provided that each requirement of this Clause 3.5 shall be subject always to the provisions of Clauses 3.1 and 3.6.

3.6. If a provision of this Agreement obliges a party (the “**Disclosing Party**”) to disclose any information to the other:

- (a) which the Disclosing Party reasonably considers to be commercially or competitively sensitive or confidential information related to its business or that of any member of the Taboola Group or the Dianomi Group (as applicable) which is not relevant to the Acquisition or any Clearance;
- (b) that is personally identifiable information of a director, officer or employee of the Disclosing Party or any member of the Taboola Group or the Dianomi Group (as applicable) which cannot be reasonably anonymised so as to be provided on an anonymous basis;
- (c) which the Disclosing Party is prohibited from disclosing by Law or a Relevant Authority;
- (d) where such disclosure would result in the loss of privilege that subsists in relation to such information (including legal professional privilege); or
- (e) in circumstances that would result in that party being in breach of a contractual obligation,

the Disclosing Party shall to the extent permitted by Law disclose the relevant information:

- (i) to the other pursuant to a clean team arrangement in place between the parties from time to time;
- (ii) where a clean team arrangement is not reasonably possible, on an “external counsel only” basis pursuant to appropriate arrangements as may be agreed between the parties to ensure compliance with Competition Law; or
- (iii) where disclosure in a manner contemplated by this Clause 3 would reasonably be expected to have an adverse effect on the disclosing party’s legitimate business interests, directly to a Relevant Authority (and in such circumstances, the Disclosing Party shall provide to the other a non-confidential version of such information).

- 3.7. Each party undertakes to keep the other informed promptly of: (a) developments which are material or reasonably likely to be material to the obtaining of a Clearance; and (b) the satisfaction of the Regulatory Conditions. Bidco shall give notice in writing to Dianomi of the satisfaction or, if applicable, the non-satisfaction of a Regulatory Condition as soon as reasonably practicable and in any event within one Business Day of becoming aware of the same.
- 3.8. Without prejudice to Clause 3.7, if Bidco is or becomes aware of any material fact, matter or circumstance that would allow any of the Conditions to be invoked, it shall inform Dianomi as soon as reasonably practicable and Bidco agrees that if it intends to seek the consent of the Panel to invoke a Condition it will, prior to approaching the Panel, notify Dianomi of its intention and provide Dianomi with reasonable details of the grounds on which it intends to invoke the relevant Condition. Dianomi acknowledges the statements made in paragraph 14 of the Announcement regarding the CMA Condition and the materiality of the CMA Condition to Taboola and Bidco.
- 3.9. To the extent that the parties provide each other with any information, assistance and/or access to senior management for the purposes of preparing for the integration of the businesses of the Taboola Group and the Dianomi Group after the Effective Date, any competitively sensitive information shall be provided pursuant to appropriate arrangements as may be agreed between the parties.
- 3.10. Notwithstanding any other provision of this Agreement to the contrary, nothing contained in this Agreement shall require Bidco, any member of the Taboola Group or any person acting in concert or deemed to be acting in concert with any of them to:
- (a) offer, assume, agree to, undertake to, or comply with any Remedy as a condition to obtaining any Clearances or satisfaction of any of the Regulatory Conditions of any nature whatsoever;
 - (b) divest, sell, hold separate, licence, or otherwise dispose of, or agree to any condition to or limitation on the operation of, any of their existing assets or businesses or any combination thereof; or
 - (c) waive or treat as satisfied any Regulatory Conditions which Bidco is entitled, with the permission of the Panel, to invoke.

- 3.11. Notwithstanding Clause 17, Bidco shall pay or procure payment of any filing, administrative or other merger notice fees, costs (other than professional costs) and expenses payable in relation to obtaining the Clearances and satisfying the Regulatory Conditions and shall be solely responsible and liable for such fees unless such fees, costs and expenses are payable by Dianomi as specified by applicable local Law, in which case Bidco shall, on demand, promptly reimburse Dianomi for such fees, costs and expenses.

4. **SCHEME CIRCULAR**

- 4.1. Subject to Clause 3.6, if the Acquisition is being implemented by means of the Scheme, Bidco agrees:

- (a) to promptly provide Dianomi (and/or its legal advisers) all such information about itself, its directors and the Taboola Group (and, to the extent required by the Panel, any other person connected with Bidco) as may be reasonably requested and which is required by Dianomi (having regard to the Code and other Law) for the purpose of inclusion in the Scheme Circular (including any information required under the Code or other applicable Law);
- (b) to promptly provide Dianomi with all other assistance and access which may reasonably be required for the preparation of the Scheme Circular and any other document required under the Code or by other applicable Law to be published in connection with the Scheme, including access to, and ensuring that reasonable assistance is provided by the relevant Personnel of Bidco; and
- (c) to procure that the Bidco Directors and any other person connected with Bidco and/or Taboola Group required under the Code, accept responsibility, in the terms required by the Code, for all of the information (including any expressions of belief, expectation or opinion) in the Scheme Circular and any other document required under the Code or by any other applicable Law to be published in relation to the Scheme relating to:
 - (i) themselves (and members of their immediate families, related trusts and persons connected with them), the Taboola Group, the financing of the Acquisition;
 - (ii) information on Bidco's future plans for the Dianomi Group, its management and employees;
 - (iii) any statements of opinion, belief, intention, or expectation of the Bidco Directors in relation to the Acquisition or the enlarged Taboola Group following the Effective Date; and
 - (iv) any other information in the Scheme Circular for which Bidco Directors are required to accept responsibility under the Code.

- 4.2. Bidco agrees to take reasonable steps to correct any information provided by it or on its behalf for use in the Scheme Circular and any supplement or other document required under the Code to be published in connection with the Acquisition to the extent that it has become aware that any such information has become false or misleading, and to notify Dianomi as soon as reasonably practicable upon Bidco becoming aware that such information has become false or misleading.

5. **IMPLEMENTATION OF THE SCHEME**

- 5.1. Without prejudice to and save in respect of its obligations under Clause 3.2 and the provisions of Clause 6, Bidco shall cooperate with Dianomi and its advisers and take or cause to be taken all such steps as are permissible by the Code and Law and are within its power that are necessary or reasonably requested by Dianomi to implement the Acquisition in accordance with, and subject to, the terms and conditions (including the Conditions) of the Acquisition set out in this Agreement, the Announcement and the Scheme Circular (or, following an Agreed Switch, the Offer Document).
- 5.2. Where the Acquisition is being implemented by way of the Scheme and unless the Panel consents otherwise, Bidco undertakes that, by no later than 11.59 p.m. on the Business Day immediately before the Scheme Court Hearing, it shall deliver a notice in writing to Dianomi either:
- (a) confirming the satisfaction or waiver of all Conditions (other than the Scheme Conditions); or
 - (b) confirming its intention to invoke one or more of the Conditions (if permitted by the Panel) and providing details of the event which has occurred, or circumstances which have arisen, which Bidco reasonably considers entitle it to invoke the Condition(s) (including why Bidco considers such event or circumstance to be sufficiently material for the Panel to permit it to invoke such Condition(s)).
- 5.3. Where the Acquisition is being implemented by way of the Scheme, and unless the Panel consents otherwise, Bidco shall instruct counsel to appear on its behalf at the Scheme Court Hearing and undertake on its behalf to the Court to be bound by the terms of the Scheme in so far as it relates to Bidco, subject to and to the extent that all the Conditions (other than the Conditions set out in paragraphs 1 and 2(c) of Part 1 of Appendix I of the Announcement) have been satisfied or waived prior to or on the date of the Scheme Court Hearing.

6. **SWITCHING TO A TAKEOVER OFFER**

- 6.1. Bidco shall have the right in accordance with the terms of this Agreement, with the consent of the Panel (if required), whether before or after posting of the Scheme Circular, to elect at any time to implement the Acquisition by way of a Takeover Offer rather than the Scheme (any such election being a “**Switch**”) if:
- (a) Dianomi provides its prior written consent;
 - (b) a third party announces (i) a possible offer under Rule 2.4 of the Code; or (ii) a firm intention to make an offer under Rule 2.7 of the Code (whether or not subject to the satisfaction or waiver of any conditions or pre-conditions as allowed under the Code), in each case for the issued and to be issued ordinary share capital of Dianomi; or
 - (c) a Dianomi Adverse Board Recommendation Change occurs.
- 6.2. In the event of any Agreed Switch, unless otherwise agreed with Dianomi or required by the Panel, the parties agree that:
- (a) Bidco shall:

- (i) promptly discuss any material announcements relating to the Agreed Switch and its implementation and any material proposed changes to the timetable in relation to the implementation of the Agreed Switch with Dianomi;
 - (ii) as soon as reasonably practicable, prepare the Offer Document and related form of acceptance;
 - (iii) consult with, and take into account any reasonable comments from or on behalf of, Dianomi as to the timing of the publication of the Offer Document and the form of acceptance and provide Dianomi with a reasonable opportunity to consider the draft documentation for review and comment; and
 - (iv) consult with Dianomi as to the form and content of the Offer Document and the form of acceptance;
- (b) the Acceptance Condition shall be set at ninety (90) per cent. of the Dianomi Shares to which the Takeover Offer relates (or such lesser percentage as Bidco may decide after, to the extent necessary, consultation with the Panel, being in any case more than fifty (50) per cent. of the Dianomi Shares);
- (c) Bidco shall not, and shall procure that no member of the Taboola Group shall, take any action (including publishing an acceptance condition invocation notice (as defined in Rule 31.6 of the Code)) which would cause the Takeover Offer not to proceed, to lapse or to be withdrawn in each case for non-fulfilment of the Acceptance Condition prior to the last date permitted under Rule 31.1 of the Code (or extended in accordance with Rule 31.3 of the Code and Notes on that Rule) for the Takeover Offer to become or be declared unconditional as to acceptances (“**Day 60**”) and Bidco shall ensure that the Takeover Offer remains open for acceptances until such time;
- (d) Bidco shall not, without the prior consent of Dianomi, declare the Takeover Offer unconditional as to acceptances prior to Day 60, unless all of the remaining Conditions either: (i) have been satisfied or waived (if capable of waiver); or (ii) are reasonably expected to be satisfied or waived (if capable of waiver) prior to Day 60;
- (e) if at any time following publication of the Offer Document it is reasonably expected (as determined by Bidco) that any outstanding Regulatory Condition is not likely to be satisfied or waived (if capable of waiver) prior to the last date permitted under Rule 31.1 of the Code, before the 30th day after publication of the Offer Document (or such later date as Dianomi and Bidco may agree), Bidco shall consult with Dianomi and the Panel as to whether the offer timetable should be suspended in accordance with Rule 31.4 or (if Day 39 has passed) an extension to Day 60 should be sought and, if so, seek the consent of the Panel to extend Day 60 to a date agreed with Dianomi and the Panel which, in the reasonable opinion of Bidco, allows sufficient time for satisfaction of the relevant Regulatory Conditions, provided always that such date shall not be longer than the Long Stop Date;
- (f) Bidco shall not, without the prior written consent of Dianomi, make any acceleration statement (as defined in the Code) unless:
 - (i) all the Conditions (other than the Acceptance Condition) have been satisfied or waived (if capable of waiver);

- (ii) the acceleration statement (as defined in the Code) contains no right for Bidco to set the statement aside (except with Dianomi consent); and
 - (iii) Bidco undertakes to Dianomi not to take any action or step otherwise to set the acceleration statement aside;
 - (g) Bidco shall ensure that the Takeover Offer is made on terms that are no less favourable than those set out in the Announcement and the only conditions of the Takeover Offer shall be the Conditions (subject to replacing the Scheme Conditions with the Acceptance Condition) unless Bidco and Dianomi agree otherwise in writing or with any modifications or amendments to such terms and Conditions as may be required by the Panel or which are otherwise necessary as a result of the Agreed Switch; and
 - (h) Bidco shall keep Dianomi informed, on a regular and confidential basis and in any event within two (2) Business Days following receipt of a written request from Dianomi, of the number of holders of Dianomi Shares that have validly returned their acceptance or withdrawal forms or incorrectly completed their acceptance or withdrawal forms, the identity of such shareholders and the number of Dianomi Shares to which such forms relate.
- 6.3. In the event of any Agreed Switch, the parties agree all of the provisions of this Agreement relating to the Scheme, the Scheme Circular and the implementation of the Scheme shall apply to the Takeover Offer, the Offer Document and the implementation of the Takeover Offer *mutatis mutandis* save as set out in this Clause 6.

7. SHARE PLANS

- 7.1. The parties agree that the provisions of Schedule 1 (Share Plans) with respect to certain employee-related matters shall be implemented in accordance with that Schedule.

8. DIRECTORS' AND OFFICERS' INSURANCE

- 8.1. If and to the extent such obligations are permitted by applicable Law, for six (6) years after the Effective Date, Bidco shall procure that the members of the Dianomi Group honour and fulfil their respective obligations (if any) existing as at the date of this Agreement to indemnify their respective directors and officers and to advance reasonable expenses, and to provide such reasonable assistance to the current and former directors and officers of Dianomi as may be required to the extent they need to make a claim against the existing Dianomi directors' and officers' insurance policy (including any associated run-off cover), in each case with respect to matters existing or occurring at or prior to the Effective Date.
- 8.2. Bidco acknowledges that, prior to the Effective Date, Dianomi may purchase directors' and officers' liability insurance cover for both current and former directors and officers of the Dianomi Group, including directors and officers of Dianomi at the date hereof who retire or whose employment is terminated on or prior to the Effective Date as a result of the Acquisition, for acts and omissions up to and including the Effective Date, in the form of runoff cover for a period of six (6) years following the Effective Date. Such insurance cover shall be with reputable insurers for an aggregate limit commensurate with the Dianomi Group's existing policies and provide cover, in terms of amount and breadth, substantially equivalent as that provided under the Dianomi Group's directors' and officers' liability insurance as at the date of this Agreement.

9. **CODE QUALIFICATIONS**

- 9.1. Nothing in this Agreement shall in any way limit the parties' obligations under the Code, and any uncontested rulings of the Panel as to the application of the Code in conflict with the terms of this Agreement shall take precedence over the terms of this Agreement.
- 9.2. Nothing in this Agreement shall oblige:
 - (a) Dianomi or the Dianomi Directors to recommend a Takeover Offer or a Scheme proposed by Bidco or any member of the Taboola Group; or
 - (b) Dianomi to take any action which the Panel determines would not be permitted by Rule 21.2 of the Code.
- 9.3. The parties agree that, if the Panel determines that any provision of this Agreement that requires Dianomi to take or not to take action, whether as a direct obligation or as a condition to any other person's obligation (however expressed), is not permitted by Rule 21.2 of the Code, that provision shall have no effect and shall be disregarded.
- 9.4. Nothing in this Agreement shall be taken to restrict the directors of any member of the Dianomi Group or the Taboola Group from complying with applicable Law, including the Code, the AIM Rules and the rules and regulations of the Panel and the FCA.

10. **TERMINATION**

- 10.1. Subject to Clauses 10.2 and 10.3, this Agreement shall terminate with immediate effect and all rights and obligations of the parties under this Agreement shall cease, as follows:
 - (a) if agreed in writing between the parties at any time prior to the Effective Date;
 - (b) if the Announcement is not released by 5:00 p.m. on 18 September 2026 (unless, prior to that time, the parties have agreed another time in accordance with Clause 2.1);
 - (c) upon service of written notice by Bidco to Dianomi, if one or more of the following occurs:
 - (i) the Scheme Circular (or Offer Document, as the case may be) and (if different) the document convening the General Meeting does not include the Dianomi Board Recommendation, or Dianomi makes an announcement prior to the publication of such document(s) that: (A) the Dianomi Directors no longer intend to make such recommendation or intend adversely to modify or qualify such recommendation; (B) it will not convene the Scheme Court Meeting or the General Meeting; or (C) it does not intend to post the Scheme Circular or (if different) the document convening the General Meeting;
 - (ii) the Dianomi Directors otherwise withdraw, adversely modify, or adversely qualify the Dianomi Board Recommendation;
 - (iii) if the Acquisition is being implemented by way of Scheme and:
 - (A) the Scheme Court Meeting or the General Meeting are not held on or before the 22nd day after the expected day of the Scheme Court Meeting as set out in the Scheme Circular (or such later date, if any, (I) as may be agreed in writing between the parties, or (II) (in a competitive

situation) as may be specified by Bidco with the consent of the Panel, and in each case that (if so required) the Court may allow); or

- (B) the Scheme Court Hearing is not held on or before the 22nd day after the expected day of the Scheme Court Hearing as set out in the Scheme Circular (or such later date, if any, (I) as may be agreed in writing between the parties, or (II) (in a competitive situation) as may be specified by Bidco with the consent of the Panel, and in each case that (if so required) the court may allow); or

(iv) a Competing Proposal:

- (A) is recommended in whole or part by the Dianomi Directors; or

- (B) completes, becomes effective or is declared or becomes unconditional in all respects;

(d) upon service of written notice by Bidco to Dianomi prior to the Long Stop Date stating that either:

- (i) any Condition which has not been waived is (or has become) considered by Bidco (acting reasonably) as incapable of satisfaction by the Long Stop Date and, notwithstanding that Bidco has the right to waive such Condition, Bidco (acting reasonably) will not do so; or

- (ii) any Condition which is incapable of waiver is considered by Bidco (acting reasonably) incapable of satisfaction by the Long Stop Date,

in each case in circumstances where the invocation of the relevant Condition (or confirmation that the Condition is incapable of satisfaction, as appropriate) is permitted by the Panel;

(e) upon service of written notice by either party to the other party if the Resolutions are not passed at either or both of the Scheme Court Meeting or the General Meeting;

(f) if the Acquisition is, with the permission of the Panel (if required), withdrawn or lapses or terminates in accordance with its terms prior to the Long Stop Date (other than where: (i) such lapse, withdrawal or termination is as a result of the exercise of Bidco's right to effect an Agreed Switch; or (ii) it is otherwise to be followed within five (5) Business Days by an announcement under Rule 2.7 of the Code made by Bidco or a person acting in concert with Bidco to implement the Acquisition by a different offer or scheme on substantially the same or improved terms and which is (or intended to be) recommended by the Dianomi Board);

(g) unless otherwise agreed by the parties in writing or requested by the Panel, if the Effective Date has not occurred on or before the Long Stop Date; or

(h) on the Effective Date.

10.2. Termination of this Agreement shall be without prejudice to the rights of either party which have arisen at or prior to termination, including any claim in respect of breach of this Agreement.

10.3. The following provisions shall survive termination of this Agreement:

- (a) Clause 7.1, Clause 8 and Schedule 1 (but only in circumstances where this Agreement is terminated on or after the Effective Date, subject to any amendment as may be agreed in writing by the parties as at the date of such termination in such circumstances);
- (b) this Clause 10.3;
- (c) Clauses 12 to 24 (inclusive); and
- (d) in respect of sub-Clauses (a) to (c), all related provisions of Clause 1.

11. WARRANTIES

11.1. Each party warrants to the other on the date of this Agreement that:

- (a) it has the requisite power and authority to enter into and perform its obligations under this Agreement;
- (b) this Agreement constitutes its legal, valid, and binding obligations in accordance with its terms; and
- (c) the execution and delivery of, and performance of its obligations under, this Agreement will not:

 - (iii) result in a breach of any order, judgment or decree of any court or governmental agency to which it is a party or by which it is bound.

11.2. No party shall have any claim against the other party pursuant to Clause 11.1 for breach of warranty after the Effective Date (without prejudice to any liability for fraud, fraudulent misrepresentation or fraudulent misstatement).

11.3. Bidco acknowledges and agrees on its own behalf and on behalf of the Taboola Group, (each such person being a “**Relevant Person**”) that any information and/or assistance provided by any of the Dianomi Directors or officers, employees or advisers of or to Dianomi (each a “**Dianomi Representative**”) to any Relevant Person or any of their respective directors, officers, employees, partners, consultants, contractors or advisers, whether before, on or after the date of this Agreement:

- (a) pursuant to the obligations of Dianomi or any member of the Dianomi Group under or otherwise in connection with this Agreement; or
- (b) in connection with the Acquisition,

shall in each case be (and have been) given on the basis that the relevant Dianomi Representative shall not incur any liability, nor owe any duty of care in connection with the Acquisition to any Relevant Person or any of their respective directors, officers, employees, partners, consultants, contractors or advisers in respect of any loss or damage that any Relevant Person or any of their respective directors, officers, employees, partners,

consultants, contractors or advisers may suffer as a result of the provision of any such information and/or assistance (save, in each case, for loss or damage resulting from the fraud, fraudulent misrepresentation or fraudulent misstatement of the relevant Dianomi Representative).

13.2. If and to the extent that any provision of this Agreement (or part of a provision) is found by any court or administrative body of competent jurisdiction to be invalid, unenforceable, or illegal in any respect:

- (a) but would be valid, enforceable, or legal if some part of it were modified or deleted, the provision shall apply with the minimum modification or deletion necessary to make it valid and enforceable to give effect to the commercial intention of the parties; and
- (b) if and to the extent that it is not possible to modify or delete such provision in accordance with Clause 13.2(a), then such provision or part of it shall, if and to the extent that it is illegal, invalid or unenforceable, be deemed not to form part of this Agreement, and

neither the validity, enforceability, or legality of the remaining provisions of this Agreement, nor the validity, enforceability, or legality of that provision under the Law of any other jurisdiction, shall in any way be affected or impaired as a result of this Clause 13.

14. **ENTIRE AGREEMENT**

- 14.1. Without prejudice to the terms of the Announcement, the Scheme Circular or the Offer Document, this Agreement and the Confidentiality Agreement (each of which remain in force) together set out the entire agreement between the parties relating to the Acquisition and supersede any previous draft, agreement, arrangement or understanding, whether written or oral, between the parties in relation to the Acquisition.
- 14.2. Except in the case of fraud or fraudulent misrepresentation, each party acknowledges that it is entering into this Agreement in reliance upon only this Agreement and that it is not relying upon any pre-contractual statement that is not set out in this Agreement.
- 14.3. Except in the case of fraud or fraudulent misrepresentation, no party shall have any right of action (including those in tort or arising under statute) against another party to this Agreement arising out of or in connection with any pre-contractual statement except to the extent that it is repeated in this Agreement.
- 14.4. For the purposes of this Clause 14, pre-contractual statement means any draft, agreement, undertaking, representation, warranty, promise, assurance, or arrangement of any nature whatsoever, whether or not in writing, relating to the subject matter of this Agreement made or given by any person at any time before the date of this Agreement.
- 14.5. Nothing in this Agreement shall limit any liability (or remedy in respect of) fraud or fraudulent misrepresentation.

15. **THIRD PARTY RIGHTS**

- 15.1. Clause 8 (the “**Third Party Provisions**”) is intended to confer benefits on and be enforceable by the third parties referred to therein (the “**Relevant Third Parties**”) under the Contracts (Rights of Third Parties) Act 1999. The parties shall not require the consent of any person (including any Relevant Third Parties) other than the parties to this Agreement to vary or amend this Agreement, except for any variation or amendment of the Third Party Provisions on or following the Effective Date, which shall require the consent of the Relevant Third Party. This right is subject to: (a) the rights of the parties to rescind or vary this Agreement without the consent of any other person; and (b) the other terms and conditions of this Agreement.
- 15.2. Except as specified in Clause 15.1, a person who is not a party to this Agreement shall have no right under the Contracts (Rights of Third Parties) Act 1999 or otherwise to enforce any of its terms.

16. **ASSIGNMENT**

No party shall be entitled to assign (whether absolutely or by way of security and whether in whole or in part), transfer, mortgage, charge, declare itself a trustee for a third party of, or otherwise dispose of (in any manner whatsoever) the benefit of this Agreement (or any part of it), sub-contract or delegate in any manner whatsoever its performance under this Agreement or grant, declare, create or dispose of any right or interest in it without the prior written consent of the other party and any action in contravention of this Clause 16 shall be ineffective.

17. COSTS AND EXPENSES

Except as otherwise provided in this Agreement, all Costs in connection with the negotiation, preparation, execution and performance of this Agreement and any matters contemplated by it shall be borne by the party that incurred the Costs.

18. LANGUAGE

Each language of communication under or in connection with this Agreement shall be in English.

19. WAIVERS, RIGHTS AND REMEDIES

19.1. The rights, powers and remedies provided for in this Agreement are cumulative and not exclusive of any rights, powers, or remedies, whether provided by Law or otherwise.

19.2. No failure to exercise, or delay in exercising, any right, power, or remedy under this Agreement or provided by Law shall affect that right, power or remedy or operate as a waiver of the right, power, or remedy. The single or partial exercise of any right under this Agreement or provided by Law shall not preclude any further exercise of it.

19.3. Without prejudice to any other rights, powers or remedies that the other party may have, each party acknowledges and agrees that damages may not be an adequate remedy for any breach or threatened breach by it of this Agreement and that accordingly the other party may be entitled, without proof of special damages, to the remedies of injunction, specific performance or other equitable relief for any threatened or actual breach of this Agreement by any party and no proof of special damages shall be necessary for the enforcement by any party of the rights under this Agreement (without prejudice to any right to assert that there has been no breach of the terms of this Agreement).

20. NO PARTNERSHIP

Nothing in this Agreement and no action by the parties under this Agreement shall constitute a partnership, joint venture, or agency relationship between the parties. A party has no authority or power to bind, to contract in the name of, or to create a liability for another party in any way or for any purpose by virtue of this Agreement.

21. FURTHER ASSURANCE

At its own Cost, each party shall, and shall procure that any member of the Taboola Group or Dianomi Group (as applicable) shall do and execute and perform all such further deeds, documents, assurances, acts and things as may reasonably be required to give effect to this Agreement.

22. COUNTERPARTS

22.1. This Agreement may be executed in any number of counterparts, and by the parties on separate counterparts, but shall not be effective until each party has executed at least one counterpart. Each counterpart shall constitute an original, and all the counterparts shall together constitute one and the same document and have the same effect as if each party had signed the same document. The expression "counterpart" shall include any executed copy of this Agreement transmitted electronically in pdf or other readable electronic format. Delivery

of a counterpart of this Agreement by email attachment or telecopy will be an effective mode of delivery.

- 22.2. Each party expressly consents to the electronic execution of this Agreement and to the retention and use of the executed document as an electronic original. Each party also confirms that any electronic signature inserted on this Agreement by (or on behalf of) such party was inserted by the relevant signatory for the purpose of signing and authenticating this Agreement.

23. VARIATION

- 23.1. No variation or amendment or modification of this Agreement shall be valid unless it is in writing and duly executed by or on behalf of all of the parties to it.

- 23.2. If this Agreement is varied:

- (a) the variation shall not constitute a general waiver of any provisions of this Agreement;
- (b) the variation shall not affect any rights, obligations or liabilities under this Agreement that have already accrued up to the date of variation; and
- (c) the rights and obligations of the parties under this Agreement shall remain in force, except as, and only to the extent that, they are varied.

24. GOVERNING LAW AND JURISDICTION

- 24.1. This Agreement and any non-contractual obligations arising out of or in connection with it, its subject matter or formation shall be governed by and construed in accordance with English law.

- 24.2. Each party irrevocably:

- (a) agrees that the Courts of England shall have exclusive jurisdiction to settle any disputes or claims (including non-contractual disputes or claims) arising out of or in connection with this Agreement, its subject matter, formation, negotiation, validity, effect, interpretation, performance or non-performance, termination, enforceability or legal relationships established by this Agreement, and that accordingly they shall not institute proceedings in the courts of any country other than England;
- (b) submits to the exclusive jurisdiction of the English courts and waives any objection to proceedings being brought in any such courts on the ground of venue, inconvenient forum or otherwise; and
- (c) waives any objection to the recognition or enforcement in the courts of any other country of a judgment delivered by an English court exercising jurisdiction pursuant to this Clause 24.

Schedule 1 – Share Plans

Bidco and Dianomi agree that the following arrangements will, where appropriate and subject to the Acquisition becoming effective in all respects, be implemented with respect to the Dianomi Share Plan.

In the event of an Agreed Switch, references to the Court Sanction will be read as if they referred to the date on which the Takeover Offer becomes or is declared unconditional in all respects.

1. **General**

- (a) Dianomi and Bidco agree that the provisions of this Schedule 1 shall apply in respect of the Dianomi Share Plan. The parties agree that the provisions of this Schedule 1 are subject to applicable law, regulation and the requirements of the Code, including Rule 21.1 of the Code.
- (b) Subject to applicable confidentiality, legal and regulatory requirements, each party will reasonably co-operate with the other party in order to facilitate the implementation of the arrangements set out in this Schedule 1.
- (c) The parties acknowledge that any exercise of options granted under the Dianomi Share Plan (“**Options**”) will be subject to applicable taxes and employee’s national insurance/social security contributions and levies (together, where applicable, with student loan repayments or other deductions), where such amounts are required to be withheld and/or accounted for as a matter of law and the arrangements contemplated in this Schedule 1 shall, where relevant, include mechanisms to ensure that any such deductions may be made.

2. **Appropriate proposals to be made**

- (a) Dianomi and Bidco intend to jointly write to participants in the Dianomi Share Plan on, or as soon as practicable after, the posting of the Scheme Circular (or such later date as is agreed with the Panel) to inform them of:
 - (i) the impact of the Scheme on their outstanding Options as set out in paragraph 5 below (the “**Proposals**”) and any actions they may need to take in connection with their Options as a result of the Scheme; and
 - (ii) Bidco’s proposals pursuant to Rule 15 of the Code.
- (b) If the Acquisition is implemented by way of the Scheme, the parties will use good faith efforts to ensure that the timetable for its implementation shall be fixed so far as possible to enable Options that provide for vesting and/or exercise upon the Court Sanction to vest and/or be exercised in sufficient time to enable the resulting Dianomi Shares to be issued or transferred to participants so that such Dianomi Shares may be bound by the Scheme on the same terms as Dianomi Shares held by Dianomi Shareholders.
- (c) In the event of an Agreed Switch, references to the Scheme in this Schedule 1 will, where appropriate, be read as if they refer to the Takeover Offer and, subject always to Rule 21.1 of the Code, Bidco shall work in good faith with Dianomi to agree any such modifications to the Proposals as may be necessary or desirable.

3. Outstanding Options

- (a) As at 17 September 2026, the following Options were outstanding under the Dianomi Share Plan and Dianomi confirms to Bidco that, as at that date, there were no other Options outstanding under the Dianomi Share Plan and, other than the Dianomi Share Plan, neither Dianomi nor any other member of the Dianomi Group operates any other arrangement under which there are outstanding rights for employees, directors or office-holders of, or any consultants to, any member of the Dianomi Group to acquire Dianomi Shares:

Form of Award	Grant Date	Exercise Price	Number of Dianomi Shares subject to outstanding Options
Options	3 November 2023	50 pence	912,017
Options	21 April 2023	82.5 pence	242,424
TOTAL			1,154,441

4. Operation

- (a) Subject to applicable law and regulation and Rule 21.1 of the Code and the consent of the Panel where applicable, Bidco acknowledges and agrees that, before the Effective Date, the Dianomi Directors may operate the Dianomi Share Plan as they reasonably consider appropriate in accordance (as relevant) with the rules of the relevant Dianomi Share Plan and Dianomi's normal practice, save as set out in this Schedule 1.

For the avoidance of doubt, the operation of the Dianomi Share Plan includes (without limitation) determining the extent to which Options vest and satisfying the exercise of Options.

- (b) Bidco acknowledges that, from the date of this Agreement, Dianomi may, subject to Rule 21.1 of the Code and any required consent of the Panel, satisfy the vesting or exercise of any Options by issuing new Dianomi Shares or transferring treasury shares, always in accordance with the terms of the Dianomi Share Plan and (in the case of Options which are settled prior to the Court Sanction) in accordance with Dianomi's normal practice.
- (c) Subject always to Rule 21.1 of the Code, Bidco acknowledges that Dianomi may amend the rules of any of the Dianomi Share Plan to the extent that, in the reasonable opinion of the Dianomi Directors, the amendments are necessary to implement the Scheme or the treatment set out in this Agreement, implement the treatment set out in the communications to participants in the Dianomi Share Plan referred to in paragraph 2(a), comply with any local law requirement, or facilitate the administration of the Dianomi Share Plan.

Before making any such amendments, Dianomi intends to consult with Bidco.

- (d) Bidco acknowledges that Dianomi may make such submissions to the Panel that are necessary to implement the arrangements expressly provided for in this Schedule 1,

and Bidco agrees to co-operate as soon as reasonably practicable and in good faith in the making of any such submission.

If and to the extent that any submission to the Panel states or implies that Bidco has consented to the relevant matter or arrangement, Bidco's prior written consent in respect of such express or implied statement must be obtained by Dianomi prior to making the submission to the Panel and Bidco agrees to respond to any such request as soon as reasonably practicable and in good faith.

5. Treatment of outstanding Options under the Dianomi Share Plan in connection with the Scheme

(a) Options with an exercise price of 50 pence

- (i) Bidco acknowledges that the 912,017 performance share options with an exercise price of 50 pence per Dianomi Share (the "**50p Options**") are subject to a performance condition requiring EBITDA of at least £2.5 million in the audited results of Dianomi for any of FY2023, FY2024 or FY2025 and that this performance condition has not been satisfied at the date of this Agreement and is unlikely to be satisfied by the Effective Date.
- (ii) Bidco acknowledges that, in accordance with the rules of the Dianomi Share Plan and the terms of the 50p Options, on a Change of Control (as defined in the rules of the Dianomi Share Plan and option agreements) the Dianomi Directors have discretion to reduce the applicable performance target or waive the requirement for the performance condition to be satisfied before the 50p Options may be exercised.
- (iii) Bidco acknowledges and agrees that, in connection with the Acquisition and the resulting Change of Control (as defined in the rules of the Dianomi Share Plan and option agreements), the Dianomi Directors intend to exercise their discretion to waive the applicable performance condition in respect of the 50p Options so that the 50p Options may vest and be exercised in connection with the Acquisition.
- (iv) Bidco acknowledges and agrees that, in connection with the Acquisition, the Dianomi Directors intend to exercise their discretion pursuant to the rules of the Dianomi Share Plan so that the 50p Options will be exercised in a reasonable period preceding Court Sanction and conditional upon Court Sanction and any 50p Options not exercised by the time of Court Sanction shall lapse.
- (v) Bidco acknowledges that the terms of the 50p Options restrict the disposal of Dianomi Shares acquired on exercise of the 50p Options for a period of six months following exercise, subject to certain exceptions, and that the Dianomi Directors have discretion to waive such restriction.
- (vi) Bidco acknowledges and agrees that, in connection with the Acquisition, the Dianomi Directors intend to exercise their discretion to waive the restriction referred to in paragraph 5(a)(v) to the extent necessary to enable the Dianomi

Shares acquired on exercise of the 50p Options to participate in the Acquisition.

- (vii) The parties intend that the 50p Options will be exercised on a cashless basis in connection with the Acquisition, such that the exercise price payable in respect of the 50p Options shall be funded or satisfied from the consideration otherwise payable to the relevant participant in connection with the Acquisition.
- (viii) Each Dianomi Share acquired pursuant to the exercise of a 50p Option in accordance with this paragraph (a) shall participate in the Acquisition on the same terms as other Dianomi Shares and the relevant participant shall accordingly be entitled to receive up to the Maximum Consideration, in each case subject to the terms and conditions of the Acquisition.

(b) Options with an exercise price of 82.5 pence

- (i) Bidco acknowledges that the 242,424 performance share options with an exercise price of 82.5 pence per Dianomi Share (the “**82.5p Options**”) are subject to performance conditions which have not been satisfied as at the date of this Agreement and are unlikely to be satisfied by the Effective Date and that the Dianomi Directors have discretion to waive the applicable performance conditions.
- (ii) The parties acknowledge that the Dianomi Directors do not intend to exercise their discretion to waive the applicable performance conditions in respect of the 82.5p Options and, accordingly, the 82.5p Options will not vest or become exercisable in connection with the Acquisition.
- (iii) The 82.5p Options will lapse in accordance with their terms.

RECOMMENDED ACQUISITION

OF

DIANOMI PLC

BY

TABOOLA EUROPE LIMITED

(a wholly-owned subsidiary of Taboola.com Ltd)

**to be effected by means of a scheme of arrangement
under Part 26 of the Companies Act 2006**

Summary

- The boards of Taboola.com Ltd (“**Taboola**”) and Dianomi plc (“**Dianomi**”) are pleased to announce that they have reached an agreement on the terms of a recommended acquisition pursuant to which Taboola Europe Limited, a wholly-owned subsidiary of Taboola (“**Bidco**”), will acquire the entire issued and to be issued ordinary share capital of Dianomi.
- Under the terms of the Acquisition, Dianomi Shareholders will be entitled to receive for each Dianomi Share:

64 pence in cash (the “Cash Consideration”) and a Contingent Consideration Unit which may deliver up to 24 pence in cash (together with the Cash Consideration, the “Maximum Consideration”)
- The Cash Consideration values the entire issued and to be issued share capital of Dianomi at approximately £19 million on a fully diluted basis and delivers 64 pence in cash for each Dianomi Share, which represents a premium of approximately:
 - 68% to the Closing Price of 38.0 pence per Dianomi Share on the Last Practicable Date;
 - 114% to Dianomi’s three month volume weighted average share price of 29.9 pence per Dianomi Share to the Last Practicable Date; and
 - 350% to Dianomi’s six month volume weighted average share price of 14.2 pence per Dianomi Share to the Last Practicable Date.
- The Maximum Consideration, which assumes full value is delivered by the Contingent Consideration Units, values the entire issued and to be issued share capital of Dianomi at up to approximately £27 million on a fully diluted basis and delivers up to 88 pence in cash for each Dianomi Share, which

represents a premium of approximately:

- 132% to the Closing Price of 38.0 pence per Dianomi Share on the Last Practicable Date;
 - 194% to Dianomi's three month volume weighted average share price of 29.9 pence per Dianomi Share to the Last Practicable Date; and
 - 519% to Dianomi's six month volume weighted average share price of 14.2 pence per Dianomi Share to the Last Practicable Date.
- It is intended that the Acquisition will be implemented by means of a Court-sanctioned scheme of arrangement under Part 26 of the Companies Act.
 - The Cash Consideration assumes that Dianomi Shareholders shall not receive any dividend, distribution and/or other return of capital or value. Subject to the terms of the Scheme, if, after the date of this Announcement, any dividend, distribution and/or other return of capital or value is announced, declared, paid or made, or becomes payable, in respect of the Dianomi Shares, Bidco reserves the right to reduce the offer consideration by an amount up to the amount of such dividend, distribution and/or other return of capital or value so announced, declared, paid or made or which becomes payable.
 - The payment of additional consideration through the Contingent Consideration Units is subject to a subset of Dianomi's publishers incorporating certain provisions of the Taboola Group's standard terms in their publisher agreements (either through the entry into a new agreement or an amendment of the existing agreement) within the agreed time frame and subject to a minimum threshold, and the net revenue generated by these publishers. There is no certainty and there can be no assurance that all or any Contingent Consideration Units will result in the payment of any additional consideration in connection with the Acquisition. Further details of the Contingent Consideration Units are set out in paragraph 11 of this Announcement below.

Background to and reasons for the Acquisition

- Taboola is a technology company that empowers businesses to grow through performance advertising technology that goes beyond search and social and delivers measurable outcomes at scale.
- Taboola works with thousands of businesses who advertise directly on Realize, Taboola's powerful ad platform, reaching over 600 million daily active users across some of the best publishers in the world. Publishers like NBC News and Yahoo, and OEMs such as Samsung, Xiaomi and others, use Taboola's technology to grow audience and revenue, enabling Realize to offer unique data, specialised algorithms, and scale.
- Taboola believes that Dianomi is an attractive business which is a natural fit for Taboola, with complementary publisher and advertiser relationships, and is complementary to Taboola's existing global footprint. Taboola believes that combining Dianomi with Taboola's global business will accelerate the realisation of Dianomi's strategic objectives and provide opportunities for revenue synergies and cost savings through increased scale and complementary offerings.
- In particular, Taboola believes the Acquisition will bring significant strategic benefits for the combined group and its stakeholders, including both Taboola's and Dianomi's publishers and advertisers, including by:
 - growing revenue by offering more opportunities for both advertisers and publishers to reach their business goals by utilising Taboola's large-scale, high-quality platform;
 - driving better performance to group advertisers utilising Taboola's scale, global reach, technology and data assets alongside Dianomi's specialism and endemic, high-intent audiences on blue-chip

publishers in the finance, business and lifestyle verticals;

- delivering higher yield for Dianomi's publishers utilising Taboola's direct global demand, technology and complementing solutions; and
- offering better content experiences for users of group publishers which drives additional page views and strengthens monetisation opportunities for the group and its partners.
- Taboola believes that the Acquisition will significantly bolster its ability to provide performance advertisers with a highly specialised, premium ad network focused on finance, powered by Taboola's performance advertising platform Realize. Realize is a technology platform that helps advertisers achieve outcomes at scale, leveraging Taboola's unique supply, first-party data, and AI. Realize enables performance campaigns across many of the world's largest publishers.
- More than 600 advertisers and publishers trust Dianomi to drive performance in its brand-safe environments. With Dianomi and Taboola together, Taboola believes that advertisers, especially those seeking to reach audiences in the business, finance and lifestyle sectors, will have more ways to connect with them to drive performance objectives.
- Taboola believes that Dianomi's strategic fit is underpinned by aligned, customer-focused cultures built on trust. Taboola and Dianomi are both dynamic and entrepreneurial organisations who strive to be at the forefront of technical excellence and innovation within the advertising technology industry. Taboola believes that this will create an effective platform to deliver the benefits described above, and result in significant value to all stakeholders.

Recommendation

- The Dianomi Board, which has been so advised by Panmure Liberum as to the financial terms of the Acquisition, considers the terms of the Acquisition to be fair and reasonable. In providing its advice to the Dianomi Board, Panmure Liberum has taken into account the commercial assessments of the Dianomi Board. Panmure Liberum is providing independent financial advice to the Dianomi Board for the purposes of Rule 3 of the Code.
- Accordingly, the Dianomi Board intends to recommend unanimously that Dianomi Shareholders vote, or procure the voting, to approve the Scheme at the Scheme Court Meeting and vote, or procure the voting, in favour of the Resolutions to be proposed at the General Meeting or, if (with the consent of the Panel) Bidco exercises its right to implement the Acquisition by way of a Takeover Offer, accept, or procure the acceptance of, such Takeover Offer as all of the Dianomi Directors who hold Dianomi Shares have irrevocably undertaken to do, or procure to be done, in respect of their own beneficial holdings (and procure to be done in respect of the beneficial holdings of their spouse, civil partner and/or related trusts) of 3,134,944 Dianomi Shares, in aggregate, representing approximately 10.4% of the Dianomi Shares in issue on the Last Practicable Date.

Shareholder support

- In addition to the irrevocable undertakings from the Dianomi Directors (and/or in respect of the beneficial holdings of their spouse, civil partner and/or related trusts) described above, Taboola and Bidco have received irrevocable undertakings to vote, or procure the voting, in favour of the Scheme at the Scheme Court Meeting and vote, or procure the voting, in favour of the Resolutions to be proposed at the General Meeting (or, in the event that the Acquisition is implemented by way of a Takeover Offer under the Code, to accept, or procure the acceptance of, such Takeover Offer) from each of Scobie Dickinson Ward, BGF Investments LP (acting by its manager BGF Investment Management Limited), Raphael Queisser and Robert Cabell de Marcellus, in respect of 19,473,721 Dianomi Shares, representing, in aggregate, approximately 64.9% of the Dianomi Shares in issue on

the Last Practicable Date.

- In total, therefore, Taboola and Bidco have received irrevocable undertakings to approve the Scheme at the Scheme Court Meeting and vote in favour of the Resolutions to be proposed at the General Meeting (or, in the event that the Acquisition is implemented by way of a Takeover Offer under the Code, to accept or procure the acceptance of such Takeover Offer) in respect of 22,608,665 Dianomi Shares representing, in aggregate, approximately 75.3% of the Dianomi Shares in issue on the Last Practicable Date.
- Further details of the irrevocable undertakings received by Taboola and Bidco (including details of the circumstances in which the irrevocable undertakings will cease to be binding) are set out in Appendix III to this Announcement.

Conditions

- The Acquisition is subject to the satisfaction or waiver of the Conditions and the further terms set out in Appendix I to this Announcement, and to be set out in the Scheme Circular. The Conditions include certain approvals by Dianomi Shareholders, the sanction of the Scheme by the Court, and the CMA having indicated in writing in response to a briefing paper that it has no further questions in relation to the Acquisition or having issued a decision that it is not the CMA's intention to subject the Acquisition to a Phase 2 CMA Reference.
- **The attention of Dianomi Shareholders is specifically drawn to the CMA Condition further detailed in paragraph 14 of this Announcement, which should be read carefully. The CMA Condition is of material significance to Taboola and Bidco in the context of the Acquisition.**

Acquisition structure

- It is intended that the Acquisition will be implemented by means of a Court-sanctioned scheme of arrangement under Part 26 of the Companies Act. In order to become Effective, the Scheme must be approved by a majority in number of the Scheme Shareholders present and voting (and entitled to vote) at the Scheme Court Meeting, either in person or by proxy, representing not less than three-quarters in value of the Scheme Shares held by those Scheme Shareholders. Further details of the Scheme and the Scheme Court Meeting are contained in the full text of this Announcement.
- The Cash Consideration of 64 pence for each Dianomi Share will be paid, conditional on the Scheme becoming Effective, within 14 days of the Scheme becoming Effective.
- Under the terms of the Scheme, each Dianomi Shareholder (other than Restricted Overseas Shareholders) will receive one Contingent Consideration Unit for each Dianomi Share. Under the terms of the CCU Deed Poll, each Contingent Consideration Unit shall entitle its holder (other than Restricted Overseas CCU Holders) to one Loan Note. The principal value of each Loan Note that the CCU Holder may be entitled to (being the Loan Note Principal Value), and therefore the amount of cash ultimately payable to a Loan Note holder upon redemption of their Loan Notes on the Loan Note Payment Date, shall be determined by way of an Assessment Process in accordance with the terms of the CCU Deed Poll.
- The Contingent Consideration Units are complex instruments and a number of factors will determine whether any amount will actually be paid to Dianomi Shareholders on the redemption of the Loan Notes. The Loan Note Principal Value may be zero and is capped at a maximum of 24 pence.
- The Loan Note Principal Value will be determined by an Assessment Process set out in the CCU Deed Poll and summarised in paragraph 11 of this Announcement, following which each CCU Holder (other than Restricted Overseas CCU Holders) will receive one Loan Note for each Contingent Consideration Unit held by such CCU Holder. If the results of the Assessment Process are such that the Loan Note Principal Value is agreed or determined to be zero, no Loan Notes will be issued, and in these circumstances the CCU Holders will not receive any additional consideration under the terms of the

CCU Deed Poll. In these circumstances, the value of each Contingent Consideration Unit would be zero. The Assessment Process summarised in paragraph 11 of this Announcement does not allow for the exercise of any discretion on the part of Bidco or the CCU Representatives. The Code does not apply to the Contingent Consideration Units or Loan Notes following the Effective Date.

- No interest shall be payable on the Loan Notes, other than in circumstances where Bidco is in default of its payment obligations under the terms of the Loan Note Instrument. Each Loan Note shall have a term which ends on the Loan Note Payment Date. On redemption the Loan Note Principal Value will be paid in cash to the holders of the Loan Notes and the Loan Notes will be automatically cancelled. Further details in respect of the Contingent Consideration Units and Loan Notes, and the treatment of Restricted Overseas Shareholders and Restricted Overseas CCU Holders, will be contained in the Scheme Circular. Dianomi Shareholders are strongly advised to read paragraph 11 of this Announcement in full.

Timetable

- It is expected that the Scheme Circular, containing further information about the Acquisition and notices of the Scheme Court Meeting and the General Meeting, together with Forms of Proxy, will be posted to Dianomi Shareholders and (for information only) to persons with information rights and to participants in the Dianomi Share Plans as soon as practicable and in any event within 28 days from the date of this Announcement. Accordingly, it is expected that the Scheme Court Meeting and the General Meeting will take place in November 2026.
- Subject to the satisfaction or waiver of the Conditions and the further terms set out in Appendix I to this Announcement (and to be set out in full in the Scheme Circular) (in particular the CMA Condition highlighted in paragraph 14), it is expected that the Scheme will become Effective before the end of 2026. An expected timetable of principal events will be included in the Scheme Circular.

In such circumstances, Dianomi Shareholders are urged to read any documents relating to the Acquisition because they will contain important information regarding the Acquisition. Such documents will be available from Dianomi at <https://www.dianomi.com/>.

in respect of Rule 14e-5 thereunder. Rule 14e-5 will not regulate the purchases or arrangement of purchases of shares of Dianomi in the context of implementing the Acquisition by a Scheme of Arrangement.

Those purchases and activities by an exempt principal trader which are required to be made public in the United Kingdom pursuant to the Code will be reported to a Regulatory Information Service and will be available on the London Stock Exchange website at www.londonstockexchange.com. This information will also be publicly disclosed in the United States to the extent that such information is made public in the United Kingdom.

Forward-looking statements may include statements relating to the following: (i) future capital expenditures, expenses, revenues, earnings, synergies, economic performance, indebtedness, financial condition, dividend policy, losses and future prospects; (ii) business and management strategies and the expansion and growth of the Taboola Group’s or Dianomi Group’s operations and potential synergies resulting from the Acquisition; and (iii) the effects of global economic conditions and governmental regulation on the Taboola Group’s or Dianomi Group’s business.

By their nature, forward-looking statements involve risk and uncertainty because they relate to events and depend on circumstances that will occur in the future. These events and circumstances include changes in the global, political, economic, business, competitive, market and regulatory forces, future exchange and interest rates, changes in tax rates and future business combinations or disposals. If any one or more of these risks or uncertainties materialises or if any one or more of the assumptions prove incorrect, actual results may differ materially from those expected, estimated or projected. RECOMMENDED ACQUISITION

OF

DIANOMI PLC

BY

TABOOLA EUROPE LIMITED

(a wholly-owned subsidiary of Taboola.com Ltd)

**to be effected by means of a scheme of arrangement
under Part 26 of the Companies Act 2006**

1. Introduction

The boards of Taboola.com Ltd (“**Taboola**”) and Dianomi plc (“**Dianomi**”) are pleased to announce that they have reached an agreement on the terms of a recommended acquisition pursuant to which Taboola Europe Limited, a wholly-owned subsidiary of Taboola (“**Bidco**”), will acquire the entire issued and to be issued ordinary share capital of Dianomi. It is intended that the Acquisition will be implemented by means of a Court-sanctioned scheme of arrangement of Dianomi under Part 26 of the Companies Act, further details of which are contained in paragraph 14 below.

2. Summary of terms of the Acquisition

Under the terms of the Acquisition, which will be subject to the Conditions and further terms set out in Appendix I of this Announcement (and to be set out in the Scheme Circular), which include (inter alia) approval of the Scheme at the Scheme Court Meeting, passing of Resolutions at the General Meeting, satisfaction or waiver of the CMA Condition highlighted in paragraph 14, and the sanction of the Scheme by the Court, Scheme Shareholders will be entitled to receive for each Scheme Share held by them at the Scheme Record Time:

64 pence in cash (the “Cash Consideration”) and a Contingent Consideration Unit which may deliver up to 24 pence in cash (together with the Cash Consideration, the “Maximum Consideration”)

In certain circumstances, the Contingent Consideration Units will have zero value.

The Cash Consideration values the entire issued and to be issued share capital of Dianomi at approximately £19 million on a fully diluted basis and delivers 64 pence in cash for each Dianomi Share, which represents a premium of approximately:

- 68% to the Closing Price of 38.0 pence per Dianomi Share on the Last Practicable Date;
- 114% to Dianomi’s three month volume weighted average share price of 29.9 pence per Dianomi

Share to the Last Practicable Date; and

- 350% to Dianomi's six month volume weighted average share price of 14.2 pence per Dianomi Share to the Last Practicable Date.

The Maximum Consideration, which assumes full value is delivered by the Contingent Consideration Units, values the entire issued and to be issued share capital of Dianomi at up to approximately £27 million on a fully diluted basis and delivers up to 88 pence in cash for each Dianomi Share, which represents a premium of approximately:

- 132% to the Closing Price of 38.0 pence per Dianomi Share on the Last Practicable Date;
- 194% to Dianomi's three month volume weighted average share price of 29.9 pence per Dianomi Share to the Last Practicable Date; and
- 519% to Dianomi's six month volume weighted average share price of 14.2 pence per Dianomi Share to the Last Practicable Date.

The Cash Consideration assumes that Dianomi Shareholders shall not receive any dividend, distribution and/or other return of capital or value. Subject to the terms of the Scheme, if, after the date of this Announcement, any dividend, distribution and/or other return of capital or value is announced, declared, paid or made or becomes payable in respect of the Dianomi Shares, Bidco reserves the right to reduce the offer consideration by an amount up to the amount of such dividend, distribution and/or other return of capital or value so announced, declared, paid or made or which becomes payable.

3. Background to and reasons for the Acquisition

Taboola is a technology company that empowers businesses to grow through performance advertising technology that goes beyond search and social and delivers measurable outcomes at scale.

Taboola works with thousands of businesses who advertise directly on Realize, Taboola's powerful ad platform, reaching over 600 million daily active users across some of the best publishers in the world. Publishers like NBC News and Yahoo, and OEMs such as Samsung, Xiaomi and others, use Taboola's technology to grow audience and revenue, enabling Realize to offer unique data, specialised algorithms, and scale.

Taboola believes that Dianomi is an attractive business which is a natural fit for Taboola, with complementary publisher and advertiser relationships, and is complementary to Taboola's existing global footprint. Taboola believes that combining Dianomi with Taboola's global business will accelerate the realisation of Dianomi's strategic objectives and provide opportunities for revenue synergies and cost savings through increased scale and complementary offerings.

In particular, Taboola believes the Acquisition will bring significant strategic benefits for the combined group and its stakeholders, including both Taboola's and Dianomi's publishers and advertisers, including by:

- growing revenue by offering more opportunities for both advertisers and publishers to reach their business goals by utilising Taboola's large-scale, high-quality platform;
- driving better performance to group advertisers utilising Taboola's scale, global reach, technology and data assets alongside Dianomi's specialism and endemic, high-intent audiences on blue-chip publishers in the finance, business and lifestyle verticals;
- delivering higher yield for Dianomi's publishers utilising Taboola's direct global demand,

technology and complementing solutions; and

- offering better content experiences for users of group publishers which drives additional page views and strengthens monetisation opportunities for the group and its partners.

Taboola believes that the Acquisition will significantly bolster its ability to provide performance advertisers with a highly specialised, premium ad network focused on finance, powered by Taboola's performance advertising platform Realize. Realize is a technology platform that helps advertisers achieve outcomes at scale, leveraging Taboola's unique supply, first-party data, and AI. Realize enables performance campaigns across many of the world's largest publishers.

More than 600 advertisers and publishers trust Dianomi to drive performance in its brand-safe environments. With Dianomi and Taboola together, Taboola believes that advertisers, especially those seeking to reach audiences in the business, finance and lifestyle sectors, will have more ways to connect with them to drive performance objectives.

Taboola believes that Dianomi's strategic fit is underpinned by aligned, customer-focused cultures built on trust. Taboola and Dianomi are both dynamic and entrepreneurial organisations who strive to be at the forefront of technical excellence and innovation within the advertising technology industry. Taboola believes that this will create an effective platform to deliver the benefits described above, and result in significant value to all stakeholders.

4. Recommendation

The Dianomi Board, which has been so advised by Panmure Liberum as to the financial terms of the Acquisition, considers the terms of the Acquisition to be fair and reasonable.

Accordingly, the Dianomi Board intends to recommend unanimously that Dianomi Shareholders vote, or procure the voting, to approve the Scheme at the Scheme Court Meeting and vote, or procure the voting, in favour of the Resolutions to be proposed at the General Meeting or, if (with the consent of the Panel) Bidco exercises its right to implement the Acquisition by way of a Takeover Offer, accept, or procure the acceptance of, such Takeover Offer as all of the Dianomi Directors who hold Dianomi Shares have irrevocably undertaken to do, or procure to be done, in respect of their own beneficial holdings (and procure to be done in respect of the beneficial holdings of their spouse, civil partner and/or related trusts) of 3,134,944 Dianomi Shares, in aggregate, representing approximately 10.4% of the Dianomi Shares in issue on the Last Practicable Date.

In providing its advice to the Dianomi Board, Panmure Liberum has taken into account the commercial assessments of the Dianomi Board. Panmure Liberum is providing independent financial advice to the Dianomi Board for the purposes of Rule 3 of the Code. Panmure Liberum has given and not withdrawn its consent to the inclusion in this Announcement of its advice to the Dianomi Board in the form and context in which it appears.

5. Background to and reasons for the recommendation

Dianomi has established a differentiated position within the digital advertising market over more than 20 years, connecting premium brands with highly valuable audiences through long-standing relationships with many of the world's leading business, financial and general news publishers. The Dianomi Board believes that the quality of these relationships, together with Dianomi's specialist expertise in premium contextual advertising, its proprietary technology and data, and the strength of its advertiser base, provide Dianomi with a strong platform from which to pursue its strategy as a standalone business.

In recent years, Dianomi has sought to broaden and strengthen its proposition in response to a rapidly evolving digital advertising landscape. This has included expanding from its historically native-led offering towards a broader multi-format platform, developing its programmatic capabilities and

launching new products and services, including Audiences and Insights. The Dianomi Group has also continued to deepen relationships with major publishing partners and broaden its advertiser proposition into new verticals, such as premium lifestyle. The Dianomi Board believes that these initiatives demonstrate the underlying quality of the business and provide opportunities for future growth.

Dianomi also appreciates that, while the wider advertising market remains steady against an uncertain macroeconomic backdrop, consumers have begun to shift the way in which they discover and consume online content, including the increasing adoption of artificial intelligence and “zero-click” search functionality. To continue to compete effectively in this evolving landscape, the Dianomi Board recognises the need for ongoing investment in technology, data, artificial intelligence, product development and commercial capabilities.

Against this backdrop, the Dianomi Board believes that a combination with Taboola represents a strategic opportunity for Dianomi and its stakeholders. It is the Dianomi Board’s view that Taboola’s significantly greater scale, global reach, technology platform, data capabilities and extensive relationships across the advertiser and publisher ecosystems will provide a strong platform from which Dianomi’s differentiated capabilities and premium financial and business audience can be developed further. In particular, the Dianomi Board believes that the combination has the potential to broaden the distribution and monetisation opportunities available to Dianomi’s publisher partners, enhance the range of solutions available to advertisers and provide greater resources to invest in product innovation and respond to the evolving digital advertising landscape.

The Dianomi Board also believes that Dianomi’s expertise in premium financial and business advertising, its established relationships with leading publishers and advertisers and its contextual technology and data capabilities are highly complementary to Taboola’s broader platform and global scale. As part of the Enlarged Group, Dianomi would therefore have the opportunity to accelerate the development of its proposition while benefiting from the resources, technology and reach of a substantially larger global digital advertising business.

In considering the Acquisition, the Dianomi Board has weighed the prospects for Dianomi as an independent company, including the opportunities arising from its existing strategy and recent investments, against the risks associated with executing that strategy. In particular, the Dianomi Board has considered the uncertain macroeconomic backdrop and the investment and execution required to deliver Dianomi’s longer-term growth ambitions.

The Dianomi Board also had regard to the environment facing small-capitalisation AIM-quoted technology companies, in which constrained liquidity and a persistent discount to intrinsic value are reflected in depressed share prices.

Against this background, the Dianomi Board considered a range of options for Dianomi, including continuing to pursue its strategy on a standalone basis, and concluded that the Acquisition represents a more attractive outcome for Dianomi Shareholders than the risks associated with independent execution of its growth strategy.

In reaching this conclusion, the Dianomi Board placed particular weight on the certainty of value offered by the Cash Consideration of 64 pence per Dianomi Share, which will be paid in full regardless of Dianomi’s future trading performance or the outcome of the Assessment Process. The Cash Consideration represents a significant premium of approximately 68% to the Closing Price of 38.0 pence per Dianomi Share on the Last Practicable Date and a premium of approximately 350% to Dianomi’s six month volume weighted average share price of 14.2 pence per Dianomi Share to the Last Practicable Date, which the Dianomi Board considers to be an attractive outcome relative to the risks relating to Dianomi’s standalone growth prospects. The Dianomi Board also had regard to the high level of support for the Acquisition from Dianomi Shareholders as indicated by irrevocable commitments to vote in the favour of the Acquisition in respect of approximately 64.9% of the issued

share capital.

The Dianomi Board has also considered that the Contingent Consideration Units provide Dianomi Shareholders with an opportunity to participate in further value of up to 24 pence per Dianomi Share, delivering potential upside without requiring Dianomi Shareholders to fund or bear the execution risk of the underlying commercial transition. Taken together with the Cash Consideration, the Maximum Consideration is up to 88 pence per Dianomi Share. The Dianomi Board is mindful that payment of additional consideration through the Contingent Consideration Units is subject to a subset of Dianomi's publishers adopting elements of Taboola Group's standard terms within the agreed time frame and subject to a minimum threshold as described in the terms of CCU Deed Poll and, accordingly, is highly dependent on factors which are outside of the control of Dianomi. Accordingly, there is no certainty and there can be no assurance that all or any Contingent Consideration Units will become payable in connection with the Acquisition. Taken together with the Cash Consideration, the Maximum Consideration delivers potential value to Dianomi Shareholders of up to 88 pence per Dianomi Share and represents a premium of approximately 132% to the Closing Price of 38.0 pence per Dianomi Share on the Last Practicable Date and a premium of approximately 519% to Dianomi's six month volume weighted average share price of 14.2 pence per Dianomi Share to the Last Practicable Date, which the Dianomi Board considers to be a substantial premium and an attractive outcome relative to Dianomi's standalone growth prospects.

Accordingly, the Dianomi Board intends to recommend unanimously the Acquisition to Dianomi Shareholders as set out in paragraph 4 above.

6. Irrevocable undertakings to vote in favour of the Acquisition

Taboola and Bidco have received irrevocable undertakings to vote, or procure the voting, in favour of the Scheme at the Scheme Court Meeting and vote, or procure the voting, in favour of the Resolutions to be proposed at the General Meeting (or, in the event that the Acquisition is implemented by way of a Takeover Offer under the Code, to accept, or procure the acceptance of, such Takeover Offer) from:

- each of those Dianomi Directors who are interested in Dianomi Shares (in a personal capacity, or in relation to which their spouses, civil partners and/or related trusts are or become interested) in respect of their beneficial holdings of, in aggregate, 3,134,944 Dianomi Shares, representing approximately 10.4% of the Dianomi Shares in issue on the Last Practicable Date; and
- each of Scobie Dickinson Ward, BGF Investments LP (acting by its manager BGF Investment Management Limited), Raphael Queisser and Robert Cabell de Marcellus, in respect of 19,473,721 Dianomi Shares, representing, in aggregate, approximately 64.9% of the Dianomi Shares in issue on the Last Practicable Date.

In total, therefore, Taboola and Bidco have received irrevocable undertakings to approve the Scheme at the Scheme Court Meeting and vote in favour of the Resolutions to be proposed at the General Meeting (or, in the event that the Acquisition is implemented by way of a Takeover Offer under the Code, to accept or procure the acceptance of such Takeover Offer) in respect of 22,608,665 Dianomi Shares representing, in aggregate, approximately 75.3% of the Dianomi Shares in issue on the Last Practicable Date.

Further details of the irrevocable undertakings received by Taboola and Bidco (including details of the circumstances in which the irrevocable undertakings will cease to be binding) are set out in Appendix III to this Announcement.

7. Management, employees and business of Dianomi

Strategic plans for Dianomi

As set out in paragraph 3 (*Background to and reasons for the Acquisition*) above, Taboola believes that Dianomi's offering is complementary with its existing business, and, combined with Taboola's global scale, technology and demand, the Enlarged Group would be positioned to thrive in the current advertising technology sector. As such, following completion of the Acquisition, Taboola intends to integrate Dianomi's business into Taboola's existing business in order to benefit from the synergies offered by the Enlarged Group.

Taboola is supportive of Dianomi's current strategy and premium offering and looks forward to working with Dianomi's key stakeholders, including its publishers and advertisers, within the Enlarged Group. Taboola has a range of industry-leading products and looks forward to working with Dianomi's stakeholders to realise the benefits of Taboola's global platform.

Taboola has worked closely with Dianomi's senior management to understand the key areas of Dianomi's strategy and management's plans for the business. Following completion of the Acquisition, Taboola intends to work with Dianomi's senior management to carry out a full evaluation of Dianomi's business and operations, in order to optimise the Enlarged Group and achieve the anticipated benefits of the Acquisition.

Employees and management

Taboola attaches great importance to the skill and experience of Dianomi's management and employees and believes they will benefit from greater opportunities as part of the Taboola Group. Following completion of the Acquisition, Taboola intends to approach employee and management integration with the aim of retaining and motivating the best talent across the Enlarged Group. Taboola has extensive integration experience and recognises that the contribution of the employees and management of Dianomi will be key to success going forward.

Taboola's preliminary evaluation work to identify operational efficiencies for the Enlarged Group has confirmed the potential to generate cost savings for the Enlarged Group through corporate, administrative, and support function efficiencies, including indirect cost savings related to the cessation of Dianomi's status as a public listed company and potential limited reduction in headcount, which is not expected to be material in the context of Dianomi's overall headcount. To the extent there are any headcount reductions, these will be subject to comprehensive planning and appropriate engagement with stakeholders, including any affected employees.

The non-executive directors of Dianomi will resign from office as directors of Dianomi with effect from the Effective Date.

Existing employment rights and pensions

Taboola and Bidco confirm that, following the Scheme becoming Effective, the existing contractual and statutory employment rights, including in relation to pensions and any other employment benefits, of all Dianomi employees and management will be safeguarded in accordance with applicable law.

Taboola and Bidco further confirm that they do not intend to make any change to Dianomi's existing pension arrangements, including with regard to employer contributions into such schemes, the accrual of benefits for existing members and the admission of new members. In addition, they do not envisage a material change in the conditions of employment of the management and employees of Dianomi nor, save as described in this paragraph 7, make any material changes to the balance of the skills and

functions of Dianomi's employees.

Incentivisation arrangements

Taboola and Bidco have not entered into, and have not had discussions on proposals to enter into, any form of incentivisation arrangements with Dianomi's senior management nor will they do so prior to completion of the Acquisition. Following the proposed post-Acquisition review described above, Taboola and Bidco intend to consider and, if appropriate, put in place appropriate incentivisation arrangements for Dianomi's senior management consistent with market practice.

Locations, headquarters, research and development and fixed assets

Following completion of the Acquisition, New York City, United States, will become the Enlarged Group's global headquarters. Taboola does not envisage any changes to the Enlarged Group's material business locations as a result of the Acquisition, although there may be a rationalisation of certain smaller or duplicative offices and functions. In particular, the operations of, and people employed by, Dianomi's U.S. subsidiary may be transferred to an existing Taboola office location in New York and U.S. entity within the Taboola Group. Dianomi has no dedicated research and development function and does not have significant fixed assets.

Trading facilities and re-registration

Dianomi's shares are currently traded on AIM and, as set out in paragraph 15 (*Cancellation of trading on AIM*) below, a request will be made to the London Stock Exchange to cancel trading in Dianomi's shares on AIM, to take effect from or shortly after the Effective Date.

As a result of the cancellation of trading in Dianomi's shares on AIM, the Enlarged Group expects to achieve savings from Dianomi no longer having to comply with its ongoing public company reporting and corporate governance obligations. In this regard, as noted above, it is intended that the non-executive directors of Dianomi will resign on or shortly following completion of the Acquisition.

Following completion of the Acquisition and cancellation of trading in Dianomi's shares on AIM, Bidco expects to re-register Dianomi as a private company.

Post-offer undertakings

No statements in this paragraph 7 constitute "post-offer undertakings" for the purposes of Rule 19.5 of the Code.

10. Financing of the Acquisition

The Cash Consideration payable by Bidco under the terms of the Acquisition will be funded from existing cash resources of the Taboola Group. RBC Capital Markets, financial adviser to Taboola and Bidco, is satisfied that sufficient cash resources are available to Bidco to enable it to satisfy, in full, the payment of the Cash Consideration in connection with the Acquisition.

Bidco has not been required to confirm, and has not confirmed, that resources are available to satisfy payments under the Contingent Consideration Units. It is anticipated that any payments under the Contingent Consideration Units will be funded from ongoing cash flow and cash resources of the Taboola Group. Scheme Shareholders will be at risk if, for any reason, these payment obligations were unable to be satisfied by Bidco.

11. Details of the Contingent Consideration Units and Loan Notes

Dianomi Shareholders are strongly advised to read this paragraph 11 of this Announcement in full.

Dianomi Shareholders should obtain their own independent professional legal, financial and tax advice in relation to the acquisition and holding of Contingent Consideration Units and/or Loan Notes in the light of their own particular circumstances. Dianomi Shareholders should be aware that the value of the Contingent Consideration Units will be uncertain until the end of the Reference Period and may be zero. The Code does not apply to the Contingent Consideration Units or Loan Notes following the Effective Date.

Contingent Consideration Units

Under the terms of the Scheme, each Scheme Shareholder (other than Restricted Overseas Shareholders) will receive one Contingent Consideration Unit for each Scheme Share. The Contingent Consideration Units have been constituted by a deed poll entered into by Bidco on the date of this Announcement. Under the terms of the CCU Deed Poll each Contingent Consideration Unit shall entitle its holder to one Loan Note. The principal value of each Loan Note that the CCU Holder may

be entitled to (being the Loan Note Principal Value), and therefore the amount of cash ultimately payable to a Loan Note holder upon redemption of their Loan Notes on the Loan Note Payment Date, shall be determined by way of an Assessment Process in accordance with the terms of the CCU Deed Poll.

The Contingent Consideration Units will not represent any equity or ownership interest in Bidco, and accordingly will not confer on the CCU Holder any right to attend, speak at or vote at any meeting of the shareholders of Bidco or right to any dividends or right to any return of capital by Bidco.

The Contingent Consideration Units will be unsecured and non-transferable, other than in certain limited circumstances specified in the CCU Deed Poll. The Contingent Consideration Units have not been, and will not be, listed on any stock exchange and no regulatory clearances in respect of the Contingent Consideration Units have been, or will be, applied for in any jurisdiction. No prospectus, registration document or similar will be prepared in connection with the issue of the Contingent Consideration Units in respect of any jurisdiction. The Contingent Consideration Units will be governed by English law and will be issued in certificated form.

Scheme Shareholders may not be entitled to the Contingent Consideration Units, the Loan Notes or the amounts which may be payable thereon if their registered address is in a jurisdiction where (i) in the reasonable opinion of Bidco, local laws or regulations may result in a significant risk of civil, regulatory or criminal exposure, or Bidco reasonably believes that it would be unduly onerous to comply with such local laws or regulations, if an offer of the Contingent Consideration Units or Loan Notes is made in that jurisdiction and/or any other jurisdiction in which it is illegal to issue the Contingent Consideration Units or Loan Notes to Scheme Shareholders or for Scheme Shareholders to hold Contingent Consideration Units or Loan Notes or where any qualification of the Contingent Consideration Units or Loan Notes under applicable laws or regulations would be required, or (ii) if they are a US Person or located in the United States. In such circumstances, Bidco intends under the terms of the Scheme to pay any such Restricted Overseas Shareholders an amount equal to the amount that such Scheme Shareholder would have received (if any) under the Contingent Consideration Units and the Loan Notes (subject to the terms and conditions of the CCU Deed Poll and the Loan Note Instrument as if they applied for determining and paying such amount).

The Contingent Consideration Units are complex instruments and a number of factors will determine whether any amount will actually be paid to Scheme Shareholders on the redemption of the Loan Notes. The Loan Note Principal Value may be zero and is capped at a maximum of 24 pence.

Subject to agreement on, or determination of, the Loan Note Principal Value, Bidco shall enter into the Loan Note Instrument. The Loan Note Principal Value will be determined by the Assessment Process set out in the CCU Deed Poll and summarised below, following which, each CCU Holder (other than Restricted Overseas CCU Holders) will either receive one Loan Note for each Contingent Consideration Unit held by such CCU Holder or, if the results of the Assessment Process are such that the Loan Note Principal Value is agreed or determined to be zero, no Loan Notes will be issued, and in these circumstances the CCU Holders will not receive any additional consideration under the terms of the CCU Deed Poll. In these circumstances, the value of each Contingent Consideration Unit would be zero.

Dianomi Shareholders should be aware that, from the Effective Date, Bidco will have control over the day-to-day operations of Dianomi, including in negotiations with publishers, subject to the provisions of the CCU Deed Poll. Under the terms of the CCU Deed Poll, on and from the Effective Date, Bidco has undertaken to use commercially reasonable efforts to procure that each of the Agreed Dianomi Publishers and the relevant members of the Dianomi Group enter into New Publisher Agreements on or before the end of the Reference Period, to provide a monthly update to the CCU Representatives of any material aspect of the discussions and negotiations with each Agreed Dianomi Publisher, to operate the Wider Dianomi Group's business in the ordinary course of business and not to take (or omit to take) any action in bad faith for the purpose of circumventing the payment of, restricting the

payment of, or artificially reducing the amount of, the Loan Note Principal Value payable to the CCU Holders. Further details in respect of the Contingent Consideration Units and Loan Notes will be contained in the Scheme Circular.

If, prior to the Loan Note Issue Date, certain winding up events occur in respect of Bidco, Bidco will issue Loan Notes to the CCU Holders (other than Restricted Overseas CCU Holders) (with each such CCU Holder being entitled to one Loan Note for every Contingent Consideration Unit held by them), with each such Loan Note having a principal value of 24 pence, and such Loan Notes shall become redeemable immediately upon the occurrence of the relevant winding up event, at which time the principal value shall be repaid.

Assessment process (the “Assessment Process”)

In summary, the calculation of the Loan Note Principal Value shall be based on an assessment of (i) the Agreed Dianomi Publisher Agreements which have, during the Reference Period, been amended or replaced with New Publisher Agreements; and (ii) the net revenue generated by Dianomi (after paying pass-through costs to the Agreed Dianomi Publishers) during the Revenue Calculation Period from Agreed Dianomi Publishers operating by or under the New Publisher Agreements by the end of the Revenue Calculation Period as compared with the net revenue forecast for all Agreed Dianomi Publishers for the Revenue Calculation Period.

As set out below, the Loan Note Principal Value shall be calculated by reference to the aggregate net revenue generated by Dianomi (after paying pass-through costs to the Agreed Dianomi Publishers) during the Revenue Calculation Period from Agreed Dianomi Publishers operating by or under the New Publisher Agreements by the end of the Revenue Calculation Period, as a percentage of the aggregate net revenue forecast (such forecast to be in Agreed Form) to be generated by Dianomi (after paying pass-through costs to publishers) during the Revenue Calculation Period by or under the Agreed Dianomi Publisher Agreements (where such net revenue forecast will depend on the Agreed Dianomi Publishers and the period of time covered by the Reference Period).

The principal value of each Loan Note to be issued pursuant to the Loan Note Instrument will be calculated as follows:

“**Loan Note Principal Value**” in pence = X

where:

X = a number (rounded, if necessary, to the nearest three decimal places) between zero and 24 and calculated on a straight-line basis dependent upon the extent to which the Relevant Percentage falls between 50% and 100% and where, for the avoidance of doubt:

- (i) the Relevant Percentage is 50% or less, X shall equal zero;
- (ii) the Relevant Percentage is 75%, X shall equal 12; and
- (iii) the Relevant Percentage is 100% or more, X shall equal 24.

The “**Relevant Percentage**” referred to above shall be calculated by taking:

- (i) the aggregate net revenue generated by Dianomi (after paying pass-through costs to the Agreed Dianomi Publishers) during the Revenue Calculation Period from Agreed Dianomi Publishers operating by or under the New Publisher Agreements by the end of the Revenue Calculation Period; as a percentage of

- (ii) the aggregate net revenue forecast (such forecast to be in Agreed Form) to be generated by Dianomi (after paying pass-through costs to publishers) during the Revenue Calculation Period by or under the Agreed Dianomi Publisher Agreements (where such net revenue forecast will depend on the Agreed Dianomi Publishers and the period of time covered by the Reference Period).

Prior to the Effective Date, Dianomi will appoint two individuals as CCU Representatives to act on behalf of the CCU Holders in reviewing the calculation of the Loan Note Principal Value and resolving any disagreement with Bidco in respect of that calculation. The Assessment Process described above does not allow for the exercise of any discretion on the part of Bidco or the CCU Representatives.

Bidco shall prepare and deliver to the CCU Representatives the calculation of the Loan Note Principal Value for review no later than 5.00 p.m. on the date which falls 30 days after the end of the Reference Period. The CCU Representatives will review that calculation and, if they do not agree with it within 10 CCU Business Days of receipt, either CCU Representative shall notify Bidco of its objections and that CCU Representative and Bidco shall meet, discuss and use their respective reasonable endeavours to resolve, in good faith, the points of disagreement. If the parties cannot resolve the disputed matters within a further 10 CCU Business Days, either party may refer such dispute to a senior independent chartered accountant, acting as expert and not as arbitrator, whose determination will be final and binding (in the absence of clear or manifest error) on Bidco and the CCU Holders.

The CCU Representatives will be entitled to such information as they may reasonably require to review the calculation of the Loan Note Principal Value, and, subject to Bidco's consent (not to be unreasonably withheld or delayed), to appoint legal, financial, accounting or other advisers to assist them. Bidco will reimburse the CCU Representatives' reasonable and properly incurred costs and expenses and each CCU Representative will benefit from an indemnity from Bidco, and limited liability, in each case in respect of actions taken in their capacity as a CCU Representative, save in certain specified circumstances (including cases of fraud, wilful default or gross negligence).

Save where the Loan Note Principal Value is zero (or any negative number), within 14 days of agreement or determination of the Loan Note Principal Value referred to above, Bidco shall issue the Loan Notes to the CCU Holders (other than Restricted Overseas CCU Holders) (with each such CCU Holder being entitled to one Loan Note for each Contingent Consideration Unit held by them) (the date of such issuance being the "**Loan Note Issue Date**"), with each Loan Note being in a principal amount equal to the Loan Note Principal Value.

Loan Notes

The Loan Notes will be unsecured and non-transferable, other than in certain limited circumstances specified in the Loan Note Instrument. The Loan Notes have not been, and will not be, listed on any stock exchange and no regulatory clearances in respect of the Loan Notes have been, or will be, applied for in any jurisdiction. No prospectus, registration document or similar will be prepared in connection with the issue of the Loan Notes in respect of any jurisdiction. The Loan Notes will be governed by English law and will be issued in certificated form.

No interest shall be payable on the Loan Notes, other than in circumstances where Bidco is in default of its payment obligations under the terms of the Loan Note Instrument. Each Loan Note shall have a term which ends on the Loan Note Payment Date. On redemption the Loan Note Principal Value will be paid in cash to the holders of the Loan Notes and the Loan Notes will be automatically cancelled.

The Loan Notes will be issued in accordance with the terms of the CCU Deed Poll and Loan Note Instrument. On the expiry of the term, Bidco will redeem the outstanding Loan Notes for cash. All payments to be made by Bidco in respect of the Loan Notes shall be rounded, if necessary, to the nearest pence. A holder of the Loan Notes may not opt to redeem any of his notes prior to the expiry of the term.

Full details of the Loan Notes will be contained in the Scheme Circular.

The Panel has determined that an estimate of the value of the Contingent Consideration Units and Loan Note in accordance with Rule 24.11 of the Code is not required to be included in the Scheme Circular.

12. Dianomi Share Plans

Dianomi and Bidco have agreed that, in relation to options and awards to acquire Dianomi Shares granted under the Dianomi Share Plans, Bidco will make appropriate proposals to the holders of such options and awards in accordance with Rule 15 of the Code. Further details of these proposals will be set out in the Scheme Circular and communicated in separate letters to be sent to participants in the Dianomi Share Plans in due course.

13. Offer-related arrangements

Confidentiality Agreement

Dianomi and Taboola have entered into the Confidentiality Agreement, pursuant to which each party has undertaken, amongst other things, to: (i) keep certain non-public or proprietary information confidential and not to disclose it to third parties (other than certain permitted parties) unless required by law or regulation; and (ii) use the confidential information only in connection with a potential business relationship of mutual interest. The confidentiality obligations remain in force for a period of two years from the date of last disclosure of confidential information by either party (except in the case of obligations of confidentiality of trade secrets, which will remain in effect so long as the trade secret is non-public).

Standstill Agreement

Taboola and Dianomi have entered into the Standstill Agreement which contains provisions restricting Taboola, its affiliates and concert parties from, amongst other things, acquiring or offering to acquire interests in the Dianomi Shares. The standstill restrictions ceased to apply on the making of this Announcement.

Clean Team Agreement

Taboola and Dianomi have entered into the Clean Team Agreement which contains provisions setting out the procedure for the sharing of commercially sensitive information about the Dianomi Group with Taboola during a due diligence exercise to ensure that the exchange of such commercially sensitive information remains compliant with antitrust laws.

Co-operation Agreement

Bidco and Dianomi have entered into the Co-operation Agreement, pursuant to which, among other things:

- Bidco and Dianomi have noted their intention to implement the Acquisition by way of the Scheme, subject to the ability of Bidco to proceed by way of a Takeover Offer in the circumstances described in paragraph 19 (*General*) below. Bidco has agreed to provide Dianomi with information, assistance and access for the preparation of the Scheme Circular and any other document required under the Code or by other applicable law.
- Bidco shall be responsible for determining, after consultation in good faith with Dianomi and considering Dianomi's requests and comments (provided that Bidco shall be under no obligation to accept any requests or comments from Dianomi), the strategy to be pursued for satisfying the regulatory conditions and obtaining any other clearances. Bidco has agreed to use its reasonable

endeavours, and procure that the members of the Taboola Group use their respective reasonable endeavours, to secure the satisfaction of the regulatory conditions and obtain any other clearances as soon as reasonably practicable following the date of the Co-operation Agreement and, in any event, in sufficient time so as to enable the Effective Date to occur by the Longstop Date. Bidco and Dianomi have agreed to certain undertakings to co-operate and provide each other with reasonable information and assistance to secure the satisfaction of the regulatory conditions and obtain any other clearances.

- The Dianomi Board has agreed to exercise its discretion to waive the performance conditions applicable to certain share options under the Dianomi Share Plans in order to allow certain optionholders to participate in the Acquisition (and as a consequence the Co-operation Agreement contains provisions that will apply in respect of such Dianomi Share Plans and certain other employee incentive arrangements).
- Bidco has the right, with the consent of the Panel (if required), to elect to implement the Acquisition by way of a Takeover Offer rather than the Scheme if: (i) Dianomi provides its prior written consent; (ii) a third party announces a possible or firm intention to make an offer for the issued and to be issued ordinary share capital of Dianomi in accordance with the Code; or (iii) a Dianomi Adverse Board Recommendation Change (as defined therein) occurs, and the Co-operation Agreement contains certain provisions that will apply in the event of any Agreed Switch (as defined therein).

The Co-operation Agreement shall be terminated with immediate effect in certain circumstances, including, among others: (i) if agreed in writing between Bidco and Dianomi at any time prior to the Effective Date; (ii) if the Acquisition is, with the permission of the Panel (if required), withdrawn or lapses or terminates in accordance with its terms prior to the Longstop Date (other than in certain limited circumstances); (iii) unless otherwise agreed by Bidco and Dianomi in writing or requested by the Panel, if the Effective Date has not occurred on or before the Longstop Date; or (iv) on the Effective Date.

Bidco has the right to terminate the Co-operation Agreement if, among other things: (i) the Scheme Circular (or offer document, as the case may be) does not include the Dianomi Board's recommendation of the Acquisition; (ii) Dianomi announces prior to the publication of the Scheme Circular that the Dianomi Directors no longer intend to make such recommendation or intend adversely to modify or qualify such recommendation; (iii) Dianomi announces that it will not convene the Scheme Court Meeting or the General Meeting or that it does not intend to post the Scheme Circular; (iv) the Dianomi Directors otherwise withdraw, adversely modify or adversely qualify such recommendation; or (v) any Condition which has not been waived is (or has become) considered by Bidco (acting reasonably) as incapable of satisfaction by the Longstop Date and, notwithstanding that Bidco has the right to waive such Condition, Bidco (acting reasonably) will not do so.

In addition, either party has the right to terminate the Co-operation Agreement if the requisite Resolutions are not passed at the General Meeting or if the Scheme is not approved at the Scheme Court Meeting.

14. Structure of and Conditions to the Acquisition

It is intended that the Acquisition will be implemented by means of a Court-sanctioned scheme of arrangement of Dianomi under Part 26 of the Companies Act. The Scheme is an arrangement between Dianomi and the Scheme Shareholders. The procedure involves, among other things, an application by Dianomi to the Court to sanction the Scheme. The purpose of the Scheme is to provide for Bidco, a wholly-owned subsidiary of Taboola, to become the owner of the entire issued and to be issued share capital of Dianomi on the Effective Date, in consideration for which Scheme Shareholders will receive Cash Consideration on the basis set out in paragraph 2 above and the Contingent Consideration Units

on the basis set out in paragraph 11 above.

The Acquisition is subject to the Conditions and the further terms set out in Appendix I to this Announcement and to the full terms and conditions to be set out in the Scheme Circular, and will only become Effective if, among other things, the following events occur on or before the Longstop Date:

- a resolution to approve the Scheme is passed by a majority in number of Scheme Shareholders present and voting (and entitled to vote) at the Scheme Court Meeting, either in person or by proxy, representing not less than three-quarters in value of the Scheme Shares held by those Scheme Shareholders;
- the Resolutions are passed (by the requisite majority of Dianomi Shareholders required to pass such resolutions) at the General Meeting;
- the satisfaction or waiver of the CMA Condition (as detailed further below);
- following the Scheme Court Meeting and General Meeting, the Scheme is sanctioned by the Court (without modification, or with modification on terms agreed by Bidco and Dianomi); and
- following such sanction, a copy of the Scheme Court Order is delivered to the Registrar of Companies of England and Wales.

Bidco may only invoke a Condition so as to cause the Acquisition not to proceed, to lapse or to be withdrawn with the consent of the Panel. Certain Conditions are not subject to this requirement. Further details are set out in Parts 1 and 2 of Appendix I.

The CMA Condition

The attention of Dianomi Shareholders is specifically drawn to the CMA Condition, which, in light of the time and cost (relative to deal value) of a Phase 2 CMA Reference, the disruption to both the Taboola and Dianomi businesses that it would cause and the low probability of clearance being obtained by the Longstop Date, is of material significance to Taboola and Bidco in the context of the Acquisition.

The CMA Condition has been included following specific negotiation between Dianomi and Bidco, and to take account of the particular circumstances of Taboola and Bidco and of the Acquisition.

While Dianomi and Bidco are confident in the approach to obtaining a no further questions response from the CMA and to satisfying the CMA Condition, Dianomi Shareholders should note that if there is a Phase 2 CMA Reference and Taboola and Bidco do not agree to undergo a Phase 2 CMA Reference, Bidco intends to seek the Panel's consent to invoke the CMA Condition in accordance with Rule 13.5(a) of the Code to lapse the Acquisition. This approach has been discussed with and acknowledged by Dianomi.

A decision by the Panel on whether to permit Bidco to invoke a Condition under Rule 13.5(a) of the Code would be judged by the Panel in accordance with Rule 13.5 of the Code by reference to the facts at the time that the relevant circumstances arise, including the views of the Dianomi Board at that time.

Effect of the Scheme

Upon the Scheme becoming Effective:

- it will be binding on all Dianomi Shareholders, irrespective of whether or not they attended or voted at the Scheme Court Meeting and the General Meeting (and, if they attended and voted,

whether or not they voted in favour of the Scheme at the Scheme Court Meeting or in favour of or against the resolution(s) at the General Meeting); and

- share certificates (if any) in respect of Dianomi Shares will cease to be of value and should be destroyed and entitlements to Dianomi Shares held within the CREST system will be cancelled. The Cash Consideration for the transfer to Bidco of the Scheme Shares will be despatched to Scheme Shareholders no later than 14 days after the Effective Date.

Any Dianomi Shares issued before the Scheme Record Time will be subject to the terms of the Scheme. The Resolution(s) to be proposed at the General Meeting will, amongst other matters, provide that the articles of association of Dianomi be amended to incorporate provisions requiring any Dianomi Shares issued after the Scheme Record Time (other than to Bidco and/or its nominees) to be automatically transferred to Bidco (or its nominees) on the same terms as the Acquisition (other than terms as to timings and formalities). The provisions of the articles of association of Dianomi (as amended) will avoid any person (other than Bidco and its nominees) holding shares in the capital of Dianomi after the Effective Date.

If the Scheme does not become Effective on or before the Longstop Date it will lapse and the Acquisition will not proceed (unless the Panel otherwise consents).

The Scheme Circular will include full details of the Scheme, together with notices of the Scheme Court Meeting and the General Meeting. The Scheme Circular will also contain the expected timetable for the Acquisition, and will specify the necessary actions to be taken by Dianomi Shareholders. It is expected that the Scheme Circular together with Forms of Proxy will be posted to Dianomi Shareholders and, for information only, to persons with information rights and to participants in the Dianomi Share Plans as soon as practicable and in any event within 28 days from the date of this Announcement. Accordingly, it is expected that the Scheme Court Meeting and the General Meeting will take place in November 2026. Subject, among other things, to the satisfaction or waiver of the Conditions (in particular the CMA Condition highlighted in paragraph 14), and the further terms set out in Appendix I to this Announcement (and to be set out in full in the Scheme Circular), it is expected that the Scheme will become Effective before the end of 2026.

15. Cancellation of trading on AIM and re-registration

Prior to the Scheme becoming Effective, Dianomi will make an application to the London Stock Exchange for the cancellation of the admission to trading of Dianomi Shares on AIM, to take effect from or shortly after the Effective Date. The last day of dealings in, and registration of transfers of, Dianomi Shares (other than the registration of the transfer of the Scheme Shares to Bidco pursuant to the Scheme) on AIM is expected to be the Business Day prior to the Effective Date and no transfers are expected to be registered after 6.00 p.m. (London time) on that date.

It is also intended that, following the Scheme becoming Effective, Dianomi will be re-registered as a private company under the relevant provisions of the Companies Act.

16. Disclosure of interests in Dianomi Shares

Save in respect of the irrevocable undertakings referred to above, as at the close of business on the Last Practicable Date neither Bidco nor any directors of Bidco, nor, so far as Bidco is aware, any person acting in concert with Bidco, had any interest in, right to subscribe for, or had borrowed or lent any Dianomi Shares or securities convertible or exchangeable into Dianomi Shares, nor did any such person have any short position (whether conditional or absolute and whether in the money or otherwise), including any short position under a derivative, any agreement to sell or any delivery obligation or right to require another person to take delivery or any dealing arrangement of the kind referred to in Note 11 of the definition of acting in concert in the Code, in relation to Dianomi Shares

or in relation to any securities convertible or exchangeable into Dianomi Shares.

In the interests of secrecy prior to this Announcement, Bidco has not made any enquiries in respect of the matters referred to in this paragraph of certain parties who may be deemed by the Panel to be acting in concert with Bidco for the purposes of the Scheme. Enquiries of such parties will be made as soon as practicable following the date of this Announcement and any disclosure in respect of such parties will be disclosed as soon as possible via a Regulatory Information Service.

17. Overseas shareholders

The availability of the Acquisition and the distribution of this Announcement to persons not resident in the United Kingdom may be affected by the laws and regulations of the relevant jurisdiction. Such persons should inform themselves about, and observe, any applicable legal or regulatory requirements. Dianomi Shareholders who are in any doubt regarding such matters should consult an appropriate independent professional adviser in the relevant jurisdiction without delay.

This Announcement does not constitute an offer for sale of any securities or an offer or an invitation to purchase any securities. Dianomi Shareholders are advised to read carefully the Scheme Circular and the Forms of Proxy once these have been dispatched.

18. Documents available on website

Copies of the following documents will, no later than 12 noon on 21 September 2026, be available (subject to certain restrictions relating to persons residing in Restricted Jurisdictions), on Dianomi's website at <https://www.dianomi.com/> and on Taboola's website at <https://investors.taboola.com/> until the end of the Offer Period:

- this Announcement;
- the irrevocable undertakings referred to in paragraph 6 above (further details of which are set out in Appendix III of this Announcement);
- the CCU Deed Poll and the Loan Note Instrument described in paragraph 11 above;
- the Confidentiality Agreement referred to in paragraph 13 above;
- the Standstill Agreement referred to in paragraph 13 above;
- the Clean Team Agreement referred to in paragraph 13 above; and
- the Co-operation Agreement referred to in paragraph 13 above.

The contents of Dianomi's and Taboola's websites are not incorporated into and do not form part of this Announcement.

19. General

The Acquisition will be made on the terms and subject to the Conditions (in particular the CMA Condition highlighted in paragraph 14) and further terms set out in Appendix I and to the full terms and conditions to be set out in the Scheme Circular when issued and such further terms as may be required to comply with the provisions of the Code.

Bidco reserves the right, subject to Panel consent and, where relevant, the terms of the Co-operation Agreement, to elect to implement the Acquisition by way of a Takeover Offer as an alternative to the

Scheme.

If the Acquisition is implemented by way of a Takeover Offer, the Acquisition will be implemented on substantially the same terms as those which would apply to the Scheme (subject to appropriate amendments and the terms of the Co-operation Agreement) and, in particular, the acceptance condition applicable to the Acquisition shall be set at 90% of the shares to which such Takeover Offer relates (or such other percentage (being more than 50% of the voting rights normally exercisable at a general meeting of Dianomi) as Bidco may decide (subject to the Panel's consent)).

If the Acquisition is effected by way of a Takeover Offer and such Takeover Offer becomes or is declared unconditional and sufficient acceptances are received, Taboola intends to: (i) make an application to the London Stock Exchange for the cancellation of the admission to trading of Dianomi Shares on AIM; and (ii) exercise its rights to apply the provisions of Chapter 3 of Part 28 of the Companies Act to acquire compulsorily the remaining Dianomi Shares in respect of which the Takeover Offer has not been accepted.

Other than under the Co-operation Agreement, there are no agreements or arrangements to which Bidco is a party which relate to the circumstances in which it may or may not seek to invoke any of the Conditions to the implementation of the Acquisition.

The Acquisition will be governed by English law and will be subject to the jurisdiction of the courts of England and Wales. The Acquisition will be subject to the applicable requirements of the Code, the Panel, the London Stock Exchange, the AIM Rules, the FCA, the Court and the Registrar of Companies.

The sources of certain financial information and bases of calculation contained in this Announcement are set out in Appendix II. Certain terms used in this Announcement are defined in Appendix IV.

Further information

This Announcement is for information purposes only and is not intended to and does not constitute, or form part of, any offer, invitation or the solicitation of an offer to purchase, otherwise acquire, subscribe for, sell or otherwise dispose of any securities, or the solicitation of any vote or approval in any jurisdiction, pursuant to the Acquisition or otherwise nor shall there be any sale, issuance or transfer of securities of Dianomi in any jurisdiction in contravention of applicable law. Further, this Announcement does not constitute a prospectus or a prospectus equivalent document.

The Acquisition will be implemented solely by means of the Scheme Circular (or if the Acquisition is implemented by way of a Takeover Offer, the offer document), which will contain the full terms and conditions of the Acquisition including details of how to vote in respect of the Acquisition. Any vote in respect of the Scheme (or, if applicable, acceptance of the Takeover Offer) or other response in relation to the Acquisition should be made only on the basis of the information contained in the Scheme Circular (or, if applicable, the offer document). Each Dianomi Shareholder is urged to consult its independent professional adviser immediately regarding the tax consequences to it (or to its beneficial owners) of the Acquisition.

Notice to overseas shareholders

General

The release, publication or distribution of this Announcement in or into jurisdictions other than the United Kingdom may be restricted by law and therefore any persons who are subject to the laws of any jurisdiction other than the United Kingdom should inform themselves about, and observe, any applicable legal or regulatory requirements. In particular, the ability of persons who are not resident in the United Kingdom to vote their Dianomi Shares with respect to the Scheme at the Scheme Court Meeting, or to appoint another person as proxy to vote at the Scheme Court Meeting on their behalf, may be affected by the laws of the relevant jurisdictions in which they are located. Any failure to comply with the applicable restrictions may constitute a violation of the securities laws of any such jurisdiction. To the fullest extent permitted by applicable law, the companies and persons involved in the Acquisition disclaim any responsibility or liability for the violation of such restrictions by any person.

This Announcement has been prepared for the purpose of complying with English law, the Code, the AIM Rules and the Rules of the London Stock Exchange and the information disclosed may not be the same as that which would have been disclosed if this Announcement had been prepared in accordance with the laws of jurisdictions outside of England.

Unless otherwise determined by Bidco or required by the Code, and permitted by applicable law and regulation, the Acquisition shall not be made available, directly or indirectly, in, into or from a Restricted Jurisdiction where to do so would violate the laws in that jurisdiction and no person may vote in favour of the Acquisition by any such use, means, instrumentality or form within a Restricted Jurisdiction or any other jurisdiction if to do so would constitute a violation of the laws of that jurisdiction. Accordingly, copies of this Announcement and documentation relating to the Acquisition will not be, and must not be, mailed or otherwise forwarded, distributed or sent in, into or from any Restricted Jurisdiction or any jurisdiction where to do so would violate the laws of that jurisdiction and persons receiving such documents (including custodians, nominees and trustees) must not mail or otherwise forward, distribute or send them in, into or from any Restricted Jurisdiction. Doing so may render invalid any related purported vote in respect of the Acquisition. If the Acquisition is implemented by way of a Takeover Offer (unless otherwise permitted by applicable law or regulation), the Takeover Offer may not be made, directly or indirectly, in, into or from within any Restricted Jurisdiction.

Further details in relation to overseas shareholders will be contained in the Scheme Circular.

Additional information for US investors

The Acquisition relates to the shares of an English company admitted to trading on AIM and is proposed to be effected by means of a scheme of arrangement under English law. Neither the US proxy solicitation rules nor (unless implemented by means of an offer) the tender offer rules under the US Exchange Act will apply to the Acquisition. Accordingly, the Scheme will be subject to the disclosure requirements and practices applicable to the United Kingdom and under the Code to schemes of arrangement, which differ from the disclosure requirements of the US proxy solicitation rules and tender offer rules. Neither the SEC, nor any securities commission of any state of the United States, has approved the Acquisition, passed upon the fairness of the Acquisition or passed upon the adequacy or accuracy of this Announcement. Any representation to the contrary is a criminal offence in the United States. Financial information relating to Dianomi included in this Announcement and the Scheme Circular has been or will have been prepared in accordance with accounting standards applicable in the United Kingdom that may not be comparable to financial information of US companies or companies whose financial statements are prepared in accordance with generally accepted accounting principles in the United States.

The receipt of cash by a beneficial owner of Dianomi Shares pursuant to the Acquisition as consideration for the transfer of its Scheme Shares pursuant to the Scheme may be a taxable transaction for United States federal income tax purposes and may also be a taxable transaction under other applicable tax laws, including any applicable United States state and local, as well as non-US, tax laws. Each Dianomi Shareholder is urged to consult its independent professional adviser immediately regarding the tax consequences to it (or to its

beneficial owners) of the Acquisition.

Dianomi and Bidco are organised under the laws of England and Taboola is organised under the laws of Israel. Some of the officers and directors of Dianomi, Bidco and Taboola are residents of countries other than the United States and the majority of the assets of Dianomi are located outside of the United States and a significant amount of Taboola's assets are located outside the United States. As a result, it may not be possible to effect service of process within the United States upon Dianomi, Bidco, Taboola or any of their respective officers or directors, or to enforce outside the United States judgements obtained against Dianomi, Bidco, Taboola or any of their respective officers or directors in US courts, including, without limitation, judgements based upon the civil liability provisions of the US federal securities laws or the laws of any state or territory within the United States. It may not be possible to sue Dianomi, Bidco or Taboola in a non-US court for violations of US securities laws. It may be difficult to compel Dianomi, Bidco, Taboola and their respective affiliates to subject themselves to the jurisdiction and judgment of a US court.

If the Acquisition is implemented by way of a Takeover Offer and Bidco determines to extend such offer into the United States, the offer will be made in compliance with applicable UK and US securities laws and regulations, including the US tender offer rules. In such circumstances, Dianomi Shareholders are urged to read any documents relating to the Acquisition because they will contain important information regarding the Acquisition. Such documents will be available from Dianomi at <https://www.dianomi.com/>.

To the extent permitted by applicable law, in accordance with normal UK practice, Taboola, Bidco or their respective nominees or brokers (acting as agents), may from time to time make certain purchases of, or arrangements to purchase shares or other securities of, Dianomi outside of the United States, other than pursuant to the Acquisition, until the date on which the Acquisition and/or Scheme becomes Effective, lapses or is otherwise withdrawn. These purchases may occur either in the open market at prevailing prices or in private transactions at negotiated prices. Any information about such purchases will be disclosed as required in the UK, will be reported to a Regulatory Information Service and will be available on the London Stock Exchange website at <http://www.londonstockexchange.com>. If Bidco elects to implement the Acquisition by way of a Takeover Offer (subject to the terms of the Co-operation Agreement) with the Takeover Panel's consent, the Takeover Offer will be made in compliance with applicable US laws and regulations, including Section 14(e) of the US Exchange Act and Regulation 14E thereunder, subject to exemptive relief, including in respect of Rule 14e-5 thereunder. Rule 14e-5 will not regulate the purchases or arrangement of purchases of shares of Dianomi in the context of implementing the Acquisition by a Scheme of Arrangement.

In accordance with the Code, normal UK market practice and Rule 14e-5(b) of the US Exchange Act, RBC Capital Markets and its affiliates will continue to act as exempt principal traders in Dianomi Shares on AIM. Those purchases and activities by an exempt principal trader which are required to be made public in the United Kingdom pursuant to the Code will be reported to a Regulatory Information Service and will be available on the London Stock Exchange website at www.londonstockexchange.com. This information will also be publicly disclosed in the United States to the extent that such information is made public in the United Kingdom.

Forward-looking statements

This Announcement (including information incorporated by reference in this Announcement), oral statements made regarding the Acquisition, and other information published by Dianomi, Taboola and Bidco contain statements which are, or may be deemed to be, "forward-looking statements". Such forward-looking statements are prospective in nature and are not based on historical facts, but rather on current expectations and on numerous assumptions regarding the business strategies and the environment in which the Taboola Group or the Enlarged Group will operate in the future and are subject to risks and uncertainties that could cause actual results to differ materially from those expressed or implied by those statements.

The forward-looking statements contained in this Announcement relate to the Taboola Group's or the Enlarged Group's future prospects, developments and business strategies, the expected timing and scope of the Acquisition and other statements other than historical facts. In some cases, these forward-looking statements can be identified by the use of forward-looking terminology, including the terms "believes", "estimates", "will

look to”, “would look to”, “plans”, “prepares”, “anticipates”, “expects”, “is expected to”, “is subject to”, “budget”, “scheduled”, “forecasts”, “synergy”, “strategy”, “goal”, “cost-saving”, “projects” “intends”, “may”, “will” or “should” or their negatives or other variations or comparable terminology. Forward-looking statements may include statements relating to the following: (i) future capital expenditures, expenses, revenues, earnings, synergies, economic performance, indebtedness, financial condition, dividend policy, losses and future prospects; (ii) business and management strategies and the expansion and growth of the Taboola Group’s or Dianomi Group’s operations and potential synergies resulting from the Acquisition; and (iii) the effects of global economic conditions and governmental regulation on the Taboola Group’s or Dianomi Group’s business.

By their nature, forward-looking statements involve risk and uncertainty because they relate to events and depend on circumstances that will occur in the future. These events and circumstances include changes in the global, political, economic, business, competitive, market and regulatory forces, future exchange and interest rates, changes in tax rates and future business combinations or disposals. If any one or more of these risks or uncertainties materialises or if any one or more of the assumptions prove incorrect, actual results may differ materially from those expected, estimated or projected. Such forward-looking statements should therefore be construed in the light of such factors.

None of Taboola, Bidco or Dianomi, nor any of their respective associates or directors, officers or advisers, provides any representation, assurance or guarantee that the occurrence of the events expressed or implied in any forward-looking statements in this Announcement will actually occur. Given these risks and uncertainties, potential investors should not place any reliance on forward-looking statements.

Specifically, any statements of cost savings and synergies relate to future actions and circumstances which, by their nature, involve risks, uncertainties and contingencies. As a result, any cost savings and synergies referred to may not be achieved, may be achieved later or sooner than estimated, or those achieved could be materially different from those estimated. As a result, and given the fact that the changes relate to the future, the resulting cost synergies may be materially greater or less than those estimated.

The forward-looking statements speak only at the date of this Announcement. All subsequent oral or written forward-looking statements attributable to any member of the Taboola Group or Dianomi Group, or any of their respective associates, directors, officers, employees or advisers, are expressly qualified in their entirety by the cautionary statement above.

Dianomi, Taboola and Bidco expressly disclaim any obligation to update such statements other than as required by law or by the rules of any competent regulatory authority, whether as a result of new information, future events or otherwise.

No profit forecasts or estimates

No statement in this Announcement is intended as a profit forecast or profit estimate or quantified financial benefit statement for any period, and no statement in this Announcement should be interpreted to mean that earnings or earnings per Dianomi Share or Taboola share for the current or future financial years would necessarily match or exceed the historical published earnings or earnings per Dianomi Share or Taboola share or to mean that the Enlarged Group’s earnings in the first 12 months following the Acquisition, or in any subsequent period, would necessarily match or be greater than those of Dianomi or Taboola for the relevant preceding financial period or any other period.

Disclosure requirements

Under Rule 8.3(a) of the Code, any person who is interested in 1% or more of any class of relevant securities of an offeree company or of any securities exchange offeror (being any offeror other than an offeror in respect of which it has been announced that its offer is, or is likely to be, solely in cash) must make an Opening Position Disclosure following the commencement of the offer period and, if later, following the announcement in which any securities exchange offeror is first identified. An Opening Position Disclosure must contain details of the person’s interests and short positions in, and rights to subscribe for, any relevant securities of each of: (i) the offeree company and (ii) any securities exchange offeror(s). An Opening Position Disclosure

by a person to whom Rule 8.3(a) applies must be made by no later than 3.30 p.m. (London time) on the 10th Business Day following the commencement of the offer period and, if appropriate, by no later than 3.30 p.m. (London time) on the 10th Business Day following the announcement in which any securities exchange offeror is first identified. Relevant persons who deal in the relevant securities of the offeree company or of a securities exchange offeror prior to the deadline for making an Opening Position Disclosure must instead make a Dealing Disclosure.

Under Rule 8.3(b) of the Code, any person who is, or becomes, interested in 1% or more of any class of relevant securities of the offeree company or of any securities exchange offeror must make a Dealing Disclosure if the person deals in any relevant securities of the offeree company or of any securities exchange offeror. A Dealing Disclosure must contain details of the dealing concerned and of the person's interests and short positions in, and rights to subscribe for, any relevant securities of each of: (i) the offeree company; and (ii) any securities exchange offeror, save to the extent that these details have previously been disclosed under Rule 8. A Dealing Disclosure by a person to whom Rule 8.3(b) applies must be made by no later than 3.30 p.m. (London time) on the Business Day following the date of the relevant dealing.

If two or more persons act together pursuant to an agreement or understanding, whether formal or informal, to acquire or control an interest in relevant securities of an offeree company or a securities exchange offeror, they will be deemed to be a single person for the purpose of Rule 8.3.

Opening Position Disclosures must also be made by the offeree company and by an offeror and Dealing Disclosures must also be made by the offeree company, by an offeror and by any persons acting in concert with any of them (see Rules 8.1, 8.2 and 8.4).

Details of the offeree and offeror companies in respect of whose relevant securities Opening Position Disclosures and Dealing Disclosures must be made can be found in the Disclosure Table on the Panel's website at www.thetakeoverpanel.org.uk, including details of the number of relevant securities in issue, when the offer period commenced and when any offeror was first identified. You should contact the Panel's Market Surveillance Unit on +44 (0) 20 7638 0129 if you are in any doubt as to whether you are required to make an Opening Position Disclosure or a Dealing Disclosure.

 - (ii) such Scheme Court Meeting (and any such separate class meeting) being held on or before the 22nd day after the expected date of the Scheme Court Meeting to be set out in the Scheme Circular in due course (or such later date, if any, (A) as Bidco and Dianomi may agree in writing, or (B) (in a competitive situation) as may be specified by Bidco with the consent of the Panel (and, in each case, with the approval of the Court, if such approval is required));
 - (b)
 - (i) each resolution to approve and implement the Scheme set out in the notice of the General Meeting (including the Resolutions) being duly passed by the requisite majority (or majorities, if applicable) at the General Meeting or at any adjournment thereof; and
 - (ii) the General Meeting being and any adjournment thereof held on or before the 22nd day after the expected date of the General Meeting to be set out in the Scheme Circular in due course (or such later date, if any, (A) as Bidco and Dianomi may agree in writing, or (B) (in a competitive situation) as may be specified by Bidco with the consent of the Panel (and, in each case, with the approval of the Court, if such approval is required)); and

In addition, Bidco and Dianomi have agreed that, subject as stated in Part 2 of this Appendix I and to the requirements of the Panel, the Acquisition will be conditional upon the following Conditions (as amended, if appropriate) and, accordingly, the necessary actions to make the Scheme effective will not be taken unless such Conditions have been satisfied (where capable of satisfaction) and continue

to be satisfied pending the commencement of the Scheme Court Hearing or, where relevant, waived:

Regulatory approvals and clearances

- (a) either:
 - (i) the CMA having indicated in writing in response to a briefing paper that it has no further questions in relation to the Acquisition, and that at the date on which all other Conditions are satisfied or waived the CMA has not:

- (b) in the event that a Phase 2 CMA Reference is made and Condition 3(a) is not invoked or waived by Bidco, confirmation from the CMA (or as the case may be, the Secretary of State) either: (A) that the proposed acquisition of Dianomi by Bidco may proceed without any undertakings or conditions; or (B) that the proposed acquisition of Dianomi by Bidco and any matter arising therefrom or relating thereto may proceed on terms satisfactory to Bidco;

Part 2 Waiver and invocation of the Conditions

1. The Scheme will not become effective unless the Conditions (in particular the CMA Condition highlighted in paragraph 14) have been fulfilled or (if capable of waiver) waived or, where appropriate, have been determined by Bidco to be or remain satisfied by no later than the Longstop Date.
2. Subject to the requirements of the Panel, Bidco reserves the right in its sole discretion to waive, in whole or in part, all or any of the Conditions, except Conditions 2(a)(i), 2(b)(i), 2(c)(i) and 2(c)(iii), (*Scheme approval*) which cannot be waived. The deadlines in any of Conditions 2(a)(ii), 2(b)(ii) and 2(c)(ii) may be extended to such later date (a) as Bidco and Dianomi may agree in writing, or (b) (in a competitive situation) as may be specified by Bidco with the consent of the Panel (and, in each case, with the approval of the Court, if such approval is required). If any of Conditions 2(a)(ii), 2(b)(ii) or 2(c)(ii) is not satisfied by the deadline specified in the relevant Condition, Bidco shall make an announcement by 8.00 a.m. on the Business Day following such deadline confirming whether it has invoked the relevant Condition, waived the relevant Condition or extended the relevant deadline.
3. Subject to paragraph 4 below, under Rule 13.5(a) of the Code, Bidco may only invoke a Condition to the Acquisition so as to cause the Acquisition not to proceed, to lapse or to be withdrawn with the consent of the Panel. The Panel will normally only give its consent if the circumstances which give rise to the right to invoke the Condition are of material significance to Bidco in the context of the Acquisition. This will be judged by reference to the facts of each case at the time the relevant circumstances arise. Particular attention is also drawn to the CMA Condition as highlighted and described in paragraph 14 of this Announcement.
4. Condition 1 (*Longstop Date*) and Condition 2 (*Scheme approval*) of Part 1 of this Appendix I and, if applicable, any acceptance condition if the Acquisition is implemented by means of a Takeover Offer, are not subject to Rule 13.5(a) of the Code.
5. Any Condition that is subject to Rule 13.5(a) of the Code may be waived by Bidco.
6. Bidco shall be under no obligation to waive (if capable of waiver), to determine to be or remain satisfied or to treat as fulfilled any of the Conditions by a date earlier than the latest date specified above for the fulfilment of that Condition, notwithstanding that the other Conditions of the Acquisition may at such earlier date have been waived or fulfilled and that there are, at such earlier date, no circumstances indicating that any Condition may not be capable of fulfilment.
7. If Bidco is required by the Panel to make an offer for Dianomi Shares under the provisions of Rule 9 of the Code, Bidco may make such alterations to any of the Conditions as are necessary to comply with the provisions of that Rule.
8. Each of the Conditions shall be regarded as a separate Condition and not be limited by reference to

any other Condition.

Part 3 Implementation by way of a Takeover Offer

Bidco reserves the right to elect to implement the Acquisition by way of a Takeover Offer, subject to the Panel's consent and, where relevant, the terms of the Co-operation Agreement. In such event, such Takeover Offer will be implemented on the same terms and conditions, so far as applicable, as those which would apply to the Scheme (subject to appropriate amendments and the terms of the Co-operation Agreement, including (without limitation) an acceptance condition set at 90% of the shares to which such Takeover Offer relates (or such other percentage (being more than 50% of the voting rights normally exercisable at a general meeting of Dianomi) as Bidco may decide (subject to the Panel's consent))).

Part 4 Certain further terms of the Acquisition

The Dianomi Shares will be acquired by Bidco under the Acquisition fully paid, with full title guarantee and free from all liens, equities, charges, encumbrances, options and rights of pre-emption and any other third party rights or interests of any nature whatsoever and together with all rights attaching thereto, including, without limitation, voting rights and entitlement to receive and retain in full all dividends and other distributions (if any) announced, declared, paid or made or which become payable or any other return of capital or value (whether by way of reduction of share capital or share premium or otherwise) by Dianomi with a record date on or after the Effective Date.

Subject to the terms of the Scheme, if, on or after the date of this Announcement, any dividend, distribution and/or other return of capital or value is announced, declared, paid or made or becomes payable in respect of the Dianomi Shares, Bidco reserves the right (without prejudice to any right of Bidco to invoke Condition 3(f)(iii) in Part 1 of this Appendix I), to reduce the Cash Consideration for the Dianomi Shares by an amount up to the amount of such dividend, distribution and/or other return of capital or value so announced, declared, paid or made or which becomes payable. If such right is exercised, any reference in this Announcement or in the Scheme Circular to the offer consideration for the Dianomi Shares will be deemed to be a reference to the offer consideration as so reduced. To the extent that any such dividend, distribution and/or other return of capital or value is announced, declared, paid or made or becomes payable and it is: (a) transferred pursuant to the Acquisition on a basis which entitles Bidco to receive the dividend, distribution and/or other return of capital or value and to retain it; or (b) cancelled, the offer consideration will not be subject to change in accordance with this paragraph. Bidco also reserves the right to reduce the consideration payable under the Acquisition in such circumstances as are, and by such amount as is, permitted by the Panel. Any exercise by Bidco of its rights referred to in this paragraph shall be the subject of an announcement and, for the avoidance of doubt, shall not be regarded as constituting any revision or variation of the Acquisition.

The Acquisition will be subject to the Conditions (in particular the CMA Condition highlighted in paragraph 14) and the further terms set out in this Appendix I, and to be set out in full in the Scheme Circular when issued, and such further terms as may be required to comply with the provisions of the Code.

The availability of the Acquisition to persons not resident in the United Kingdom may be affected by the laws of the relevant jurisdiction. Any persons who are subject to the laws of any jurisdiction other than the United Kingdom should inform themselves about and observe any applicable requirements.

The Acquisition is not being made, directly or indirectly, in, into or from, or by use of the mails of, or by any means of instrumentality (including, but not limited to, facsimile, e-mail or other electronic transmission, telex or telephone) of interstate or foreign commerce of, or of any facility of a national, state or other securities exchange of, any jurisdiction where to do so would violate the laws of that jurisdiction.

This Announcement and any rights or liabilities arising hereunder, the Acquisition, the Scheme, and any proxies will be governed by English law and be subject to the jurisdiction of the courts of England and Wales. The Acquisition (including the Scheme) will be subject to the applicable requirements of the Code, the Panel,

the London Stock Exchange, the AIM Rules, the FCA, the Court and the Registrar of Companies.
