FOR IMMEDIATE RELEASE

12 November 2026

RECOMMENDED ACQUISITION

OF

DIANOMI PLC

BY

TABOOLA EUROPE LIMITED

(a wholly-owned subsidiary of Taboola.com Ltd)

to be effected by means of a scheme of arrangement under Part 26 of the UK Companies Act 2006

Court Sanction of Scheme of Arrangement, issue of shares following the exercise of share options, notification and public disclosure of transactions by PDMRs/Directors, admission of new Dianomi Shares to trading on AIM and Rule 2.9 announcement

Further to the announcement made on 6 November 2026, Dianomi plc ("**Dianomi**") is pleased to announce that the Court has sanctioned the Scheme at the Scheme Court Hearing held earlier today.

The Scheme will become Effective upon the Scheme Court Order being delivered to the Registrar of Companies of England and Wales, which is expected to take place on 16 November 2026.

Full details of the Scheme are set out in the scheme document published on 14 October 2026 (the "**Scheme Document**"). Capitalised terms used in this announcement shall, unless otherwise defined, have the same meanings as set out in the Scheme Document. All references to times in this announcement are to London time unless otherwise stated.

Next Steps

The expected timetable of principal events for the implementation of the Scheme remains as set out in the announcement made by Dianomi in relation to the Scheme on 6 November 2026.

A request has been made for the suspension of trading of Dianomi Shares on AIM with effect from 7.30 a.m. on 16 November 2026. The last day of dealings in Dianomi Shares will therefore be 13 November 2026 and, once suspended, it is not expected that trading in Dianomi Shares will recommence.

It is expected that, subject to the Scheme becoming Effective on 16 November 2026, the cancellation of the admission to trading of Dianomi Shares on AIM will become effective from 7.00 a.m. on 17 November 2026.

A further announcement will be made when the Scheme has become Effective.

Exercise of options and admission to trading on AIM

In accordance with the proposals made by Taboola and Dianomi to participants under the Dianomi Share Plan in letters to them dated 14 October 2026 in accordance with Rule 15 of the Code (the "**Rule 15 Proposals**") and following the issue of the Scheme Court Order sanctioning the Scheme, outstanding 50p Options under the Dianomi Share Plans have vested and become unconditionally exercisable. Dianomi confirms that 912,017 Dianomi Shares will be allotted and issued to satisfy the exercise of the 50p Options held by those participants in the Dianomi Share Plans who, prior to the Scheme Court Hearing taking place, elected to exercise their 50p Options (such exercise having been conditional upon the Court issuing the Scheme Court Order) (the "**Option Shares**").

An application has been made to the London Stock Exchange for 912,017 Option Shares to be admitted to trading on AIM ("**Admission**") and it is expected that Admission will become effective on or around 8.00 a.m. on 13 November 2026.

The following Dianomi Directors and persons discharging managerial responsibilities ("**PDMRs**") were among the holders who conditionally exercised options in accordance with the Rule 15 Proposals (all of which, to the extent not already vested, vested automatically on Court sanction of the Scheme):

Director/PDMRs	**Number of Option Shares**	**Total Holding**	**% Holding in enlarged Issued Share Capital**
Charlotte Stranner	131,868	151,868	0.49
Michael Smith	85,852	620,119	2.00
Paul Hughes	68,681	499,590	1.61
Julian Peterson	63,874	63,874	0.21
Total	**350,275**	**1,335,451**	**4.31**

Notifications by the Dianomi Directors in accordance with the Market Abuse Regulation (EU) No.596/2014, as it forms part of the laws of the United Kingdom from time to time, are set out in the Appendix to this announcement.

Rule 2.9 of the Takeover Code

In accordance with Rule 2.9 of the Takeover Code, Dianomi confirms that, following Admission, Dianomi will have in issue 30,939,988 Dianomi Shares with no Dianomi Shares held in treasury. Therefore, the total number of voting rights in Dianomi will be 30,939,988. The ISIN reference for the Ordinary Shares is GB00BLH32M40.

If any of the dates and/or times set out in the expected timetable change, Dianomi will notify Dianomi Shareholders of the revised dates and/or times by announcement through a Regulatory Information Service and the announcement(s) will also be made available on Dianomi's website at https://www.dianomi.com/for-investors/ and on Taboola's investor relations website at https://investors.taboola.com/.

Notices to US investors in Dianomi

The Acquisition relates to the shares of a company incorporated in England and Wales admitted to trading on AIM and is proposed to be effected by means of a scheme of arrangement under English law. Neither the US proxy solicitation rules nor (unless implemented by means of an offer) the tender offer rules under the US Exchange Act will apply to the Acquisition. Accordingly, the Scheme will be subject to the disclosure requirements and practices applicable to the United Kingdom and under the Code to schemes of arrangement, which differ from the disclosure requirements of the US proxy solicitation rules and tender offer rules. Neither the SEC, nor any securities commission of any state of the United States, has approved the Acquisition, passed upon the fairness of the Acquisition or passed upon the adequacy or accuracy of this announcement. Any representation to the contrary is a criminal offence in the United States. Financial information relating to Dianomi included in this announcement has been or will have been prepared in accordance with accounting standards applicable in the United Kingdom that may not be comparable to financial information of US companies or companies whose financial statements are prepared in accordance with generally accepted accounting principles in the United States.

Any Contingent Consideration Units or Loan Notes issued under the Scheme have not been and will not be registered under the US Securities Act, or under any laws of any securities regulatory authority of any state of the United States, and may not be offered or sold in the United States absent registration or pursuant to an exemption from the registration requirements of the US Securities Act. This announcement shall not constitute an offer to sell or the solicitation of an offer to buy, nor shall there be any sale of Contingent Consideration Units or Loan Notes (if any) in the United States. The Contingent Consideration Units are expected to be issued in reliance upon the exemption from the registration requirements of the US Securities Act provided by Section 3(a)(10) thereof. The Loan Notes (if any) issued to CCU Holders in exchange for such Contingent Consideration Units issued pursuant to the Scheme are expected to be issued in reliance upon the exemption from the registration requirements under the US Securities Act provided by Section 3(a)(9) thereof.

The receipt of cash and/or Contingent Consideration Units (if any) and/or Loan Notes (if any) by a beneficial owner of Dianomi Shares pursuant to the Acquisition as consideration for the transfer of its Scheme Shares pursuant to the Scheme may be a taxable Acquisition for United States federal income tax purposes and may also be a taxable Acquisition under other applicable tax laws, including any applicable United States state and local, as well as non-US, tax laws. Each Dianomi Shareholder is urged to consult its independent professional adviser immediately regarding the tax consequences to it (or to its beneficial owners) of the Acquisition.

Dianomi and Bidco are organised under the laws of England and Wales and Taboola is organised under the laws of Israel. Some of the officers and directors of Dianomi, Taboola and Bidco are residents of countries other than the United States and the majority of the assets of Dianomi are located outside of the United States and a significant amount of Taboola's assets are located outside the United States. As a result, it may not be possible to effect service of process within the United States upon Dianomi, Taboola, Bidco or any of their respective officers or directors,

or to enforce outside the United States judgments obtained against Dianomi, Taboola, Bidco or any of their respective officers or directors in US courts, including, without limitation, judgments based upon the civil liability provisions of the US federal securities laws or the laws of any state or territory within the United States.

Forward-looking statements

This announcement (including information incorporated by reference in this announcement), oral statements made regarding the Acquisition and the Scheme, and any other information published by Dianomi, Taboola and Bidco contain statements which are, or may be deemed to be, "forward-looking statements". Such forward-looking statements are prospective in nature and are not based on historical facts, but rather on current expectations and on numerous assumptions regarding the business strategies and the environment in which the Taboola Group or the Enlarged Group will operate in the future and are subject to risks and uncertainties that could cause actual results to differ materially from those expressed or implied by those statements. The forward-looking statements contained in this announcement relate to the Taboola Group's or the Enlarged Group's future prospects, developments and business strategies, the expected timing and scope of the Acquisition and other statements other than historical facts. In some cases, these forward-looking statements can be identified by the use of forward-looking terminology, including the terms "believes", "estimates", "will look to", "would look to", "plans", "prepares", "anticipates", "expects", "is expected to", "is subject to", "budget", "scheduled", "forecasts", "synergy", "strategy", "goal", "cost-saving", "projects", "intends", "may", "will" or "should" or their negatives or other variations or comparable terminology.

By their nature, forward-looking statements involve risk and uncertainty because they relate to events and depend on circumstances that will occur in the future. These events and circumstances include changes in the global, political, economic, business, competitive, market and regulatory forces, future exchange and interest rates, changes in tax rates and future business combinations or disposals. If any one or more of these risks or uncertainties materialises or if any one or more of the assumptions prove incorrect, actual results may differ materially from those expected, estimated or projected. Such forward-looking statements should therefore be construed in the light of such factors. Specifically, any statements of cost savings and synergies relate to future actions and circumstances which, by their nature, involve risks, uncertainties and contingencies. As a result, any cost savings and synergies referred to may not be achieved, may be achieved later or sooner than estimated, or those achieved could be materially different from those estimated.

None of Taboola, Bidco or Dianomi, nor any of their respective associates or directors, officers or advisers, provides any representation, assurance or guarantee that the occurrence of the events expressed or implied in any forward-looking statements in this announcement will actually occur. Given these risks and uncertainties, Dianomi Shareholders and potential investors should not place any reliance on forward-looking statements. The forward-looking statements speak only at the date of this announcement. All subsequent oral or written forward-looking statements attributable to any member of the Taboola Group or Dianomi Group, or any of their respective associates, directors, officers, employees or advisers, are expressly qualified in their entirety by the cautionary statement above. Dianomi, Taboola and Bidco expressly disclaim any obligation to update such statements other than as required by law or by the rules of any competent regulatory authority, whether as a result of new information, future events or otherwise.

No profit forecasts or estimates

No statement in this announcement is intended as a profit forecast or profit estimate or quantified financial benefit statement for any period and no statement in this announcement should be interpreted to mean that earnings or earnings per share for Dianomi or Taboola, as appropriate, for the current or future financial years would necessarily match or exceed the historical published earnings or earnings per share for Dianomi or Taboola, as appropriate, or to mean that the Enlarged Group’s earnings in the first 12 months following the Acquisition, or in any subsequent period, would necessarily match or be greater than those of Dianomi or Taboola for the relevant preceding financial period or any other period.

Disclosure requirements

Under Rule 8.3(a) of the Code, any person who is interested in one per cent. or more of any class of relevant securities of an offeree company or of any securities exchange offeror (being any offeror other than an offeror in respect of which it has been announced that its offer is, or is likely to be, solely in cash) must make an Opening Position Disclosure following the commencement of the offer period and, if later, following the announcement in

which any securities exchange offeror is first identified.

An Opening Position Disclosure must contain details of the person's interests and short positions in, and rights to subscribe for, any relevant securities of each of (i) the offeree company and (ii) any securities exchange offeror(s). An Opening Position Disclosure by a person to whom Rule 8.3(a) applies must be made by no later than 3.30 p.m. (London time) on the 10th Business Day following the commencement of the offer period and, if appropriate, by no later than 3.30 p.m. (London time) on the 10th Business Day following the announcement in which any securities exchange offeror is first identified. Relevant persons who deal in the relevant securities of the offeree company or of a securities exchange offeror prior to the deadline for making an Opening Position Disclosure must instead make a Dealing Disclosure.

Under Rule 8.3(b) of the Code, any person who is, or becomes, interested in one per cent. or more of any class of relevant securities of the offeree company or of any securities exchange offeror must make a Dealing Disclosure if the person deals in any relevant securities of the offeree company or of any securities exchange offeror. A Dealing Disclosure must contain details of the dealing concerned and of the person's interests and short positions in, and rights to subscribe for, any relevant securities of each of (i) the offeree company and (ii) any securities exchange offeror, save to the extent that these details have previously been disclosed under Rule 8. A Dealing Disclosure by a person to whom Rule 8.3(b) applies must be made by no later than 3.30 p.m. (London time) on the Business Day following the date of the relevant dealing.

If two or more persons act together pursuant to an agreement or understanding, whether formal or informal, to acquire or control an interest in relevant securities of an offeree company or a securities exchange offeror, they will be deemed to be a single person for the purpose of Rule 8.3.

Opening Position Disclosures must also be made by the offeree company and by any offeror and Dealing Disclosures must also be made by the offeree company, by any offeror and by any persons acting in concert with any of them (see Rules 8.1, 8.2 and 8.4 of the Code).

Details of the offeree and offeror companies in respect of whose relevant securities Opening Position Disclosures and Dealing Disclosures must be made can be found in the Disclosure Table on the Panel's website at www.thetakeoverpanel.org.uk, including details of the number of relevant securities in issue, when the offer period commenced and when any offeror was first identified. You should contact the Panel's Market Surveillance Unit on +44 (0)20 7638 0129 if you are in any doubt as to whether you are required to make an Opening Position Disclosure or a Dealing Disclosure.
