender; provided that such Participant (i) agrees to be subject to the provisions of Sections 2.21 and 2.22 as if it were an assignee under paragraph (c) of this Section and (ii) shall not be entitled to receive any greater amount pursuant to Section 2.18 or 2.19 than the transferor Lender would have been entitled to receive in respect of the amount of the participation transferred by such transferor Lender to such Participant had no such transfer occurred, except to the extent such entitlement to receive a greater amount results from a change in law that occurs after the Participant acquired the applicable participation. Each Lender that sells a participation, acting solely for this purpose as a non-fiduciary agent of the Borrower, shall maintain a register on which it enters the name and address of each Participant and the principal amounts (and stated interest) of each Participant’s interest in the Loans or other obligations under this Agreement (the “**Participant Register**”); provided that no Lender shall have any obligation to disclose all or any portion of the Participant Register to any Person (including the identity of any Participant or any information relating to a Participant’s interest in any Commitments, Loans or its other obligations under any Loan Document) except to the extent that such disclosure is necessary to establish that such Commitment, Loan or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. The entries in the Participant Register shall be conclusive absent manifest error, and such Lender, each Loan Party and the Administrative Agent shall treat each person whose name is recorded in the Participant Register pursuant to the terms hereof as the owner of such participation for all purposes of this Agreement, notwithstanding notice to the contrary.

As used herein, “**Ineligible Institution**” means (a) a natural person, (b) a Disqualified Lender, (c) a holding company, investment vehicle or trust for, or owned and operated for the primary benefit of, a natural person or relative(s) thereof, (d) a Defaulting Lender or (e) any of the Company and its Subsidiaries and Affiliates.

(c) Any Lender (an “**Assignor**”) may, in accordance with applicable law, at any time and from time to time assign (subject to clause (iii) of the proviso below) to any other Lender, any Affiliate of any Lender or any Lender Affiliate (other than any Ineligible Institution) or, with the consent of the Borrower and the Administrative Agent (which, in each case, shall not be unreasonably withheld or delayed), to an additional bank, financial institution or other entity other than an Ineligible Institution (an “**Assignee**”) all or any part of its rights and obligations under this Agreement pursuant to an Assignment and Assumption, executed by such Assignee, such Assignor and any other Person whose consent is required pursuant to this paragraph, and delivered to the Administrative Agent for its acceptance and recording in the Register; provided that (i) no such assignment to an Assignee (other than any Lender, any Affiliate of any Lender or any Lender Affiliate), unless otherwise agreed to by the Borrower and Administrative Agent, shall be in an aggregate principal amount of less than \$500,000 in the case of Term Loans (provided that assignments made by any Lender on the same day to an Assignee and its Affiliates (including any Lender Affiliates) and contemporaneous assignments by Lender Affiliates to a single Assignee may be treated as a single assignment for purposes of satisfying any such minimum assignment amount requirement (other than in the case of an assignment of all of a Lender’s interests under the applicable Facility)), (ii) [reserved], (iii) [reserved] and (iv) solely with respect to Term Loans, the Borrower shall be deemed to have consented to an assignment if it has not objected thereto by written notice to the Administrative Agent within ten Business Days of its receipt of notice thereof. For purposes of the proviso contained in the preceding sentence, the amount described therein shall be aggregated in respect of each Lender and its related Lender Affiliates, if any (other than in the case of an assignment of all of a Lender’s interests under this Agreement). Any such assignment need not be ratable as among the Facilities. Upon such execution, delivery, acceptance and recording, from and after the effective date determined pursuant to such Assignment and Assumption, (x) the Assignee thereunder shall be deemed a party hereto and, to the extent provided in such Assignment and Assumption, have the rights and obligations of a Lender hereunder with a Commitment and/or Loans as set forth therein, and (y) the Assignor thereunder shall, to the extent provided in such Assignment and Assumption, be released from its obligations under this Agreement (and, in the case of an Assignment and Assumption covering all of an Assignor’s rights and obligations under this Agreement, such Assignor shall cease to be a party hereto). Notwithstanding any provision of this Section 10.6, the consent of the Borrower shall not be required for any assignment that occurs (I) when an Event of Default shall have occurred and be continuing with respect to the Borrower or (II) in connection with the primary syndication of the Facility.

Notwithstanding the foregoing, the Borrower may, in its sole discretion, withhold consent to any assignment to any Person that is not expressly a Disqualified Lender but is known by the Borrower to be an Affiliate of a Disqualified Lender without regard as to whether such Person is identifiable as an Affiliate of a Disqualified Lender on the basis of such Affiliate's name.

(d) The Administrative Agent shall, on behalf of the Borrower, maintain at its address referred to in Section 10.2, a copy of each Assignment and Assumption delivered to it and a register (the "**Register**") for the recordation of the names and addresses of the Lenders and the Commitment of, and the principal amount (and stated interest) of the Loans owing to, each Lender from time to time. The entries in the Register shall be conclusive absent manifest error, and the Borrower, each other Loan Party, the Administrative Agent and the Lenders shall treat each Person whose name is recorded in the Register as the owner of the Loans and any Notes evidencing the Loans recorded therein for all purposes of this Agreement. Any assignment of any Loan, whether or not evidenced by a Note, shall be effective only upon appropriate entries with respect thereto being made in the Register (and each Note shall expressly so provide). Any assignment or transfer of all or part of a Loan evidenced by a Note shall be registered on the Register only upon surrender for registration of assignment or transfer of the Note evidencing such Loan, accompanied by a duly executed Assignment and Assumption, and thereupon one or more new Notes shall be issued to the designated Assignee. The Register shall be available for inspection by any Lender at any reasonable time and from time to time upon reasonable prior notice.

(e) Upon its receipt of an Assignment and Assumption executed by an Assignor, an Assignee and any other Person whose consent is required by Section 10.6(c), together with payment to the Administrative Agent of a registration and processing fee of \$3,500 (which shall not be an obligation of the Borrower), the Administrative Agent shall (i) promptly accept such Assignment and Assumption and (ii) record the information contained therein in the Register on the effective date determined pursuant thereto.

(f) The Assignee, if it shall not be a Lender, shall deliver to the Administrative Agent an Administrative Questionnaire in which the Assignee designates one or more credit contacts to whom all syndicate-level information (which may contain material non-public information about the Company and its Affiliates and their related parties or their respective securities) will be made available and who may receive such information in accordance with the assignee's compliance procedures and applicable laws, including Federal and state securities laws.

(g) For avoidance of doubt, the parties to this Agreement acknowledge that the provisions of this Section 10.6 concerning assignments of Loans and Notes relate only to absolute assignments and that such provisions do not prohibit assignments creating security interests, including any pledge or assignment by a Lender of any Loan or Note to any Federal Reserve Bank or other central banking authority having jurisdiction over such Lender in accordance with applicable law.

(h) The Borrower, upon receipt of written notice from the relevant Lender, agrees to issue Notes to any Lender requiring Notes to facilitate transactions of the type described in paragraph (g) above.

(i) Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this Section 10.6, whether or not such assignment or transfer is reflected in the Register, shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with paragraph (b) of this Section 10.6.

(j) The Company shall have the right (i) at the sole expense of any Lender that is a Disqualified Lender and/or the Person that assigned its Commitments and/or Loans to such Disqualified Lender or to any Lender to the extent the Borrower's consent was requested pursuant to Section 10.6 and not obtained, to seek to replace or terminate such Disqualified Lender or other Lender as a Lender by causing such Lender to (and such Lender shall be obligated to) assign (without recourse) any or all of its Commitments and/or Loans and its rights and obligations under this Agreement to one or more assignees (which may, at the Company's sole option, be or include the Company or any Subsidiary); provided that (1) the Administrative Agent shall not have any obligation to the Company to find such a replacement Lender, (2) the Company shall not have any obligation to such Disqualified Lender or other Lender or any other Person to find such a replacement Lender or accept or consent to any such assignment to itself or any other Person and (3) the assignee (or, at its option, the Company) shall pay to such Disqualified Lender or other Lender concurrently with such assignment an amount (which payment shall be deemed payment in full) equal to the lesser of (x) the face principal amount of the Commitments and/or Loans so assigned and (y) the amount that such Disqualified Lender or other Lender paid to acquire such Commitments and/or Loans, in each case without interest thereon (it being understood that if the effective date of such assignment is not an Interest Payment Date, such assignee shall be entitled to receive on the next succeeding Interest Payment Date interest on the principal amount of the Loans so assigned that has accrued and is unpaid from the Interest Payment Date last preceding such effective date (except as may be otherwise agreed between such assignee and the Company)), or (ii) to prepay any Loans held by such Disqualified Lender or other Lender, in whole or in part, by paying an amount (which payment shall be deemed payment in full) equal to the lesser of (x) the face principal amount of the Commitments and/or Loans so prepaid and (y) the amount that such Disqualified Lender or other Lender paid to acquire such Loans (in each case without interest thereon), and if applicable, terminate the Commitments of such Disqualified Lender, in whole or in part. In connection with any such replacement, (1) if the Disqualified Lender does not execute and deliver to the Administrative Agent a duly completed Assignment and Assumption and/or any other documentation necessary or appropriate (in the good faith determination of the Administrative Agent or the Company, which determination shall be conclusive) to reflect such replacement by the later of (a) the date on which the replacement Lender executes and delivers such Assignment and Assumption and/or such other documentation and (b) the date as of which the Disqualified Lender shall be paid by the assignee Lender (or, at its option, the Company) the amount required pursuant to this Section 10.6(j), then such Disqualified Lender or other Lender shall be deemed to have executed and delivered such Assignment and Assumption and/or such other documentation as of such date and the Company shall be entitled (but not obligated) to execute and deliver such Assignment and Assumption and/or such other documentation on behalf of such Disqualified Lender or other Lender, and the Administrative Agent shall record such assignment in the Register, (2) each Lender (whether or not then a party hereto) agrees to disclose to the Company the amount that the applicable Disqualified Lender paid to acquire Commitments and/or Loans from such Lender and (3) each Lender that is a Disqualified Lender or other Lender agrees to disclose to the Company the amount it paid to acquire the Commitments and/or Loans held by it. The Disqualified Lenders List may be (i) posted to the Lenders on both the "Public Side Information" and the "Private Side Information" portions of the Electronic Platform and (ii) made available to the Lenders upon written request to the Administrative Agent. The Borrower hereby acknowledges and consents to the posting and/or distribution of the Disqualified Lenders List pursuant to the terms set forth in this Agreement. The Administrative Agent shall not be responsible or have any liability for, or have any duty to ascertain, inquire into, monitor or enforce, compliance with the provisions hereof relating to Disqualified Lenders. Without limiting the generality of the foregoing, the Administrative Agent shall not (x) be obligated to ascertain, monitor or inquire as to whether any Lender or participant or prospective Lender or participant is a Disqualified Lender or (y) have any liability with respect to or arising out of any assignment or participation of Loans, or disclosure of confidential information, to any Disqualified Lender.

(k) Notwithstanding anything to the contrary contained herein, any Lender may, at any time, assign all or a portion of its rights and obligations under this Agreement in respect of its Term Loans to the Company, or any Subsidiary (each, an “**Affiliated Lender**”) through (x) Dutch auctions or other offers to purchase open to all Lenders on a pro rata basis in accordance with procedures to be established by the “auction agent” consistent with this Section 10.6(k) or (y) open market purchases on a non-pro rata basis (which purchases may be effected at any price as agreed between such Lender and such Affiliated Lender in their respective sole discretion); provided that:

(i) any Term Loans acquired by any Affiliated Lender shall, to the extent permitted by applicable Requirements of Law, be retired and cancelled immediately upon the acquisition thereof; provided that upon any such retirement and cancellation, the aggregate outstanding principal amount of the Term Loans shall be deemed reduced by the full par value of the aggregate principal amount of the Term Loans so retired and cancelled; provided that to the extent any Term Loans acquired by any Affiliated Lender are not permitted to be retired and cancelled under applicable Requirements of Law, such Affiliated Lender shall be deemed to have acknowledged and agreed that such Term Loans held by such Affiliated Lender shall be disregarded in both the numerator and denominator in the calculation of any Required Lender or other Lender vote and such Affiliated Lender, solely in its capacity as an Affiliated Lender, will not be entitled to (x) attend (including by telephone) or participate in any meeting or discussion (or portion thereof) solely among the Administrative Agent or any Lender or among Lenders to which the Loan Parties or their representatives are not invited or (y) receive any information or material prepared by the Administrative Agent or any Lender or any communication by or among the Administrative Agent and one or more Lenders;

(ii) no Event of Default exists at the time of acceptance of bids for the Dutch Auction or the confirmation of such open market purchase, as applicable; and

(iii) no Affiliated Lender shall be required to represent or warrant that it is not in possession of material non-public information with respect to the Company and/or any subsidiary thereof and/or their respective securities in connection with any assignment permitted by this Section 10.6(k).

#### 10.7. Adjustments; Set-off.

(a) Except to the extent that (i) this Agreement expressly provides for payments to be allocated to a particular Lender or to the Lenders under a particular Facility (including any payment obtained by a Lender as consideration for any permitted assignment of or permitted sale of a participation in any of its Loans or Commitments hereunder) or (ii) a payment is made in respect of obligations under Lender Hedge Agreements or Cash Management Obligations, if any Lender (a “**Benefitted Lender**”) shall receive any payment of all or part of the Obligations owing to it, or receive any collateral in respect thereof (whether voluntarily or involuntarily, by set-off, pursuant to events or proceedings of the nature referred to in Section 8(f), or otherwise), in a greater proportion than any such payment to or collateral received by any other Lender, if any, in respect of the Obligations owing to such other Lender, such Benefitted Lender shall purchase for cash from the other Lenders a participating interest in such portion of the Obligations owing to each such other Lender, or shall provide such other Lenders with the benefits of any such collateral, as shall be necessary to cause such Benefitted Lender to share the excess payment or benefits of such collateral ratably with each of the Lenders; provided, however, that if all or any portion of such excess payment or benefits is thereafter recovered from such Benefitted Lender, such purchase shall be rescinded, and the purchase price and benefits returned, to the extent of such recovery, but without interest; provided further, that to the extent prohibited by applicable law as described in the definition of “**Excluded Swap Obligation**”, no amounts received from, or set off with respect to, any Guarantor shall be applied to any Excluded Swap Obligations of such Guarantor.

(b) In addition to any rights and remedies of the Lenders provided by law, each Lender shall have the right, without prior notice to the Borrower, any such notice being expressly waived by the Borrower to the extent permitted by applicable law, upon the occurrence and during the continuance of an Event of Default, to set off and appropriate and apply against such amount any and all deposits (general or special, time or demand, provisional or final), in any currency, and any other credits, indebtedness or claims, in any currency, in each case whether direct or indirect, absolute or contingent, matured or unmatured, at any time held or owing by such Lender or any Affiliate, branch or agency thereof to or for the credit or the account of the Borrower, as the case may be. Each Lender agrees promptly to notify the Borrower and the Administrative Agent after any such setoff and application made by such Lender provided that the failure to give such notice shall not affect the validity of such setoff and application.

10.8. **Counterparts.** This Agreement may be executed by one or more of the parties to this Agreement on any number of separate counterparts, and all of said counterparts taken together shall be deemed to constitute one and the same instrument. Delivery of an executed counterpart of a signature page of (x) this Agreement, (y) any other Loan Document and/or (z) any document, amendment, approval, consent, information, notice (including, for the avoidance of doubt, any notice delivered pursuant to Section 10.2), certificate, request, statement, disclosure or authorization related to this Agreement, any other Loan Document and/or the transactions contemplated hereby and/or thereby (each an “**Ancillary Document**”) that is an Electronic Signature transmitted by telecopy, emailed pdf. or any other electronic means that reproduces an image of an actual executed signature page shall be effective as delivery of a manually executed counterpart of this Agreement, such other Loan Document or such Ancillary Document, as applicable. The words “execution,” “signed,” “signature,” “delivery,” and words of like import in or relating to this Agreement, any other Loan Document and/or any Ancillary Document shall be deemed to include Electronic Signatures, deliveries or the keeping of records in any electronic form (including deliveries by telecopy, emailed pdf. or any other electronic means that reproduces an image of an actual executed signature page), each of which shall be of the same legal effect, validity or enforceability as a manually executed signature, physical delivery thereof or the use of a paper-based recordkeeping system, as the case may be; *provided* that nothing herein shall require the Administrative Agent to accept Electronic Signatures in any form or format without its prior written consent and pursuant to procedures approved by it; *provided, further*, without limiting the foregoing, (i) to the extent the Administrative Agent has agreed to accept any Electronic Signature, the Administrative Agent and each of the Lenders shall be entitled to rely on such Electronic Signature purportedly given by or on behalf of the Borrower or any other Loan Party without further verification thereof and without any obligation to review the appearance or form of any such Electronic Signature and (ii) upon the request of the Administrative Agent or any Lender, any Electronic Signature shall be promptly followed by a manually executed counterpart. Without limiting the generality of the foregoing, the Borrower and each Loan Party hereby (A) agrees that, for all purposes, including without limitation, in connection with any workout, restructuring, enforcement of remedies, bankruptcy proceedings or litigation among the Administrative Agent, the Lenders, the Borrower and the Loan Parties, Electronic Signatures transmitted by telecopy, emailed pdf. or any other electronic means that reproduces an image of an actual executed signature page and/or any electronic images of this Agreement, any other Loan Document and/or any Ancillary Document shall have the same legal effect, validity and enforceability as any paper original, (B) the Administrative Agent and each of the Lenders may, at its option, create one or more copies of this Agreement, any other Loan Document and/or any Ancillary Document in the form of an imaged electronic record in any format, which shall be deemed created in the ordinary course of such Person’s business, and destroy the original paper document (and all such electronic records shall be considered an original for all purposes and shall have the same legal effect, validity and enforceability as a paper record), (C) waives any argument, defense or right to contest the legal effect, validity or enforceability of this Agreement, any other Loan Document and/or any Ancillary Document based solely on the lack of paper original copies of this Agreement, such other Loan Document and/or such Ancillary Document, respectively, including with respect to any signature pages thereto and (D) waives any claim against any Lender-Related Person for any Liabilities arising solely from the Administrative Agent’s and/or any Lender’s reliance on or use of Electronic Signatures and/or transmissions by telecopy, emailed pdf. or any other electronic means that reproduces an image of an actual executed signature page, including any Liabilities arising as a result of the failure of the Borrower and/or any Loan Party to use any available security measures in connection with the execution, delivery or transmission of any Electronic Signature.

10.9. Severability. Any provision of this Agreement that is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

10.10. Integration. This Agreement and the other Loan Documents represent the agreement of the Company, the Borrower, the Administrative Agent and the Lenders with respect to the subject matter hereof, and there are no promises, undertakings, representations or warranties by the Administrative Agent or any Lender relative to subject matter hereof not expressly set forth or referred to herein or in the other Loan Documents.

10.11. GOVERNING LAW. THIS AGREEMENT AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES UNDER THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS AND ANY CLAIM, CONTROVERSY OR DISPUTE ARISING UNDER OR RELATED TO THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS WHETHER IN TORT, CONTRACT (AT LAW OR IN EQUITY) OR OTHERWISE, SHALL BE GOVERNED BY, AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK.

10.12. Submission To Jurisdiction; Waivers.

(a) Each party hereto hereby irrevocably and unconditionally:

(i) submits for itself and its property in any legal action or proceeding relating to this Agreement and the other Loan Documents to which it is a party, or for recognition and enforcement of any judgment in respect thereof, to the exclusive general jurisdiction of the courts of the State of New York in New York County, the courts of the United States for the Southern District of New York in New York County, and appellate courts from any thereof;

(ii) consents that any such action or proceeding may be brought in such courts and waives any objection that it may now or hereafter have to the venue of any such action or proceeding in any such court or that such action or proceeding was brought in an inconvenient court and agrees not to plead or claim the same;

(iii) agrees that service of process in any such action or proceeding may be effected by mailing a copy thereof by registered or certified mail (or any substantially similar form of mail), postage prepaid, to such party, as the case may be at its address set forth in Section 10.2 or at such other address of which the other parties shall have been notified pursuant thereto;

(iv) agrees that nothing herein shall affect the right to effect service of process in any other manner permitted by law or shall limit the right to sue in any other jurisdiction; and

(v) waives, to the maximum extent not prohibited by law, any right it may have to claim or recover in any legal action or proceeding referred to in this Section 10.12 any special, exemplary, punitive or consequential damages.

Nothing in this Agreement or in any other Loan Document shall affect any right each party hereto may otherwise have to enforce any judgment in any action or proceeding relating to this Agreement in the courts of any jurisdiction.

(b) The Company hereby agrees to irrevocably and unconditionally appoint the Borrower as its agent to receive on behalf of the Company and its property service of copies of the summons and complaint and any other process which may be served in any action or proceeding in any such New York State or Federal court described in paragraph (a) of this Section 10.12 and agrees promptly to appoint a successor agent for service of process located in the City of New York (the “**New York Process Agent**”), reasonably satisfactory to the Administrative Agent (which successor New York Process Agent shall accept such appointment in a writing reasonably satisfactory to the Administrative Agent) prior to the termination for any reason of the appointment of the Company. In any such action or proceeding in such New York State or Federal court, such service may be made on the Company by delivering a copy of such process to the Company in care of the Borrower or the New York Process Agent, as applicable, at the address of the Borrower or the New York Process Agent, as applicable, and by depositing a copy of such process in the mails by certified or registered air mail, addressed to the Company at its address specified in Section 10.2 (such service to be effective upon such receipt by the New York Process Agent and the depositing of such process in the mails as aforesaid). The Company hereby irrevocably and unconditionally authorizes and directs the Borrower or the New York Process Agent, as applicable, to accept such service on its behalf. As an alternate method of service, the Company irrevocably and unconditionally consents to the service of any and all process in any such action or proceeding in such New York State or Federal court by mailing of copies of such process to the Company by certified or registered air mail at its address specified in Section 10.2. The Company agrees that, to the fullest extent permitted by applicable law, a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law.

To the extent that the Company has or hereafter may acquire any immunity (sovereign or otherwise) from any legal action, suit or proceeding, from jurisdiction of any court or from set-off or any legal process (whether service or notice, attachment prior to judgment, attachment in aid of execution of judgment, execution of judgment or otherwise) with respect to itself or any of its property, the Company hereby irrevocably waives and agrees not to plead or claim such immunity in respect of its obligations under this Agreement or any other Loan Document.

10.13. Releases of Guarantees and Liens.

(a) The Administrative Agent and the Lenders irrevocably agree that the Lien on any property and any related guarantee obligations will be automatically released (i) (1) to the extent necessary to permit consummation of any transaction not prohibited by any Loan Document, (2) upon any sale or transfer of Collateral or any other transaction permitted or not prohibited hereunder or under the Loan Documents to any Person that is not a Loan Party, (3) to the extent property constituting Collateral is owned by any Guarantors, upon the release of such Guarantor from its obligations under the Guarantee Agreement or in accordance with the succeeding sentence, (4) so long as no Event of Default has occurred and is continuing, to the extent the Collateral becomes Excluded Assets or a Guarantor becomes an Excluded Subsidiary in a transaction permitted hereunder, the primary purpose of which transaction is not to effect the release of such Guarantor or any other Guarantor from its obligations under the Loan Documents, or a Guarantor ceases to be a Subsidiary in a transaction permitted hereunder or (5) that has been consented to in accordance with Section 10.1 and (ii) under the circumstances described in paragraph (b) below, in accordance with the provisions of Section 7.12(b), (f), (g) and (h) of the Collateral Agreement. Notwithstanding anything to the contrary contained herein or in any other Loan Document, the Administrative Agent and the Collateral Agent are hereby irrevocably authorized by each Lender (without requirement of notice to or consent of any Lender except as expressly required by Section 10.1) to take any action (without consent rights) requested by the Company (including to execute and deliver any instruments, documents, consents, acknowledgements, and agreements necessary or desirable to evidence or confirm the release of any Guarantor or Collateral pursuant to the foregoing provisions of this paragraph) having the effect of releasing any Collateral or Loan Party from its guarantee obligations.

(b) The Administrative Agent and the Lenders irrevocably agree that at such time as the Loans and the other obligations under the Loan Documents (other than obligations under or in respect of Lender Hedge Agreements, Lender Cash Management Obligations and contingent indemnity obligations not due and payable) shall have been paid in full and the Commitments have been terminated, the Collateral shall be automatically released from the Liens created by the Security Documents, and the Security Documents and all guarantees and other obligations (other than those expressly stated to survive such termination) of the Company and each Loan Party under the Security Documents shall automatically terminate, all without delivery of any instrument or performance of any act by any Person.

(c) The Administrative Agent and the Lenders irrevocably agree that Liens on assets of the Loan Parties created by the Loan Documents will be automatically terminated and released upon the transfer of such assets to a Foreign Subsidiary that is not a Loan Party pursuant to Section 7.5(q). The Administrative Agent and the Collateral Agent are hereby irrevocably authorized by each Lender (without requirement of notice to or consent of any Lender) to take any action (without consent rights) (including to execute and deliver any instruments, documents, consents, acknowledgements, and agreements necessary or desirable to evidence or confirm the release pursuant to the foregoing provisions of this paragraph) requested by the Company to effect any termination or release described in this paragraph (c).

10.14. Confidentiality. Each of the Administrative Agent and each Lender and each of their respective Affiliates agrees to keep confidential all information received by them in connection with the Transactions and the related transactions and information received from the Company relating to the Company or its business; provided that nothing herein shall prevent the Administrative Agent or any Lender from disclosing any such Information (a) to the Administrative Agent, any other Lender, any Affiliate of any Lender or any Lender Affiliate (provided that any such Lender Affiliate or Affiliate is advised of its obligation to retain such information as confidential, and such Administrative Agent or Lender shall be responsible for its Affiliates' and Lender Affiliates' compliance with this paragraph), (b) to any pledgee referred to in Section 10.6(g), any Transferee or prospective Transferee or any insurance or risk protection providers (provided that in no event shall any disclosure of such information be made to any person that is a Disqualified Lender as of the relevant time); provided that the disclosure of any such information to any such party (other than a Federal Reserve Bank or other central banking authority) shall be made subject to the acknowledgment and acceptance by such party that such information is being disseminated on a confidential basis or customary market standards for dissemination of such type of information, (c) to its employees, legal counsel, independent auditors, professionals and other experts or agents who are informed of the confidential nature thereof (provided that the Administrative Agent or Lender shall be responsible for compliance of such persons with this paragraph), (d) upon the request or demand of any Governmental Authority, including audits and examinations conducted by bank accountants, any governmental bank regulatory authority exercising examination or regulatory authority or self-regulatory authorities, in which case (except with respect to any audit or examination conducted by bank accountants or any governmental bank regulatory authority exercising examination or regulatory authority), such party will promptly notify the Company, in advance, to the extent permitted by law, (e) in response to any order of any court or other Governmental Authority or as may otherwise be required pursuant to any Requirement of Law in which case, such party will promptly notify the Company, in advance, to the extent permitted by law, (f) if requested or required to do so in connection with any litigation or similar proceeding in which case, such party will promptly notify the Company, in advance, to the extent permitted by law, (g) to the extent any such information becomes publicly available other than by reason of disclosure by such Administrative Agent or Lender or its Affiliates or representatives in breach of this Agreement; (h) to any nationally recognized rating agency that requires access to information about a Lender's investment portfolio in connection with ratings issued with respect to such Lender, (i) in connection with the exercise of any remedy hereunder or under any other Loan Document; provided that the disclosure of any such information to any such party shall be made subject to the acknowledgment and acceptance by such party that such information is being disseminated on a confidential basis or customary market standards for dissemination of such type of information, (j) to any direct, indirect, actual or prospective counterparty (and its advisor) to any swap, derivative or securitization transaction related to any obligations or any insurance or risk protection providers in respect thereof (so long as such party agrees to be bound by the provisions of this Section 10.14); provided that the disclosure of any such information to any such party shall be made subject to the acknowledgment and acceptance by such party that such information is being disseminated on a confidential basis or customary market standards for dissemination of such type of information, (k) to the CUSIP Service Bureau or any similar agency in connection with the issuance and monitoring of CUSIP numbers with respect to the Loans or (l) if agreed by the Company in its sole discretion, to any other Person; provided that no information shall be disclosed to a Disqualified Lender. The Administrative Agent, Arrangers and the Lenders may disclose the existence of this Agreement and information about this Agreement that is routinely provided by arrangers to such service providers to market data service providers (including league table providers) that serve the lending industry.

10.20. Conversion of Currencies.

(a) If, for the purpose of obtaining judgment in any court, it is necessary to convert a sum owing hereunder in one currency into another currency, each party hereto agrees, to the fullest extent that it may effectively do so, that the rate of exchange used shall be that at which, in accordance with normal banking procedures in the relevant jurisdiction, the first currency could be purchased with such other currency on the Business Day immediately preceding the day on which final judgment is given.

(b) The obligations of the Borrower in respect of any sum due to any party hereto or any holder of the obligations owing hereunder (the “**Applicable Creditor**”) shall, notwithstanding any judgment in a currency (the “**Judgment Currency**”) other than the currency in which such sum is stated to be due hereunder (the “**Agreement Currency**”), be discharged only to the extent that, on the Business Day following receipt by the Applicable Creditor of any sum adjudged to be so due in the Judgment Currency, the Applicable Creditor may in accordance with normal banking procedures in the relevant jurisdiction purchase the Agreement Currency with the Judgment Currency; if the amount of the Agreement Currency so purchased is less than the sum originally due to the Applicable Creditor in the Agreement Currency, the Borrower agrees, as a separate obligation and notwithstanding any such judgment, to indemnify the Applicable Creditor against such loss. The obligations of the Borrower contained in this Section 10.20 shall survive the termination of this Agreement and the payment of all other amounts owing hereunder.

10.21. Several Obligations. The respective obligations of the Lenders under this Agreement are several and not joint and no Lender shall be responsible for the failure of any other Lender to satisfy its obligations hereunder.

10.23. Acknowledgment Regarding Any Supported QFCs.

(a) To the extent that the Loan Documents provide support, through a guarantee or otherwise, for Hedging Agreements or any other agreement or instrument that is a QFC (such support, “**QFC Credit Support**” and each such QFC, a “**Supported QFC**”), the parties hereto acknowledge and agree as set forth in clause (b) below with respect to the resolution power of the Federal Deposit Insurance Corporation under the Federal Deposit Insurance Act and Title II of the Dodd-Frank Wall Street Reform and Consumer Protection Act (together with the regulations promulgated thereunder, the “**U.S. Special Resolution Regimes**”) in respect of such Supported QFC and QFC Credit Support (with the provisions below applicable notwithstanding that the Loan Documents and any Supported QFC may in fact be stated to be governed by the laws of the State of New York and/or of the United States or any other state of the United States).

(b) In the event a Covered Entity that is party to a Supported QFC (each, a “**Covered Party**”) becomes subject to a proceeding under a U.S. Special Resolution Regime, the transfer of such Supported QFC and the benefit of such QFC Credit Support (and any interest and obligation in or under such Supported QFC and such QFC Credit Support, and any rights in property securing such Supported QFC or such QFC Credit Support) from such Covered Party will be effective to the same extent as the transfer would be effective under the U.S. Special Resolution Regime if the Supported QFC and such QFC Credit Support (and any such interest, obligation and rights in property) were governed by the laws of the United States or a state of the United States. In the event a Covered Party or a BHC Act Affiliate of a Covered Party becomes subject to a proceeding under a U.S. Special Resolution Regime, Default Rights under the Loan Documents that might otherwise apply to such Supported QFC or any QFC Credit Support that may be exercised against such Covered Party are permitted to be exercised to no greater extent than such Default Rights could be exercised under the U.S. Special Resolution Regime if the Supported QFC and the Loan Documents were governed by the laws of the United States or a state of the United States. Without limitation of the foregoing, it is understood and agreed that rights and remedies of the parties with respect to a Defaulting Lender shall in no event affect the rights of any Covered Party with respect to a Supported QFC or any QFC Credit Support.
